

“The undersigned” is the parent or guardian of _____ (minor child), age ____ . I consent to any and all emergency medical care or treatment to be rendered in the discretion of the shipboard physician or other licensed physician at the request of Princess or the shipboard physician to my minor child. This care or treatment may be given under whatever conditions are necessary in the discretion of those named above to preserve the health and safety of my minor child. I further agree to pay all charges for that care or treatment. This consent is valid and given whether I am in port or onboard the ship at the time the emergency medical care or treatment is required and/or rendered. While every effort will be made to locate me, I understand that these efforts will not delay the arrangement or provision of emergency medical care.

As the parent or guardian of the above-named minor child, I am responsible for the health care decisions of the minor child and am authorized to consent to the services to be rendered. I represent that my consent to and agreement to pay for the medical care, services or treatment to be rendered to my minor child is legally sufficient and that no consent from any other person is required by law. This consent shall remain in effect at all times while the minor child is registered with the Princess Cruises Youth Program.

I hereby agree that my child or children may be videotaped and/or photographed during all Princess organized or operated youth activities during the cruise, and Section 19 of our cruise ticket contract governs any footage of my child or children.

ages 3-12

discovery happens here

Your young explorers are in for an exciting sailing full of fun experiences! In partnership with Discovery Communications, we've created Camp Discovery, where kids can make new friends and participate in a variety of exciting moments. "The Treehouse" for ages 3 to 7 and "The Lodge" for ages 8 to 12 have been specially designed for the ultimate time at sea, led by a highly qualified staff. From sports and dance classes to shipwide scavenger hunts and gaming consoles, they'll stay entertained and engaged.

Kids will uncover the secrets of sharks, squids and endangered species with Animal Planet™ and decide if a scenario is fact or myth with MythBusters challenges. They'll build rockets through the California Science Center and decorate cakes through JrChef@Sea. And that's only the beginning! No matter what type of activity piques your child's interest, they'll find it at Camp Discovery.

Please take a few moments to read the following guidelines, and fill out the attached registration card. We ask the cooperation of all parents/guardians in observing these policies.

Note: Youth facilities, age groupings and programs vary by ship. Children under the age of three are welcome in the Youth Center if accompanied and supervised by a parent/guardian. Onboard Pacific Princess' Youth and Teen programs are available only when 20 or more children ages 3-17 are sailing.

During voyages with a high number of families onboard, we will make all efforts to accommodate interested parties. However, participation in our program cannot be guaranteed.

To ensure the safety and enjoyment of all guests, please note the following policies:

- Parents/guardians must accept supervisory responsibility for their children who are not participating in the advertised youth activities.
- Parents/guardians must restrain their children from engaging in any loud and/or disruptive behavior, running in the public rooms, open decks and passageways, or playing in elevators.
- We encourage all children to conform to the suggested dress code of the day. Children must wear cover-ups over swimwear in interior public areas.
- Entry into the nightclub and casino is limited to guests over the age of 18, regardless of whether or not they are accompanied by a parent/guardian.
- Children under 13 must be accompanied by a parent/guardian in the theaters during production shows. Unescorted children will not be permitted to enter the theater(s).

Hours of operation may change to better serve our guests.

- Please complete the attached registration card. Your child must have this on file to participate in the Youth Program. Registration does not guarantee participation in the Youth Program. During voyages with a high number of families onboard, we make every effort to accommodate all interested parties.
- Parents/guardians are required to sign children ages 12 and under into and out of the Youth Program. Parents with children ages 8-12 may authorize consent to allow their child independent sign in/out privileges.
- Princess reserves the right to disembark any passenger(s), including parents of minor passenger(s) whose behavior is disruptive to other passenger(s) or crew or who cause damage to the ship.

Registration

Attached, you will find a registration card. No child will be admitted to the Youth Program without a registration card on file. Please bring the completed registration card(s) to the introductory meeting.

Parents/guardians are required to sign children ages 12 and under into and out of the Youth Center each day the child participates in the program and for group kidsitting services. However, parents with children ages 8-12 may authorize consent to allow their child independent sign in/out privileges.

Safety and Security Measures

For the safety and security of our youth guests, parents/guardians will be required to show government-issued photo identification (passport, driver's license, etc.) each time they sign their child, ages 3-12, out of the program (unless they have authorized sign in/out privileges for their child, ages 8-12). Only names designated on the registration card are authorized to sign children in/out of the Youth Program. Parents may designate any person who is at least 16 years of age (e.g. relative, private babysitter, sibling, family friend) to sign their child in/out of the program.

Pagers

In order to better facilitate communication with the Camp Discovery counselors, parents may need to carry a pager and be available to return to the Youth Center if called. Reasons can vary and include anything from unruly conduct to emergencies. We ask that pagers be returned at the end of each session. If not, a charge of \$50 USD will be applied to your stateroom account.

Filming/Photography

During the cruise, the Princess video team may videotape children's activities for the

Reflections souvenir video/DVD made specifically for your cruise. The video will be available for purchase at the end of your voyage. In addition, the photography team might take pictures of certain activities in the Youth Center to help capture the memories of your cruise. These images will be displayed in the photo gallery for your viewing and purchase.

Your signature on the registration card confirms your consent to such videotaping and photographing.

Children with Special Needs

All children are encouraged to participate in the Youth Program. Every effort will be made to accommodate all interested guests. If your child requires one-on-one supervision, an authorized caregiver must remain with him/her during program sessions. Our staff are not permitted to administer any medication and/or attend to medical conditions.

Program Restrictions

Camp Discovery counselors cannot administer medication, change diapers, bottle feed or provide meal service (except during port days and scheduled special events where indicated).

In addition, the following exceptions may prevent participation in the Youth Program:

1. A child who becomes disruptive, abusive, and/or violent within the group.
2. A child who shows symptoms or signs of fever, vomiting, diarrhea, unexplained skin rash, discharge from the nose or eyes, or has other contagious disease or illness will not be allowed in the Youth Center without the permission of the ship's Medical Staff.
3. A child who requires counselor-assisted medical treatment will not be allowed to participate in the Youth Center without the permission of the ship's Medical Staff, or without the supervision of a parent or guardian.

Meals

No food is allowed in the Youth Center at any time except during special events. During port day sessions, supervised lunch service is available outside the Youth Center. Meal service and snacks (e.g. pizza, ice cream, etc.) may also be offered during port days. Parents must authorize consent

of the meal service during sign-in. If your child has any dietary restrictions prohibiting certain food items, alternatives will be provided upon request.

Swimming Pools

Camp Discovery counselors will not conduct children's activities in the pools. Parents must supervise their children at all times when using the pools. Children in diapers/nappies and/or who are not toilet trained are not permitted in the swimming pools and hot tubs. This includes splash pools.
