

For parents:

“The undersigned is the parent or guardian of _____
(minor child), age ____ . I consent to any and all emergency medical care or treatment to be rendered in the discretion of the shipboard physician or other licensed physician at the request of Princess or the shipboard physician to my minor child. This care or treatment may be given under whatever conditions are necessary in the discretion of those named above to preserve the health and safety of my minor child. I further agree to pay all charges for that care or treatment. This consent is valid and given whether I am in port or onboard the ship at the time the emergency medical care or treatment is required and/or rendered. While every effort will be made to locate me, I understand that these efforts will not delay the arrangement or provision of emergency medical care.

As the parent or guardian of the above-named minor child, I am responsible for the health care decisions of the minor child and am authorized to consent to the services to be rendered. I represent that my consent to and agreement to pay for the medical care, services or treatment to be rendered to my minor child is legally sufficient and that no consent from any other person is required by law. This consent shall remain in effect at all times while the minor child is registered with the Princess Cruises Teen Program.

I hereby agree that my teenager may be videotaped and/or photographed during all Princess organized or operated teen activities during the cruise, and Section 19 of our cruise ticket contract governs any footage of my child or children.

I understand that my teen, as a participant in the Program, has permission to enter and leave the Center at will.

the place to be!

Go where you can hang out, socialize and connect with teens like you. There's plenty of fun to be had, thanks to our partnership with Discovery Communications. Compete in video game tournaments, and play air hockey and ping pong. Join in scavenger hunts, hip-hop classes and dance competitions. Even attend our "Rock the Boat" party, complete with a red carpet and mocktails! If you're in the mood to take it easy, stop by for late night movies and board games. No matter what you're into, you're sure to find it at The Beach House!

Be a part of it all. Please take a few moments to read the following guidelines, and fill out the attached registration card (with parent signature). We look forward to seeing you!

Note: Teens may enter and leave the center at will. We do not require them to sign in or out. Teen facilities, age groupings and programs vary by ship. Each program features specialized, age-specific activities and registered teen guests are required to participate in the program designated for their age. Onboard Pacific Princess Youth and Teen programs are available only when 20 or more children ages 3-17 are sailing.
