From the Navigator

A very warm welcome on board Emerald Princess from all of us here on the bridge. Once all passengers and crew are confirmed on board this evening we will strike the gangways, let go our mooring lines and proceed out of the port. Once clear of the harbor limits we shall disembark our local pilot and set a southerly course into the Florida Strait.

Smoking Policy

For the enjoyment of the public lounges and facilities, indoor areas onboard Emerald Princess are nonsmoking. Smoking is only permitted in designated sections of the casino and nightclub. For those passengers who would like to enjoy a cigar or pipe, the Speakeasy cigar lounge is located on deck 6. Smoking cigars or pipes outside of this lounge is not permitted. Outdoor smoking areas are clearly posted throughout the vessel. Although smoking is permitted in staterooms and balconies, it is discouraged as a safety precaution and as a courtesy to the next occupants of your stateroom.

Safety, Environment & Hygiene:

Please do not throw anything (including food and cigarettes) over the ship's side from public areas or balcony staterooms. Cigarettes can be sucked back into the ship and cause fires. Other items may fall onto balcony staterooms occupied by other passengers.

Employee of the Month

My name is Roy Trocio Rey. I come from Toledo City on the island of Cebu, Philippines. I graduated Bachelor of Science in Marine Transportation from the University of the Visayas in 2004. I joined Princess Cruises in 2007 and this is my 5th contract with the company. This is the first time I have won the Employee of the Month award and I am very happy and proud. I dedicate this award, and all the hard work I have put into it, to my family.
