

Alaska 2010 Overview

The best of Alaska with Alaska's "Best Cruise Line"

Readers of *Travel Weekly* magazine consistently recognize Princess® as the "Best Cruise Line in Alaska." And our 2010 season offers some of the best opportunities ever for experiencing the Great Land, by land and sea. From thrilling voyages on large and small ships to cruisetours featuring exclusive Princess Rail and stays in our wilderness lodges, only Princess offers you such a wide variety of options to one of travel's greatest destinations.

"See It All" cruisetours. The only way to truly see all the very best of Alaska — combine a 7-day Voyage of the Glaciers cruise with an in-depth land tour for a comprehensive vacation highlighting magnificent glaciers, soaring mountains and abundant wildlife. All Princess cruisetours feature scenic cruising in Glacier Bay National Park and a visit to Denali National Park with at least two nights at one or both Princess lodges in the area.

The Denali experience. Only Princess has its own premier lodges in two locations at Denali — the Denali Princess Wilderness Lodge® and the Mt. McKinley Princess Wilderness Lodge®. Our exclusive Direct-to-the-Wilderness® same-day rail service gets you to Denali a full day earlier than other options so you'll have more time to enjoy it.

Exciting adventures beyond. Our lodges on the Kenai Peninsula and at Copper River let you explore even more of Alaska's vast wilderness, with additional offerings for extending your vacation on land. And those looking for the pinnacle Alaska experience by land and sea might choose to embark on a Deluxe Escorted cruisetour.

7 spectacular ships, 4 incredible itineraries. Choose to sail on one of seven ships in our Alaska fleet, ranging from the magnificent Diamond Princess® to the more intimate Royal Princess®. Our four unique itineraries span from seven to 14 days, exploring the breathtaking seaways and quaint ports of the Inside Passage and Gulf of Alaska.

Small ship cruising. On our magnificent Alaska Connoisseur Voyages, you'll join 680 other guests on the small ship Royal Princess® for 14 days from Seattle — bound for unique destinations including Icy Strait Point, Kodiak and Seward.

2010 Alaska cruisetours

For a complete Alaska experience that can't be rivaled, choose a Princess cruisetour. Combine a 7-day Voyage of the Glaciers cruise with four to 9 additional days on land exploring Alaska's interior — with at least two nights at an exclusive Princess wilderness lodge at Denali National Park, as well as options to visit other exciting locales like Copper River, the Kenai Peninsula and more.

Direct to the Wilderness®

Your 7-day Voyage of the Glaciers cruise combines with our exclusive Princess Rail service and multiple nights at our wilderness lodges at Denali National Park, introducing you to the magnificence of Mt. McKinley and the vast Alaskan interior. This same-day rail service between ship and lodge gives you more time to enjoy the wilderness of Denali.

NEW Seattle Air Advantage!

Make any cruisetour a convenient roundtrip Seattle itinerary. This package includes motorcoach travel between Seattle and Vancouver, B.C., Canada, airfare between Alaska and Seattle and an overnight stay in a Seattle-area hotel. This is a great option for your clients as they'll only need to purchase home city air to/from Seattle.

Explorer

Beyond Denali National Park there is much more to see. And Explorer cruisetours take you there. In addition to visiting Denali, you can set out for massive Wrangell-St. Elias National Park at Copper River; explore "Alaska's Playground" — the Kenai Peninsula; or venture deep into the Arctic Circle to experience the remote beauty of Prudhoe Bay.

2010 Alaska cruises

Explore the awe-inspiring waters of the Great Land on an Alaska voyage in 2010. Itineraries range from seven to 14 days, and include everything you'd want to see — mammoth tidewater glaciers in College Fjord, Hubbard Glacier, Tracy Arm and Glacier Bay National Park; quaint towns like Ketchikan, Skagway and Juneau; and an array of wildlife.

Voyage of the Glaciers
