Luggage Handling

Prior to arriving at the pier, please ensure that all Princess luggage tags are attached (additional Princess luggage tags can be obtained at the pier). This is in addition to your personal identification tag.

Upon arrival at the pier, independent passengers will drop off luggage curbside to be checked in. Luggage will be screened, loaded onboard and delivered to their state room.

Curbside porters are available at the pier to take baggage to the vessel for delivery by shipboard personnel to your stateroom. It is customary to tip the porter for this service. Please be advised that curbside porters are not employees of Princess Cruises. You are responsible for your belongings at all times. For security reasons, we remind you to keep your hand luggage, including laptops, cameras, any medications, all travel documentation (passports, visas, etc.) and other valuables, in your possession at all times.
