TRAVEL DOCUMENTS & FLIGHTCHOICESM

PASSAGE CONTRACT

The Passage Contract is enclosed in your Princess® documentation packet. Please read all information carefully as it is binding and affects your legal rights.

CRUISE DOCUMENTATION

A cruise information letter is enclosed. This letter directs you to important information about your cruise, including required travel documentation and pre-cruise reservation of shore excursions.

PASSENGER IMMIGRATION INFORMATION REQUIRED IN ADVANCE OF YOUR CRUISE

Each passenger is responsible for providing Princess with complete and accurate immigration information. The Passenger Immigration Form (PIF) should be completed online using the Cruise Personalizer at princess.com, upon confirmation of your booking. Please provide Princess with this information at least 45 days prior to your cruise. Failure to do so will result in delayed check-in and, possibly, denied boarding. If you do not have online access, please contact your travel agent or call 1-800-PRINCESS.

For non-U.S. citizens or non-U.S. legal residents disembarking in a U.S. Port, the U.S. Department of Homeland Security requires that before your cruise, you provide the address at which you will be staying in the U.S., post-cruise.

NEW PASSPORT REQUIREMENTS

Passport requirements vary by destination and your citizenship. Please review the section below to determine your passport requirements.

U.S. and Canadian Citizens and Permanent Residents:

A valid passport is required for all non-domestic itineraries including Africa, Asia, Australia and New Zealand, Europe, India, Central and South America, South Pacific and Tahiti.

Although U.S. and Canadian citizens are not currently required to travel with a passport on domestic itineraries including Alaska, Bermuda, Canada, Caribbean, Hawaii and Mexico, Princess highly recommends they are carried. For itineraries for which a passport is not required, U.S. and Canadian citizens who do not have a valid passport must provide the following proof of citizenship: Naturalization certificate or an original certified birth certificate from the state/province of their birth (a hospital certificate will not suffice) together with a current and valid government-issued photo identification, such as a driver's license. **Neither oral nor written declarations of citizenship will be accepted.** U.S. citizens may also present a U.S. Passport Card. Although recommended, photo identification is not required for those 18 years and younger at the time of this printing. U.S. Resident Aliens are required to present, in addition to a valid passport, a current and valid Alien Resident Card. Canadian permanent residents are required to present a valid Permanent Resident Card in addition to a valid passport. Note that if your cruise requires air travel between the U.S. and the Americas, Canada, the Caribbean, Bermuda or Mexico, you will be required to present a passport when departing from or returning to the U.S. by air.

Even if your cruise does not involve air travel outside the U.S., should you be required to unexpectedly depart a vessel prior to the end of the sailing, a passport would be required to re-enter the U.S. by air. As such, Princess Cruises continues to strongly recommend that all passengers are in possession of a passport.

IMPORTANT: The Department of Homeland Security plans to move towards Western Hemisphere Travel Initiative implementation at land and sea ports. This initiative will require all persons, including U.S. and Canadian citizens, to present a valid passport to enter or depart the United States by land or sea. The implementation date is scheduled for June 1, 2009. Please check princess.com and the Cruise Personalizer for important updates regarding passport requirements that may

affect your cruise. Up-to-date information regarding passport requirements and trusted traveler programs (such as the U.S. Passport Card, Enhanced Driver's License or NEXUS, SENTRI and FAST programs) is also available at travel.state.gov. Foreign nationals should contact their governments for further details.

Non-U.S./Non-Canadian citizens: A valid passport is required for all non-U.S. and non-Canadian citizens for all itineraries.

Passport validity: Many countries require passports be valid for six months after the completion of your travel. Check your passport to verify it will be valid for this period of time. Please ensure the name on the passport matches the name on the booking. Additionally, make certain that your passport contains blank pages for entry and exit endorsements and any visas that may be required. If necessary, allow sufficient time to renew your passport and/or obtain additional pages. U.S. and Canadian citizens sailing on a domestic cruise should ensure passports or other travel documents are valid through the completion of travel.

VISAS

Visa requirements for U.S. and Canadian citizens are listed on your Travel Summary. All other nationalities including those with U.S. or Canadian resident status are responsible for verifying visa requirements for each port visited during the cruise. Generally, visas must be obtained in advance of your cruise. Visa requirements apply regardless if you choose to remain onboard or go ashore. Failure to present required visas at the time of embarkation will result in denial of boarding.

IMPORTANT: Visa and documentation requirements vary by destination and change from time to time without prior notice. Be sure to check with the consulate of each country you will visit, or a visa service to verify current regulations. It is your responsibility to have proper travel documentation. Please reconfirm visa requirements with the consulate prior to your cruise.

DOCUMENTS FOR PASSENGERS UNDER THE AGE OF 18

Several countries require special documentation for children traveling with only one parent or with neither parent; these requirements are subject to change without notice. It is your responsibility to ensure that you possess the proper documents

for all of the countries that you will visit. Please verify requirements with the immigration offices prior to your cruise.

AGE REQUIREMENTS/CHILDREN

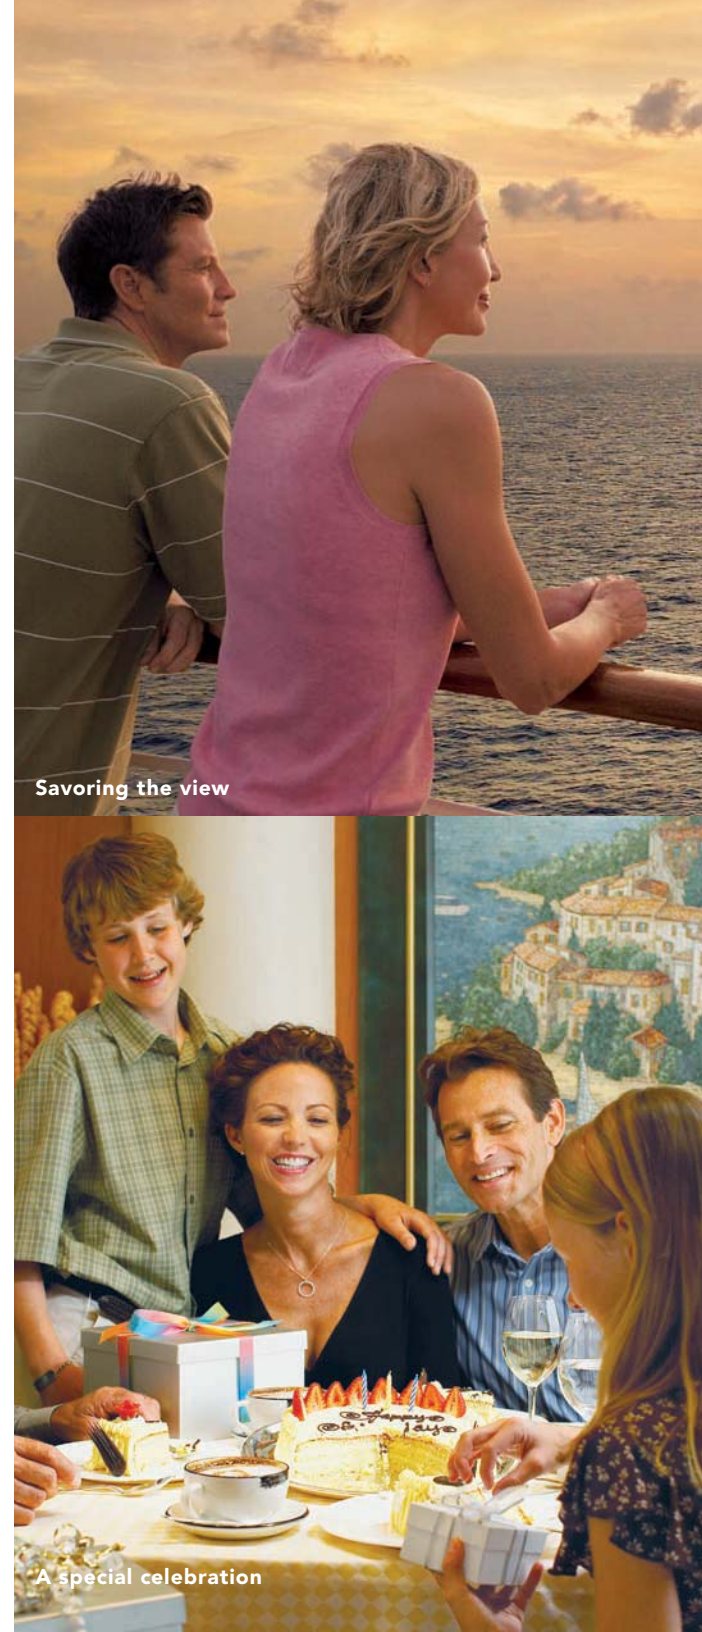

Children over six (6) months of age at the date of sailing will be accepted on the following itineraries: Alaska, Canada & New England, Caribbean, Europe, Mexico, Transcanal and Australia & New Zealand (coastal cruise only). Only children over the age of one (1) year at the date of sailing will be accepted for the following itineraries: Africa, South America, South Pacific, Hawaii, Tahiti, world cruises including Asia, Antarctica, Indian sub-continent, Transatlantic and Transpacific cruises.

Effective for all bookings, all passengers under the age of 21 years must be accompanied by a passenger who is 21 years of age or older. For family groups booking multiple staterooms, children may still occupy a stateroom without their parents or guardians, provided one child in the stateroom is a minimum of 16 years of age.

FLIGHTCHOICESM AIR

If you have purchased Princess FlightChoiceSM or FlightChoice Plus,SM your flight arrangements will be made by Princess. All flights are subject to change. We recommend you contact the airlines directly to reconfirm flights, advise of any special travel needs and request specific seat assignments. Please verify that the spelling of names shown on your cruise booking matches the identification that will be presented at the airport check-in. Flights arranged by Princess will be viewable on the Cruise Personalizer after final payment date. Princess may issue either electronic air tickets or paper air tickets, or a combination of both for your specific flight itinerary. The type of ticket will be included on the Air Receipt Notification sent when the tickets are issued by Princess. If you are eligible to print your boarding pass, you can expect to receive the Air Receipt Notification approximately 30 days prior to departure.

Flight schedules can be customized for a fee, starting at \$50 USD per person, plus any additional air costs. If you would like to make a change or request your preferred airline, please contact our FlightChoice Plus department at least 14 days prior to departure by calling 1-800-PRINCESS (1-800-774-6237).

HEALTH & WELLNESS

VACCINATIONS

Information regarding required vaccinations for your cruise or cruisetour is listed on your Travel Summary (if applicable).

We recommend seasonal influenza vaccinations for all passengers. Furthermore, you are strongly urged to seek advice from your primary care physician or an approved public health advisory service to identify any specific vaccination or health precautions required for each port of call. For example, you may wish to reference the World Health Organization (WHO) (who.int/ith) or the United States Centers for Disease Control and Prevention (CDC) (cdc.gov/travel). Some countries strictly enforce certain health requirements, in which cases you may be required to present a completed and original vaccination certificate. Failure to present appropriate vaccination documentation at embarkation will result in passengers being denied boarding.

IMPORTANT: Vaccination requirements vary by destination and change from time to time without prior notice. Please check with your travel agent or contact the United States Centers for Disease Control and Prevention (CDC) at cdc.gov/travel to verify current regulations.

STAYING HEALTHY

Norovirus is the most common cause of gastroenteritis in the developed world. As your health and safety is our highest priority, we have taken numerous measures to prevent and contain illness on our ships that meet or exceed standards set by the U.S. Centers for Disease Control and Prevention. The simplest way for you to stay healthy is to frequently and thoroughly wash your hands, especially before eating. You will also find hand sanitizers located throughout the ship. Please report immediately any gastrointestinal illness to the medical center.

MEDICAL CONDITIONS

If you regularly take any medications, you are strongly advised to carry them in your hand luggage and to bring extra supplies

to cover any unexpected circumstances. If you have received treatment for any significant medical condition, please carry a recent report along with any pertinent information from your treating physician.

PREGNANCY: Pregnant women are only allowed to sail if pregnant for 24 weeks or less at time of cruise disembarkation. All pregnant women are required to produce a doctor's or midwife's letter stating that mother and baby are in good health, fit to travel and the pregnancy is not high-risk. The letter must also include the estimated date of delivery (EDD) calculated from both Last Menstrual Period (LMP) and ultrasound performed.

We strongly recommend you review your health insurance coverage before cruising. Many policies, including Medicare, will not pay for services or hospitalization outside of the country or for emergency evacuation. If you did not buy Princess Travel Care,SM which is available for purchase up to the time of final payment of your cruise fare, we recommend that you secure other travel protection. For details on the plan, see pages 28-33 in the back of this book or visit princess.com.*

MEDICAL CENTER

All of our onboard medical centers hold the distinction of being the first and only facilities in the industry to be accredited to internationally recognized healthcare standards and certified to ISO 9001:2000.

Our onboard medical centers are staffed by full-time British registered doctors and nurses. In addition to twice daily office hours, they are available 24 hours a day in the event of an emergency.

Charges for medical services will be added to your shipboard account and you will be provided an itemized receipt to submit to your insurance company.

PRINCESS ACCESSSM

Princess makes every effort to accommodate our passengers with disabilities. Have your travel agent notify us of your wheelchair usage and/or any special needs prior to sailing. We have wheelchair-accessible staterooms on all Princess ships, but have limited wheelchair availability so we recommend you bring your own, or you can pre-reserve a wheelchair and have it and other medical equipment delivered to the ship by contacting CareVacations at 877-478-7827 or visiting cruiseshipassist.com. When bringing your own wheelchair, we highly recommend collapsible wheelchairs, as the width of the stateroom doors varies. Some ships have areas that are not wheelchair accessible.

Accessibility varies on pre- and post-cruise land tours and hotel packages. Lift-equipped motorcoaches, disabled access hotel rooms and seating on trains are limited and need to be secured in advance. The maximum weight of the wheelchair including guest cannot exceed 600 lbs. on transportation lifts. Ensure a successful trip by working with us in advance. Please put your request in writing and fax it to the Princess Access office at 661-284-4408 at least 30 days prior to sailing. If you have questions about the program, please call the Princess Access office at 661-284-4521.

If you have purchased a Princess Transfer at the start or end of the cruise, be aware that lift-equipped transportation may not be available in your port of embarkation or disembarkation.

Arrangements must be secured in advance by contacting us at 1-800-PRINCESS (1-800-774-6237) as soon as possible.

Passengers utilizing mobility devices with batteries are advised that the batteries must be a dry cell type and must be stored and recharged in the stateroom. Mobility devices of any kind, like other items, may not be left outside the stateroom.

Because of staffing limitations, we recommend you be accompanied by someone who is physically able to assist you both onboard and on shore. Travelers with disabilities should check in with the onboard

Note: For specific details, review the Princess Travel Care and Princess Travel Care Gold coverage terms including the eligibility, cancellation and refund provisions which are subject to the Terms and Conditions of the Coverage Policy. Princess makes such insurance available as a convenience and may charge a fee and earn a profit for doing so. Princess is not an insurer. Any such insurance is provided and administered by an independent contractor. See pages 28-33 for details.

***IMPORTANT:** Princess ships are registered in Bermuda. Verify with your insurer if your coverage applies outside the United States, or purchase appropriate travel insurance.

Tour Office to ensure all tours can accommodate them. Not all port facilities are accessible for those using mobility devices. Ports may be accessed by a variety of methods including a ramped gangway, series of steps or by tender. In some cases, you may be able to access the tender, however, the shoreside facility is not accessible. With your safety and comfort in mind, the decision to permit or prohibit passengers from going ashore will be made on each occasion by the ship's Captain, and the decision is final. Ports that normally use tenders to access the shore are noted on the itinerary.

In many ports of call, a mechanism known as a "stair climber" is used to assist passengers up and down the gangway. Passengers must transfer to a Princess wheelchair which is connected to the stair climber and operated by the ship's personnel. If you cannot transfer or your personal mobility device cannot be easily disembarked, you may be precluded from going ashore.

If you are traveling with a service animal, be aware that Princess needs advance notice. Entry regulations vary by port. Passengers are advised to consult authorities at each port prior to departure for more information. Princess does not have food for animals. The choice of dog litter material is limited and varies by ship.

Princess ships are equipped with "All-in-One Kits" with TTY that can be used in most passenger cabins and at Princess wilderness lodges. All televisions onboard provide closed captioning and most onboard theaters have assisted listening devices. Electric outlets in most staterooms are limited to one and it is helpful to travel with an extension cord for electrical equipment. Princess also offers JAWS Professional software with a KOSS-TD/80 headset on one terminal in each Internet Café on every ship.

CUSTOMS & SECURITY

CUSTOMS REGULATIONS

To avoid having to pay customs tax on previously owned property upon re-entry, U.S. residents should have a receipt for, or should register with customs prior to departure, their expensive jewelry, foreign-made cameras, radios and other electronic equipment. Customs will issue a certificate of ownership, so you can avoid duty

and taxes upon your return. For details visit cbp.gov or write to the Department of the Treasury, U.S. Customs Service, Washington, D.C. 20229 for a copy of "Know Before You Go." Canadian residents can write to the Customs Office, 333 Dunsmuir Street, Vancouver, B.C. V6B 5R4 for a copy of "I Declare," visit cbsa.gc.ca or can contact their local customs office.

SECURITY

At Princess Cruises, we take the safety and security of our passengers and crew very seriously and have one of the largest security operations in the industry. We continually review the security situations at every port we visit, which may result in a missed or rescheduled port.

Princess also prides itself on our adherence to applicable maritime security regulations designed to safeguard each and every voyage. All passengers are required to submit their names and personal data to Princess prior to embarkation and are also asked to leave any questionable items at home. No weapons or articles which could be used as weapons will be allowed onboard and all passengers and luggage/carry-on items are subject to screening prior to boarding the ship. Princess strives to ensure that every passenger experiences a comfortable and worry-free vacation.

For exotic cruises, please advise us of any special dietary requirements at least two months prior to sailing. Once onboard, please check with the Maître d'hôtel to confirm your request.

CELEBRATING A SPECIAL OCCASION

Princess makes your birthday, wedding, honeymoon, anniversary or renewal of vows even more memorable. If you have your travel agent advise us of any occasions of particular importance at least 45 days prior to your departure, we'll set our "special occasion" staff in motion to spotlight your special event in the dining room or with our special packages and fabulous "extra mile" service. You might even choose from a selection of our "Celebration" offerings, with extra touches like flowers, candles, wine and champagne. See pages 24-26 for more information.

PRINCESS FLORAL

Make your cruise a memorable one. Our professional florist onboard offers a wide range of fresh flowers for any occasion. Choose from corsages, boutonnieres, rose arrangements and bouquets, exotic tropical arrangements, all-occasion bouquets and more. Call 1-800-PRINCESS (1-800-774-6237) or go to princess.com to pre-order your flowers or visit the Passenger Services/Purser's Desk once you're onboard.

Note: To ensure the freshest arrangements, we ask you to place your order at least seven days prior to sailing (if you pre-order). Flower varieties may vary by region, season and weather conditions. Only pre-orders can be fulfilled on Pacific Princess®, Royal Princess® and Tahitian Princess®.

SHORE EXCURSIONS

Amsterdam, The Netherlands

ADVENTURES ASHORE®

Exploring ports of call will be one of the highlights of your cruise, and one of the best ways to do this is on a shore excursion through the Adventures Ashore® program. Tours are operated by local independent companies, not by Princess.

You will find a variety of shore excursion options selected specifically with families in mind. Discounted rates for children and family-friendly activities may be available to make the most of your time in port. Please visit princess.com for more information.

You can pre-reserve your tours, review the most up-to-date tour information and receive real-time confirmation of tours online using the Cruise Personalizer at princess.com up until 14 days prior to sailing. In most cases, you may begin to book your tours on the Cruise Personalizer approximately 120 days prior to your cruise. Your tickets will be delivered on embarkation day to your stateroom and will be charged to your onboard account.

SPECIAL INFORMATION

CONDITIONS: In selling tickets (including coupons or vouchers) or otherwise promoting or making arrangements for Shore Excursions — whether for air, land or local water transportation; tours; sports or any other recreational activities; shore accommodations or meals or for any service,

facility or activity other than onboard Princess ships — Princess acts only as agent for the independent tour operator supplying such excursions or services. Participation by a passenger in Shore Excursions is conditioned upon such passenger's acceptance of the terms and conditions set forth in the Passage Contract, the Shore Excursion Ticket and, depending on the activity, other documents which, among other things, expressly release Princess from any liability for such participation. Participation may also be subject to the independent tour operators' own terms and conditions.

EXCURSION TIMINGS: Departure times for each tour will be listed on the Cruise Personalizer. These have been published according to information from our agents, but are subject to change should the vessel's arrival time at any port be delayed, or the itinerary for any particular excursion be amended. Passengers are requested to report to the specified departure location (either onboard ship or pierside) at the time designated on your tour ticket.

EXCURSIONS WITH LIMITED PARTICIPATION: Shore Excursions may be purchased in advance of your cruise departure or onboard ship on a first-come, first-served basis. Many excursions have limited participation and reservation forms will be processed in the order received. When excursions are fully subscribed, additional requests will be placed on a waiting list in the order received.

PERSONAL POSSESSIONS: Personal articles remain at all times through the tour under the passenger's custody and control. Be careful that you do not leave your possessions unattended at any time in the car or coach in which you are traveling, unless instructed otherwise.

PRICES: The prices for the Shore Excursions are in U.S. dollars* and subject to change without notice. All quotations made include conveyance according to the itinerary and, where applicable, meals, refreshments, guides, and entrance fees, unless otherwise stated. Children, other than infants in arms, will be charged full fare unless noted otherwise.

TRANSPORTATION: The standards of transport vary considerably throughout the world. Air-conditioned coaches are not available in many areas, and in some places public transportation may be available. Cars or taxis are also used at some ports where coach or bus transportation is not available or limited. Where excursions are operated by car, four to eight passengers are allocated to each car. Passengers wishing to travel with friends should all leave the ship together, as this will help the Tour Staff to allocate them space in the same vehicle. For the comfort of all passengers, smoking is prohibited aboard the sightseeing vehicles.

REFUNDS: The times when bookings will close will be published onboard. In the event of any excursion being canceled for reasons beyond our control, a full refund will be made. No refunds can be made on any ticket, coupon or voucher unless notice of cancellation is given before the closing date indicated on the booking form for the excursions involved. However, should any excursion have to be abandoned through force majeure or difficulties en route, the best possible refund will be arranged according to the circumstances.

WITHDRAWAL OF TOURS: The Tour Operator reserves the right to withdraw any excursion through lack of demand and to make any alterations that they may deem advisable for the comfort of the passengers, bearing in mind the convenience and best interest of each group.

* For passengers on Sun Princess and Dawn Princess sailings to or from Australia, shore excursion prices are in Australian dollars.

WHAT TO BRING

In this section, we review all the items you'll need in order to make your cruise with Princess® the best vacation ever.

Getting ready for your escape

WHAT TO BRING

BOARDING PASS, PASSAGE CONTRACT, PASSPORT AND TRAVEL DOCUMENTS

Before leaving home, double check that you have all the proper documentation required to travel. Without appropriate documentation, you may be denied boarding of your flight, voyage, pre- or post-voyage land tour or excursion. All travel documents are your responsibility.

As previously listed on page 3, you will need the following items before departing on your cruise or cruisetour:

List of required documents

- Boarding pass
- Cruise or cruisetour documents
- Flight tickets
- Passport(s)
- Visa(s) (if applicable)
- Medical insurance, travel insurance, or travel protection plan (recommended)
- Medical insurance card
- Passage Contract
- Personalized cruise or cruisetour itinerary and Travel Summary that states all the services you will receive during your cruise or cruisetour

If you are flying to your embarkation port, please ensure that you have your voyage tickets available at the airport as you may be requested to present these.

VALUABLES

We strongly recommend you hand-carry all valuables and breakables, including jewelry, electronics and cameras as well as any medications. Please read the Passage Contract for limitations and responsibilities for lost items and baggage.

CLOTHING SUGGESTIONS

You should dress for a cruise with Princess the same way you would for any stylish land-based resort. Casual sportswear, including shorts, lightweight pants and jogging suits, is the order of the day both at sea and ashore in hotter climates. See weather.com for the latest weather information on the region you are visiting. We recommend you bring a sweater, a jacket or an all-weather coat for cool evenings, and for

shore excursions, depending on your destination. Due to unpredictable weather, don't forget a hat or visor and a collapsible umbrella. Please be sure to bring proper clothing for visits to religious sites. You'll also want low-heeled, rubber-soled shoes for strolling on deck, as well as comfortable walking shoes or sandals to wear.

ONBOARD ATTIRE

Princess makes it easy to know what to pack and what to wear when you're dining onboard. There are two designations for dress codes: Smart Casual and Formal.

Smart Casual:

Passenger attire should be in keeping with what they would wear to a nice restaurant at home.

- Skirts/dresses, slacks, and sweaters for ladies
- Pants and open-neck shirts for men

Inappropriate dinner wear such as pool or beach attire, shorts, ball caps and casual jeans (with fraying and/or holes), is not permitted in the dining rooms. Shoes must be worn.

Formal:

- Evening gowns, cocktail dresses, or elegant pant suit for women
- Tuxedo, dark suit or dinner jacket and slacks for men

Princess offers formal wear rental on all cruises; this can be arranged prior to embarkation. Please review the formal wear section of this brochure on page 12. And see below for an example of evening attire schedules.

Guests who wish to have a casual dinner on formal nights can take advantage of our casual dining options.

LENGTH OF CRUISE	NUMBER OF FORMAL EVENINGS	NUMBER OF SMART CASUAL EVENINGS
2-6 days	1	1-5
7-13 days	2	5-11
14-20 days	3	11-17
21-28 days	4	17-24
29+ days	5 minimum	24+

Dress code is subject to change with the ship's itinerary. The above is a general guide. The dress code suggested in *Princess Patter* may vary from time to time.

TRAVEL WITHOUT BAGGAGE

Introducing a new door-to-door luggage service that delivers your bags from your home to your stateroom. With Princess Luggage Valet, you can enjoy the ultimate in ease and convenience when you travel.

Princess Luggage Valet Service is provided by DHL Worldwide Express and is available exclusively to Princess Cruises passengers. Domestic and international shipping is available. Standard rates start as low as \$90.00 USD per piece each way for domestic express shipments and \$250.00 USD per piece each way for international. To qualify for standard rates, reservations must be secured at least 30 days prior to your sailing date. Service can be requested within 30 days of your sailing, but will be subject to an additional cost, and will be based on availability of express service to the destination. Domestic shipments are typically scheduled for pick up seven days prior to the sailing departure date and most international shipments are typically scheduled for pick up 14 days prior to the sailing departure date. For more information, please go to princess.com. For rates and availability contact us by phone at 800-399-7350 in the U.S. or Canada or by email at luggagevalet@princesscruises.com. Make it a carefree escape with the new Princess Luggage Valet Service.

AIRLINE CHECK-IN, MADE EASY

For your return home, breeze through airline check-in while you are still onboard your Princess ship. EZCheck is a new and revolutionary shipboard airline check-in service. For a nominal fee, we will check you in for your flight and you will be provided with your airline boarding pass and luggage tags on the last night of your cruise. Upon your disembarkation, your luggage will be secured and transferred to the airport and delivered to your airline carrier. You will next see your luggage at the luggage claim area at your final destination.*

Please check with the Passenger Services Desk for a complete list of participating carriers for your disembarkation port. Note that any connecting flights must be with the same airline. Additionally, flights must be scheduled to depart within specified guidelines on the day of disembarkation, and the flight and final destination must be within the United States (Alaska, Hawaii and Puerto Rico included). DAY OF EMBARKATION

CRUISE CHECK-IN

Check your travel summary and boarding pass to verify the check-in and embarkation times for your cruise.

TAG YOUR LUGGAGE

In addition to your personal identification tag, please attach a completed Princess luggage tag to each piece. Tags have been included in your pre-cruise documents. Please remove any old airline flight tags. Also, please follow the directions in your itinerary regarding luggage for your land tours.

Please note: Many domestic airline carriers are now imposing excess weight charges for baggage over 50 lbs., so it is advisable to check with your carrier regarding weight restrictions. You may also consider taking advantage of the Princess Luggage Valet program (see page 11).

CAR SEATS

U.S. and Canadian regulations require that children up to the age of 8 years old may be required to travel in a car seat, booster seat or other child restraint system. When being transported by car, taxi, limo, van or shuttle, it is your responsibility to know the regulations and provide the applicable child restraint system.

TRANSFERS

If you purchased a Princess airport-to-ship transfer, a cruisetour transfer, or a Cruise Plus® Hotel Package, you will be met by a uniformed Princess representative at the embarkation port airport. For domestic U.S. flights, you will be met inside or just exiting the luggage claim area. For international flights, you will be met as you exit the secure customs area. Claim all your luggage prior to exiting the luggage claim area. From the airport, you'll be transferred to the ship or your hotel. If you have not purchased your air from Princess, you must provide us with flight details prior to purchasing a transfer.

If you have purchased a Princess Transfer and you require special assistance, be aware that lift-equipped transportation may not be available in your port of embarkation or disembarkation. Arrangements must be secured in advance to accommodate your needs. To ensure that we can do so, we ask that you contact us at 1-800-PRINCESS (1-800-774-6237).

MOTORCOACH SERVICE

With roundtrip motorcoach service offered by Princess for roundtrip Ft. Lauderdale or roundtrip New York itineraries, getting to the ship is as easy as getting to one of the convenient pick-up locations. Here you will board a motorcoach and travel in comfort. For scheduling, dates, participating cities closest to you, and other information, please call your travel agent or 1-800-PRINCESS (1-800-774-6237).

EN ROUTE DELAYS ON SAILING DAY

If you encounter unforeseen flight or weather-related delays on sailing day, we suggest you immediately advise an airline representative at the airport that you are a cruise passenger destined for sailing that day. Typically, airlines are able to arrange alternative flights at the airline counter for passengers to continue with their travel to the point of embarkation. Upon learning your new flight arrangements, we ask that you immediately contact Princess with your new flight information for our records. You may call us toll-free at 800-545-0008. This special number is operational only in the United States and Canada. Outside of the United States and Canada you may reach us at 661-284-4410. Within Australia, use 13 24 88. Princess representatives are available to answer this emergency en-route line from 5 a.m. - 8 p.m. Pacific Time, Monday through Friday, and 5 a.m. - 5 p.m. Pacific Time, Saturday and Sunday. After hours support is available in the event of "en route" delays. These calls will be routed to our customer service centers in Australia or the United Kingdom, subject to the time of call. Our representatives will record your new flight information into your booking record.

IMPORTANT: The above numbers are for emergency use only, for unforeseen delays. If you have any other questions, please contact your travel agent. Princess is not responsible for any airline delays.

CRUISE PLUS® HOTEL PACKAGES

A Cruise Plus Hotel Package lets you add a night — or as many as you like — to the beginning or end of your vacation and stay in carefully selected hotels. All transfers and baggage handling are included. If you purchased a pre-cruise hotel stay with Princess, you will be met by a uniformed Princess representative at the arrival port airport. If you have purchased your air tickets on your own, you must provide your arrival flight details 45 days prior to the start of your vacation to ensure that you are met and transferred to the start of your hotel package. Please see the Transfers section on this page for further details. Recognizing that accessible accommodations vary widely, especially outside the United States, passengers should confirm their special needs upon booking their reservation.

Or bring your wireless-enabled laptop and access the Internet from the comfort of our beautiful Lobby/Atrium or other public areas. If your laptop is not already equipped, wireless network cards are available for purchase onboard.

Passengers who subscribe to email services from an Internet Service Provider (ISP) are advised to verify that their ISP has a web-mail viewing site prior to sailing. Most major ISPs have websites that allow mail access via a web browser using an email address and password.

Please contact the Passenger Services/Purser's Desk onboard for information regarding the charges that apply to Internet and wireless services and any other specific requirements.

DURING YOUR CRUISE

AFTERNOON TEA

Indulge in afternoon tea with finger sandwiches, pastries, scones, cookies, music and white-glove service. It's the perfect interlude between sunning out on deck and a star-studded evening at sea. Enjoy a wide selection of premium teas — from Earl Grey to herbal infusions. And of course, there's freshly brewed coffee, if you prefer. The choice is up to you.

ROOM SERVICE

Call for personal room service at any time of the day or night. To have continental breakfast delivered to your stateroom, just fill out the breakfast card (one is placed on your pillow each evening) and hang it out at night on your stateroom door. For a full stateroom menu, please see your stateroom portfolio or call the number listed in your onboard telephone directory.

PRIVATE COCKTAILS AND HORS D'OEUVRES

What could be more fun than throwing a party at sea? We'll arrange for the invitations, mix the cocktails, and pour the wine. Our chef will even prepare a selection of your favorite hors d'oeuvres. Just contact the Passenger Services/Purser's Desk to plan all the details.

SMOKE-FREE DINING

To enhance the dining experience, we ask that passengers adhere to our smoke-free dining policy. For your convenience, we offer alternative smoking areas throughout the ship.

DISCRETIONARY HOTEL AND DINING CHARGE

During your cruise, you will meet staff throughout the ship who provide you with excellent service. Many more crew support those who serve you directly. A discretionary Hotel and Dining charge of \$11 per person for mini-suites and suites, and \$10.50 per passenger in all other staterooms per day (including children) will be added to your shipboard account on a daily basis. This charge will be shared amongst those staff who help provide and support your cruise experience, including the waitstaff, stateroom stewards, buffet stewards, galley staff, laundry staff and others.

Casino dealers and Lotus Spa personnel do not share in the Hotel and Dining charge, as not all passengers utilize these services.

BAR AND WINE SERVICE CHARGE

A 15% gratuity is added to bar charges and dining room wine accounts. This is shared amongst the beverage staff and their support staff, including cleaners and utility staff. We know you will find these services onboard exemplary.

ADDITIONAL FEES

A cover charge of \$15 to \$35 per person may apply at our alternative dining venues. Prices may vary or change without notice.

ALCOHOL POLICY

Passengers under 21 years of age are not permitted to purchase or consume alcohol onboard. Duty- and tax-free alcohol is available for purchase and will be delivered to your stateroom the last day of your cruise. Discounted stateroom packages are available. See page 25 for our stateroom food and beverage list.

Alcohol purchased at any port of call, including the port of embarkation, may not be consumed onboard. It will be collected at the gangway for safekeeping and delivered to your stateroom on the last day of your cruise, prior to your disembarkation. You may bring wine or champagne onboard to celebrate special occasions (limit: one bottle per person). If consumed in the dining rooms or alternative restaurants, each bottle will be subject to a \$15 corkage fee.*

ATTIRE FOR MAIN DINING ROOM

Please see page 10 under "Onboard Attire" for details and page 12 for the Formal Wear rental section.

Pelicans at play

A BOATLOAD OF FUN

Cruising with Princess is a complete escape for all ages, with our Pelicans and Shockwaves programs made especially with junior cruisers ages 3-12 in mind, and our Remix centers for teens.

Pelicans and Shockwaves give kids the chance to enjoy everything from arts and crafts, game tables, movies, splash pools (on select ships) and more. For toddlers, there's even a special play area and outdoor deck.

All Youth and Teen Centers are fully supervised by our staff of Youth Activities Coordinators.*

Children are welcome on all Princess ships, but facilities vary. Pacific Princess, Royal Princess and Tahitian Princess do not have dedicated Youth and Teen Centers. However, when 20 or more children ages 3 to 17 are traveling on these ships, they will enjoy a varied schedule of supervised activities organized by a Youth Activities Coordinator.

Don't miss the orientation and registration meeting on the first night of your cruise. You and your children can meet the Youth and Teen staff and learn more about our exciting shipboard programs. Parents are always welcome to join their children in the Youth and Teen Centers.

ADDITIONAL REMINDERS

Children under 3 are not permitted in the Youth Center unless accompanied by a parent at all times. Youth Center staff cannot administer medication, bottle-feed, change diapers, or provide meal service! Private in-cabin babysitting is not available on any Princess ship. All children participating in the Youth program must be potty-trained. Children who are not potty-trained are not permitted in hot tub or pool facilities.

CHILDREN WITH SPECIAL NEEDS

Princess welcomes all children and teens ages 3-17 to participate in our programs. Let our staff know of all medical and/or special needs for your children. We will make every effort to accommodate them. Please be advised that Princess Youth staff do not offer individual one-on-one supervision.

Note: Age groups may differ on Caribbean Princess, Diamond Princess, Pacific Princess, Royal Princess, Sapphire Princess, Star Princess and Tahitian Princess. Nominal charge applies for Jr.CHEF@Sea.

DISEMBARKING

EXPRESS CHECK-OUT

Princess offers quick and easy check-out service for smooth sailing from the beginning to the end of your cruise. If you have not already provided your credit card number at embarkation, please bring your major credit card and your identification to the Passenger Services/Purser's Desk during the first few days of your cruise. Those paying by traveler's checks or cash will be required to leave a cash deposit with the Purser's staff at the beginning of the cruise. You will be presented with a final bill on the day of disembarkation. If this bill is to your satisfaction, everything will be taken care of for you without another visit to the front desk. You can make your departure even more convenient with our EZCheck and Luggage Valet programs. See page 11 for details.

PRIOR TO DISEMBARKATION

Your stateroom steward will provide you with a disembarkation letter containing information regarding your departure from the ship. You will also receive colored tags for each piece of luggage. Please put your name, home address and other information requested on each tag. Also, remove any old airline flight tags or embarkation tags. We strongly recommend you hand-carry fragile items, valuables and medication. Before you retire for the night, your bags should be packed and placed outside your stateroom door to facilitate customs clearance and disembarkation. Make a final check of your cabin and stateroom safe for any personal items, as Princess is not responsible for items left behind.

IMMIGRATION AND CUSTOMS CLEARANCE

Due to U.S. and local customs restrictions, passengers may not leave the ship until all luggage is off-loaded. With this in mind, we suggest that you relax in one of the many public lounges to wait for customs clearance and disembarkation by pre-designated groups.

Customs and immigration inspectors will review with you the customs declarations form upon which you have listed all the articles bought in foreign ports or in the ship's boutiques. U.S. residents returning to the United States are allowed a duty-free exemption of \$800 USD per person, which includes the cost of one liter of alcoholic beverages (if purchased onboard or ashore) for each passenger 21 years of age or older. Canadian citizens, when out of the country for more than eight days, may bring back up to \$750 CAD duty-free. It is recommended that passengers

keep their sales receipts handy for declaring their purchases. Food items should not be brought into U.S. or Canadian ports.

On cruises calling at ports of the U.S. Virgin Islands, Puerto Rico, or American Samoa, U.S. residents are allowed a total exemption of \$1,600 USD when returning to the United States, including four liters of alcoholic beverages provided you have the proof of purchase from the designated ports. Of your \$1,600 USD exemption, no more than \$800 USD worth of articles may have been purchased in the islands. Articles acquired in these islands need not accompany you but may be sent to the United States and claimed under your duty-free personal exemption if properly declared. Please note that family members who live in the same home and return together in the United States may combine their standard personal exemptions. Children are allowed the same as adults, with the exception of alcohol and cigarettes. Please note that these are current exemptions and are subject to change.

For further customs information, we recommend that you attend the Cruise Director's disembarkation talk given during the last days of the cruise.

DISEMBARKATION AND TRANSFER INFORMATION

At the dock, luggage is arranged according to color-coded tags provided prior to disembarkation. On the majority of our cruises, you will be required to identify and clear your luggage through customs. As you leave the ship, you will be directed by Princess representatives to the luggage claim area for your color group. Please check each luggage tag to ensure you are claiming your own luggage.

If you have purchased a Princess ship-to-airport transfer, Cruise Plus® Hotel Package or are participating in a cruisetour, you will be directed by uniformed Princess representatives to the transfer departure point.

If friends or relatives are meeting you at the pier, be advised that disembarkation may take up to four hours after scheduled arrival of the ship in order to clear immigration and customs. If you have signed up for Princess EZCheck (pg. 11), your boarding pass is provided to you on the last night of the cruise, and your luggage will be delivered directly to the airline — there is no requirement for you to check in at the airline counter.

BEFORE YOU SAY GOODBYE

From our friendly and courteous crew to our easy check-out, Princess service is simply unparalleled.

SECTION I: TRAVEL ARRANGEMENT PROTECTION PROVIDED BY PRINCESS CRUISES AND/OR PRINCESS TOURS*

Princess Cruises and/or Princess Tours offers the following modifications to the cancellation, interruption and delay provisions of the Passage Contract to passengers who enroll in and pay for this Cruise/Cruisetour Vacation Protection Plan:

PART A: TRAVEL ARRANGEMENT PROTECTION

Trip Cancellation/Trip Interruption. In the event You are prevented from taking Your Cruise/Cruisetour Vacation because: (a) You, Your Traveling Companion or an Immediate Family Member suffers a death or an Injury or Sickness which results in medically imposed restrictions, as certified by a Physician, at the time of loss preventing Your continued participation in the covered Cruise/Cruisetour Vacation, or (b) You or Your Traveling Companion (i) is hijacked, required to serve on a jury, or subpoenaed; (ii) has a home made uninhabitable by fire, flood, volcano, earthquake, hurricane, or other natural disaster; or (iii) is directly involved in a documented traffic accident while en route to departure; (iv) being called into active military service to provide aid or relief in the event of a national disaster other than war; Princess Cruises and/or Princess Tours will refund to you, up to Your total Cruise/Cruisetour Vacation cost for:

a) Trip Cancellation. Non-refundable cancellation charges imposed by Princess Cruises and/or Princess Tours and/or airfare cancellation charges for flights (booked through Princess) joining or departing Your Sea/Land Arrangements; or the additional costs You may incur as a result of a change in the per-person occupancy rate of prepaid travel arrangements if a Traveling Companion cancels his/her Cruise/Cruisetour Vacation for a covered reason and You do not cancel.

NOTE: As respects air cancellation fees, You will be refunded only for Air Arrangements booked through Princess and flights connecting to such Air Arrangements booked through Princess. Princess will not refund cancellation charges imposed on any other air arrangements You may book on Your own.

b) Trip Interruption. Unused, non-refundable land or sea expenses prepaid to Princess Cruises and/or Princess Tours and/or the airfare paid, less the value of applied credit from an unused return travel ticket, to return home or rejoin the original Sea/Land Arrangements (limited to the cost of one-way economy airfare by scheduled carrier, from the point of destination to the point of origin shown on the original travel tickets). Princess will also reimburse you up to \$100 per day, for reasonable additional accommodations and

transportation expenses incurred to remain near a covered traveling Immediate Family member or Traveling Companion who is hospitalized during Your Cruise/Cruisetour Vacation.

IMPORTANT: THE SICKNESS OR INJURY CAUSING YOU TO INTERRUPT YOUR CRUISE/CRUISETOUR VACATION MUST BE VERIFIED BY A PHYSICIAN BEFORE YOU TERMINATE THE CRUISE/CRUISETOUR VACATION.

In no event shall the refund amount exceed the amount You prepaid for Your Cruise/Cruisetour Vacation. **Special Conditions:** You must advise Your travel agent, Princess Cruises and/or Princess Tours, and BerkelyCare as soon as possible in the event of a claim. No refund will be made for any additional charges incurred that would not have been charged had You notified these parties as soon as reasonably possible.

IMPORTANT: You, Your Traveling Companion and Your Immediate Family Member booked to travel with you must be medically capable of travel on the day You purchase this plan. The event which necessitated the trip cancellation/interruption must first occur after You pay for this Cruise/Cruisetour Vacation Protection Plan.

Trip Delay. Princess will reimburse You for Eligible Expenses, up to \$500, if Your Cruise/Cruisetour Vacation is delayed en route to or from Your Sea/Land Arrangements due to inclement weather, strike or other job action, or equipment failure of a Common Carrier; a traffic accident en route to a departure in which You or Your Traveling Companion is not directly involved; lost or stolen passports, travel documents, or money; hijacking; natural disaster including hurricane; civil commotion or riot. *Eligible Expenses* include any prepaid, unused, non-refundable Sea/Land Arrangements, any reasonable additional expenses for meals and lodging, and the cost of a one-way economy airfare ticket to catch up to the Sea/Land Arrangements or return to the place of origin shown on the travel documents.

*For NY Residents, Section I Trip Cancellation, Trip Interruption and Trip Delay benefits are underwritten by Virginia Surety Company, Inc.

VOLUNTARY CANCELLATION FOR ANY REASON PROTECTION

In the event You do not qualify for a cash refund for Your Trip Cancellation and You have purchased Princess Travel Care, You will instead receive from Princess a Cruise Credit equal to 75% of the otherwise non-refundable cancellation fees for Your use toward a future cruise. If You purchased Princess Travel Care Gold, You will receive from Princess a Cruise Credit equal to 90% of the otherwise non-refundable cancellation fees for Your use toward a future cruise. This unique program enhancement is offered by Princess as a special service to our valued passengers. Certain restrictions on the use of these Cruise Credits may apply. Please contact the Princess Travel Care Help Line at 1-(800) 453-4069 for further details.

SECTION II: UNDERWRITTEN BY VIRGINIA SURETY COMPANY, INC.**PART B: MEDICAL PROTECTION**

Emergency Evacuation and Repatriation of Remains. The Insurer will pay benefits for Covered Expenses, up to \$25,000 (or up to \$50,000 if You purchased Princess Travel Care Gold), if an Injury or Sickness commencing during the course of the Cruise/Cruisetour Vacation results in Your necessary Emergency Evacuation. An Emergency Evacuation must be ordered by a legally licensed Physician who certifies that the severity of Your Injury or Sickness warrants an Emergency Evacuation. Emergency Evacuations must be verified, approved, and arranged in advance by On Call International. The Insurer will also pay the reasonable Covered Expenses incurred, up to \$25,000, to return Your body to Your point of origin if You die during the Cruise/Cruisetour Vacation. Covered Expenses include, but are not limited to, expenses for embalming, cremation, coffin for repatriation, and Transportation. The Insurer will not cover any expenses provided by another party at no cost to You or already included in the cost of the Cruise/Cruisetour Vacation. *Emergency Evacuation* means: (a) Your medical condition warrants immediate Transportation from the place where You are injured or sick to the nearest hospital where appropriate medical treatment can be obtained; and/or (b) after being treated at a local hospital, Your medical condition warrants

Transportation to Your origination point to obtain further medical treatment or to recover. *Covered Expenses* are customary and reasonable expenses, up to \$25,000 (or up to \$50,000 if You purchased Princess Travel Care Gold), for Transportation, medical services, and medical supplies necessarily incurred in connection with Your Emergency Evacuation. Expenses for medical services and supplies must be recommended by the attending Physician. All Transportation arrangements made for Your evacuation must be by the most direct and economical route possible. Expenses for *Special Transportation* must be:

- (a) recommended by the attending Physician;
- (b) required by the standard regulations of the conveyance transporting You; AND
- (c) verified, approved, and arranged in advance by On Call International.

Transportation means any land, water, or air conveyance required to transport You during an Emergency Evacuation. *Special Transportation* includes, but is not limited to, air ambulances, land ambulances, and private motor vehicles. *Additional Covered Expenses:* If You are hospitalized for more than seven (7) days following a covered Emergency Evacuation, the Insurer will pay: (a) to return Your accompanying dependent children under 25 to their home, limited to the cost of one-way economy airfare, less the value of applied credit from an unused return travel ticket, with an attendant if necessary; and/or (b) up to the cost of roundtrip economy airfare to bring a person chosen by You to and from Your bedside if You are traveling alone. These expenses must be authorized in advance by On Call International.

The Insurer will not cover any expenses provided by another party at no cost to You or already included in the cost of the Cruise/Cruisetour Vacation.

NOTE: In no event will Covered Expenses for Emergency Evacuation exceed \$25,000 (or \$50,000 if You purchased Princess Travel Care Gold). Please note that the medical and evacuation costs are Your responsibility. Princess is not responsible for medical/evacuation bills incurred by You even if Princess has assisted in making arrangements on Your behalf.

ACCIDENT & SICKNESS MEDICAL EXPENSE

The Insurer will pay benefits, up to \$10,000 (or up to \$20,000 if You purchased Princess Travel Care Gold), if You incur necessary Covered Medical Expenses as a result of an Injury, or up to \$10,000 (or up to \$20,000 if You purchased Princess Travel Care Gold) if You incur necessary Covered *Medical Expenses* as a result of Sickness. The accident causing such Injury must occur while You are covered under the policy, and the Sickness must first manifest itself during Your Cruise/Cruisetour Vacation. You must receive initial treatment within ninety (90) days of the accident which caused the Injury or the onset of the Sickness. All services, supplies, or treatment must be received within 52 weeks of the date of the accident or the onset of the Sickness.

Covered Medical Expenses are necessary services and supplies which are recommended by the attending Physician. They include the services of a legally qualified Physician, surgeon, graduate nurse, dentist, or osteopath; charges for hospital confinement and use of operating rooms; charges for anesthetics (including administration); x-ray examinations or treatments and laboratory tests; ambulance service; drugs, medicines, and therapeutic services and supplies. The Insurer will not pay benefits in excess of the reasonable and customary charges commonly used by providers of medical care in the locality in which the care is furnished.

The Insurer will advance payment to a hospital, up to \$1,000, if needed, to secure Your medically necessary admission.

PRE-EXISTING CONDITIONS UNDER SECTION I AND UNDER THE ACCIDENT AND SICKNESS MEDICAL EXPENSE COVERAGE IN PART B OF SECTION II, NO PAYMENT CAN BE MADE FOR ANY EXPENSES INCURRED AS A RESULT OF INJURY, SICKNESS, OR OTHER CONDITION AFFECTING YOU, A TRAVELING COMPANION, OR AN IMMEDIATE FAMILY MEMBER BOOKED TO TRAVEL WITH YOU WHICH, WITHIN THE 60-DAY PERIOD BEFORE YOUR PROTECTION PLAN PURCHASE: A) FIRST MANIFESTED ITSELF OR HAD SYMPTOMS WHICH WOULD PROMPT A REASONABLE PERSON TO SEEK DIAGNOSIS, CARE, OR TREATMENT; B) REQUIRED TAKING PRESCRIBED DRUGS OR MEDICINE,

UNLESS THE CONDITION FOR WHICH THE PRESCRIBED DRUG OR MEDICINE WAS TAKEN REMAINED CONTROLLED WITHOUT ANY CHANGE IN THE REQUIRED PRESCRIPTION; OR C) REQUIRED TREATMENT OR TREATMENT WAS RECOMMENDED BY A PHYSICIAN.

If You have any questions concerning this exclusion, please call BerkelyCare at 1-(800) 453-4069 for further clarification.

Baggage Delay. The Insurer will reimburse You, up to \$500, for expenses of necessary personal effects needed while at a destination other than Your place of residence if Your checked baggage is delayed or misdirected by a Common Carrier for more than 24 hours from the time You arrived at the destination stated on Your ticket. ENROLLMENT PROCEDURE

The plan is only valid if and when the appropriate Princess Travel Care or Princess Travel Care Gold plan cost has been received by Princess Cruises and/or Princess Tours. Princess, Princess Cruises, Princess Travel Care, and Princess Travel Care Gold are service marks of Princess Cruises, its affiliates, or its licensor.

PLEASE NOTE: Payment for the plan may not be accepted after the Cruise/Cruisetour Vacation cost has been paid in full and received by Princess Cruises/Princess Tours. For Your convenience, the cost of the plan may be automatically included on Princess Cruises' and/or Princess Tours' invoice to Your travel agent. The plan cost may be paid at any time between deposit and final payment; however, Trip Cancellation protection takes effect only upon receipt by Princess Cruises/Princess Tours of Your Princess Travel Care or Princess Travel Care Gold plan payment. The payment of Your cruise deposit without the Princess Travel Care or Princess Travel Care Gold plan cost will not activate enrollment. If You do not wish to take advantage of this protection, please advise Your travel agent to deduct the plan cost. If the plan cost has not been included on Your invoice and You wish to purchase it, simply ask Your travel agent to contact Princess to arrange for billing.

Refunds under Section I and the coverages offered under Section II are extended, at no additional charge, to children 18 or under sharing accommodations with two accompanying adults, as long as ALL accompanying adults purchase their own Princess Travel Care or Princess Travel Care Gold plans. All

refunds under Section I (except Trip Cancellation/Interruption) or coverages under Section II are subject to a combined maximum limit for the enrolled adult and enrolled children equal to twice the individual enrolled adult's limit. A maximum of 4 children per enrolled adult will be eligible for reimbursement; the plan must be purchased for each additional child.

The plan cost is non-refundable once You enter the cancellation penalty period as stated by Princess Cruises and/or Princess Tours.
