### STEP ONE

## Decide how much time you want to spend on your Alaska vacation

Every Princess cruisetour includes a 7-night Voyage of the Glaciers cruise. Choose the number of days you want to add on land to experience the great places that lie deep in Alaska's interior.

**THREE NIGHTS ON LAND.** These fabulous cruisetours are perfect for those who want to see a lot in a short time. Travel directly to Denali Park — only Princess includes at least two nights at this legendary attraction on every cruisetour — and enjoy highlights of the Alaska interior.

**FOUR NIGHTS ON LAND.** These cruisetours feature Alaska's most renowned natural wonders and frontier attractions in Denali, Anchorage and Fairbanks plus the option of a longer stay at your favorite destination.

**FIVE NIGHTS ON LAND.** The most popular Princess cruisetours, these exciting journeys allow time to slow down and explore Alaska's vast interior at a more comfortable pace.

**SIX TO NINE NIGHTS ON LAND.** Choose the most leisurely cruisetours available and travel through the Heart of Alaska to Denali and beyond — Kenai, Copper River, Dawson City, the Arctic and Prudhoe Bay.

### STEP TWO

## Choose where you want to go and what you would like to see on land

**HEART OF ALASKA.** These amazing cruisetours go straight to the center of the Great Land, with at least two nights at Denali Park plus Anchorage and/or Fairbanks.

**EXPLORER CRUISETOURS.** These cruisetours include Denali plus other fascinating regions. Explore "Alaska's Playground," the Kenai Peninsula, or take in America's largest national park, Wrangell-St. Elias and the famed Copper River. You can even cross the Arctic Circle headed for the Land of the Midnight Sun.

**ESCORTED CRUISETOURS.** The best itineraries are enhanced with the services of a full-time tour director while traveling on land.

### STEP THREE

## Select a cruise that sails either before or after your land tour

Princess offers land tours either before or after your cruise. If you want to ease yourself into your trip with a leisurely cruise, choose a cruisetour that ends with “N” (Northbound). Or perhaps you’d prefer to complete the land portion of your trip first and then spend the last week of your trip relaxing amidst the luxury of your ship. In that case, look for a cruisetour that ends with an “S” (Southbound).

**VALUE** Select a Princess Northbound cruisetour for increased savings.

### STEP FOUR

## Decide when you want to travel from May through September

Pull out your calendar, and take your pick of departure dates. If you’d like to tour Alaska when it’s less crowded in the spring, pick a date in May. Trees are budding, bears are emerging from their den, and wildlife is more easily seen. From June through August, the days are long, the weather is at its best, and everyone is outdoors enjoying the Alaskan summer. September has its own allure — forests blaze with autumn color as nature prepares for another northern winter.

**VALUE** Opt to travel during the early or late summer months to take advantage of special pricing.

### STEP FIVE

## Choose your preferred stateroom category

Our Alaska fleet boasts a wide array of stateroom choices. Choose a suite or mini-suite and revel in spaciousness plus your own balcony. Our standard balcony staterooms bring you Alaska’s sights at an affordable price. Select an oceanview stateroom and enjoy the views from your picture window. Or choose the most cost-efficient option — our comfortable interior doubles.

**VALUE** Choose our interior staterooms on Diamond Princess and Sapphire Princess and balcony staterooms on Coral Princess and Island Princess for the best value.
