PASSAGE CONTRACT

The Passage Contract is enclosed in your Princess® documentation packet. Please read all information carefully as it is binding and affects your legal rights.

CRUISETOUR DOCUMENTATION

The following documents included in this mailing contain important information about your cruisetour, including required travel documentation, pre-purchase instructions for optional land excursions and pre-reserve order form for shore excursions:

- Personalized cruisetour itinerary — this itinerary is a detailed day-by-day breakdown of your cruisetour, including important arrival/departure information for each lodging destination during the land portion of your tour
- Luggage tags. See pages 22-23 for instructions
- Optional land excursion options form
- Shore Excursion order form
- Passage Contract

PASSENGER IMMIGRATION INFORMATION REQUIRED IN ADVANCE OF YOUR CRUISE

Each passenger is responsible for providing Princess with complete and accurate immigration information. The Passenger Immigration Form (PIF) should be completed online using the Cruise Personalizer at princess.com, upon confirmation of your booking. Please provide Princess with this information at least 45 days prior to your cruise. Failure to do so will result in delayed check-in and, possibly, denied boarding. If you do not have online access, please contact your travel agent or call 1-800-PRINCESS.

For non-U.S. citizens or non-U.S. legal residents disembarking in a U.S. Port, the U.S. Department of Homeland Security requires that before your cruisetour, you provide the address at which you will be staying in the U.S., post-cruisetour.

NEW PASSPORT REQUIREMENTS

Passport requirements vary by destination and your citizenship. Please review the section below to determine your passport requirements.

U.S. and Canadian Citizens and Permanent Residents: A valid

passport is required for all

non-domestic itineraries including Africa, Asia, Australia and New Zealand, Europe, India, Central and South America, South Pacific and Tahiti.

Although U.S. and Canadian citizens are not currently required to travel with a passport on domestic itineraries including Alaska, Bermuda, Canada, Caribbean, Hawaii and Mexico, Princess highly recommends they are carried. For itineraries for which a passport is not required, U.S. and Canadian citizens who do not have a valid passport must provide the following proof of citizenship: naturalization certificate or an original certified birth certificate from the state/province of their birth (a hospital certificate will not suffice) together with a current and valid government-issued photo identification, such as a driver's license. **Neither oral nor written declarations of citizenship will be accepted.**

U.S. citizens may also present a U.S. Passport Card. Although recommended, photo identification is not required for those 18 years and younger at the time of this printing. U.S. Resident Aliens are required to present, in addition to a valid passport, a current and valid Alien Resident Card. Canadian permanent residents are required to present a valid Permanent Resident Card in addition to a valid passport. **Note that if your cruise requires air travel between the U.S. or Canada, you will be required to present a passport when departing from or returning to the U.S. by air.**

Even if your cruise does not involve air travel outside the U.S., should you be required to unexpectedly depart a vessel prior to the end of the sailing, a passport would be required to re-enter the U.S. by air. As such, Princess Cruises continues to strongly recommend that all passengers are in possession of a passport.

IMPORTANT: The Department of Homeland Security plans to move towards Western Hemisphere Travel Initiative implementation at land and sea ports. This initiative will require all persons, including U.S. and Canadian citizens, to present a valid passport to enter or depart the United States by land or sea. The implementation date is scheduled for June 1, 2009. Please check princess.com and the Cruise Personalizer for important updates regarding passport requirements that may affect your cruise. Up-to-date information regarding passport requirements and trusted traveler programs (such as the U.S. Passport Card, Enhanced Driver's License or NEXUS, SENTRI and FAST programs) is also available at travel.state.gov. Foreign nationals should contact their governments for further details.

Non-U.S./Non-Canadian citizens: A valid passport is required for all non-U.S. and non-Canadian citizens for all itineraries.

Passport validity: Many countries require passports be valid for six months after the completion of your travel. Check your passport to verify it will be valid for this period of time. Please ensure the name on the passport matches the name on the booking. Additionally, make certain that your passport contains blank pages for entry and exit endorsements and any visas that may be required. If necessary, allow sufficient time to renew your passport and/or obtain additional pages. U.S. and Canadian citizens sailing on a domestic cruise should ensure passports or other travel documents are valid through the completion of travel.

VISAS

Visa requirements for U.S. and Canadian citizens are listed on your Travel Summary. All other nationalities, including those with U.S. or Canadian resident status, are responsible for verifying visa requirements for each port visited during the cruise. Failure to present required visas at the time of embarkation will result in denial of boarding.

DOCUMENTS FOR PASSENGERS UNDER THE AGE OF 18

Several countries require special documentation for children traveling with only one parent or with neither parent; these requirements are subject to change without notice. It is your responsibility to ensure that you possess the proper documents for all of the countries that you will visit. Please verify requirements with the immigration offices prior to your cruise.

AGE REQUIREMENTS/CHILDREN

Children must be a minimum of six months of age at the date of sailing to travel on Alaska cruisetours. U.S. and Canadian regulations require that children up to the age of eight years old may be required to travel in a car seat, booster seat or other child restraint system. When being transported by car, taxi, limo, van or shuttle, it is your responsibility to know the regulations and provide the applicable child restraint system.

Effective for all bookings, all passengers under the age of 21 years must be accompanied by a passenger who is 21 years of age or older. For family groups booking multiple staterooms, children may still occupy a stateroom without their parents or guardians, provided one child in the stateroom is a minimum of 16 years of age.

FLIGHTCHOICESM AIR

If you have purchased Princess FlightChoiceSM or FlightChoice Plus, your flight arrangements will be made by Princess. All flights are subject to change. Schedule changes are frequent in early and late summer. Air carriers frequently change the flight numbers and routings. It is essential to be aware of the most current information prior to leaving for the airport. We recommend you contact the airlines directly to reconfirm flights, check baggage allowance and excess baggage rates, advise of any special travel needs and request specific seat assignments. Please verify that the spelling of names shown on your cruisetour booking matches the identification that will be presented at the airport check-in. Flights arranged by Princess will be viewable on the Cruise Personalizer after final payment. Princess may issue either electronic air tickets or paper air tickets, or a combination of both for your specific flight itinerary. The type of ticket will be included on the Air Receipt Notification sent when the tickets are issued by Princess. If you are eligible to print your boarding pass, you can expect to receive the Air Receipt Notification approximately 30 days prior to departure. Air flights can be customized for a fee, starting at \$50 per person, plus any additional air costs. Please contact our FlightChoice Plus department at least 14 days prior to departure by calling 1-800-PRINCESS (1-800-774-6237). Please note that some airlines are eliminating meals and/or imposing a fee.

DELAYS EN ROUTE

If you encounter unforeseen flight or weather-related delays on sailing day, we suggest you immediately advise an airline representative at the airport that you are a cruise passenger destined for sailing that day. Typically, airlines are able to arrange alternative flights at the airline counter for passengers to continue with their travel to the point of embarkation. Upon learning your new flight arrangements, we ask that you immediately contact Princess with your new flight information for our records. You may call us toll-free at 1-800-545-0008. This special number is operational only in the United States and Canada. Outside of the United States and Canada you may reach us at 1-661-753-0000, extension 22058. Princess representatives are available to answer this emergency en-route line from 5 a.m. - 8 p.m. Pacific Standard Time, Monday through Friday, and 5 a.m. - 5 p.m. Pacific Standard Time, Saturday and Sunday. Our representatives will enter your new flight information into your booking record.

Important: The above number is for emergency use only for unforeseen delays. If you have any other questions, please route them through your travel agent. Princess is not responsible for any airline delays.

TIME ZONES

All Princess destinations in Alaska lie in the Alaska Daylight Time zone, which is one hour earlier than Pacific Standard Time. Canada's British Columbia and Yukon Territory are on Pacific Standard Time.

HEALTH & WELLNESS

VACCINATIONS

Information regarding required vaccinations for your cruisetour is listed on your Travel Summary (if applicable).

We recommend seasonal influenza vaccinations for all passengers. Furthermore, you are strongly urged to seek advice from your primary care physician or an approved public health advisory service to identify any specific vaccination or health precautions required for each port of call. For example, you may wish to reference the World Health Organization (WHO) (who.int/ith) or the United States Centers for Disease Control and Prevention (CDC) (cdc.gov/travel). Some countries strictly enforce certain health requirements. Failure to comply may result in the local authorities preventing passengers from going ashore and some may impose a monetary fine or deny the ship entry into the port.

IMPORTANT: Vaccination requirements vary by destination and change from time to time without prior notice. Please check with your travel agent or contact the United States Centers for Disease Control and Prevention (CDC) at cdc.gov/travel to verify current regulations.

STAYING HEALTHY

Norovirus is the most common cause of gastroenteritis in the developed world. As your health and safety is our highest priority, we have taken numerous measures to prevent and contain illness on our ships that meet or exceed standards set by the U.S. Centers for Disease Control and Prevention. The simplest way for you to stay healthy is to frequently and thoroughly wash your hands, especially before eating. You will also find hand sanitizers located throughout the ship. Please report immediately any gastrointestinal illness to the medical center.

MEDICAL CONDITIONS

If you regularly take any medications, you are strongly advised to carry them in your hand luggage and to bring extra supplies to

cover any unexpected circumstances. If you have received treatment for any significant medical condition, please carry a recent report along with any pertinent information from your treating physician.

PREGNANCY: Pregnant women are only allowed to sail if pregnant for 24 weeks or less at time of cruise disembarkation. All pregnant women are required to produce a doctor's or midwife's letter stating that mother and baby are in good health, fit to travel and the pregnancy is not high-risk. The letter must also include the estimated date of delivery (EDD) calculated from both Last Menstrual Period (LMP) and ultrasound (if performed).

We strongly recommend you review your health insurance coverage before cruising. Many policies, including Medicare, will not pay for services or hospitalization outside of the country or for emergency evacuation. If you did not buy Princess Travel CareSM, which is available for purchase up to the time of final payment of your cruise fare, we recommend that you secure other travel protection. For details on the plan see page 49, contact the Princess Travel Care Help Line at 1-800-453-4069 or visit princess.com.*

PRINCESS ACCESSSM AT SEA

Princess makes every effort to accommodate our passengers with disabilities. Have your travel agent notify us of your wheelchair usage and/or any special needs prior to sailing. We have wheelchair-accessible staterooms on all Princess ships, but have limited wheelchair availability so we recommend you bring your own. Or you can pre-reserve a wheelchair and have it and other medical equipment delivered to the ship by contacting CareVacations at 877-478-7827 or visiting cruiseshipassist.com. When bringing your own wheelchair, we highly recommend collapsible wheelchairs, as the width of the stateroom doors varies. Some ships have areas that are not wheelchair accessible. The maximum weight of the wheelchair including guest cannot exceed 600 lbs. on transportation lifts.

Note: For specific details, review the Princess Travel Care and Princess Travel Care Gold coverage terms including the eligibility, cancellation and refund provisions which are subject to the Terms and Conditions of the Coverage Policy. Princess makes such insurance available as a convenience and may charge a fee and earn a profit for doing so. Princess is not an insurer. Any such insurance is provided and administered by an independent contractor. See pgs. 48-53 for details.

*IMPORTANT: Princess ships are registered in Bermuda. Verify with your insurer if your coverage applies outside the United States, or purchase appropriate travel insurance.

Copper River Princess Wilderness Lodge

BEFORE YOU LEAVE

If you have purchased a Princess Transfer at the start or end of the cruisetour, be aware that lift-equipped transportation may not be available in your port of embarkation or disembarkation.

Arrangements must be secured in advance by contacting us at 1-800-PRINCESS (1-800-774-6237) as soon as possible.

Passengers utilizing mobility devices with batteries are advised that the batteries must be a dry cell type and must be stored and recharged in the stateroom. Mobility devices of any kind, like other items, may not be left outside the stateroom.

Because of staffing limitations, we recommend you be accompanied by someone who is physically able to assist you both onboard and on shore. Travelers with disabilities should check in with the onboard Tour Office to ensure all tours can accommodate them. Not all port facilities are accessible for those using mobility devices. Ports may be accessed by a variety of methods including a ramped gangway, series of steps or by tender. In some cases, you may be able to access the tender. However, the shoreside facility is not accessible. With your safety and comfort in mind, the decision to permit or prohibit passengers from going ashore will be made on each occasion by the ship's Captain, and the decision is final. Ports that normally use tenders to access the shore are noted on the itinerary.

In many ports of call, a mechanism known as a "stair climber" is used to assist passengers up and down the gangway. Passengers must transfer to a Princess wheelchair which is connected to the stair climber and operated by the ship's personnel. If you cannot transfer or your personal mobility device cannot be easily disembarked, you may be precluded from going ashore.

If you are traveling with a service animal, be aware that Princess needs advance notice. Entry regulations vary by port. Passengers are advised to consult authorities at each port prior to departure for more information. Princess does not have food for animals. The choice of dog litter material is limited and varies by ship.

Princess ships are equipped with "All-in-One Kits" with TTY that can be used in most passenger cabins and at Princess wilderness lodges. All televisions onboard provide closed captioning and most onboard theaters have assistive listening devices. Electric outlets in most staterooms are limited to one and it is helpful to travel with an extension cord for electrical equipment. Princess also offers JAWS Professional software with a KOSS-TD/80 headset on one terminal in each Internet Café on every ship.

Feeling lucky in the casino

PRINCESS ACCESS ON LAND

As with Princess Access At Sea, we make every effort to accommodate guests with disabilities on land tours. Accessibility varies on pre- and post-cruise land tours and hotel packages. Lift-equipped motorcoaches, accessible hotel rooms and seating on trains are limited and need to be secured in advance. Should you need a wheelchair, it is imperative that you bring your own or make arrangements for one to be provided. Ensure a successful trip by working with us in advance. For special requests, concerns regarding accessibility or if you would like to request a disabled or easy access hotel room, please put your request in writing and fax it to the Princess Access Office at 661-284-4408 at least 30 days prior to your travel. Or if you have questions about the program in general, please call the Princess Access Office at 661-284-4521.

Some itineraries require that you fully understand the limitations so you can make an educated decision about whether it is right for you. Please be certain that you and your doctor have taken into consideration the itinerary you have chosen. Many of our shorter tours involve long days of touring and early-morning departures. Those with health problems often do better on longer, slower-paced tours.

CUSTOMS & SECURITY

CUSTOMS REGULATIONS

To avoid having to pay customs tax on previously owned property upon re-entry, U.S. residents should have a receipt for, or should register with customs prior to departure, their expensive jewelry, foreign-made cameras, radios and other electronic equipment. Customs will issue a certificate of ownership, so you can avoid duty and taxes upon your return. For details, visit cbp.gov or write to the Department of the Treasury, U.S. Customs Service, Washington, D.C. 20229 for a copy of "Know Before You Go." Canadian residents can write to the Customs Office, 333 Dunsmuir Street, Vancouver, B.C. V6B 5R4 for a copy of "I Declare," visit cbsa.gc.ca, or can contact their local customs office.

SECURITY

At Princess Cruises, we take the safety and security of our passengers and crew very seriously and have one of the largest security operations in the industry. We continually review the security situations at every port we visit, which may result in a missed or rescheduled port.

Princess also prides itself on our adherence to applicable maritime security regulations designed to safeguard each and every voyage. All passengers are required to submit their names and personal data to Princess prior to embarkation and are also asked to leave any questionable items at home. No weapons or articles which could be used as weapons will be allowed onboard and all passengers and luggage/carry-on items are subject to screening prior to boarding the ship. Princess strives to ensure that every passenger experiences a comfortable and worry-free vacation.

PASSENGERS UNDER THE AGE OF 21

For passengers under 21 years of age or those who are traveling with children, please note:

- 1) Entry into the disco after 11 p.m. is limited to passengers 18 years and over. Be sure to check with the Youth and Teen Centers for special dance parties designed for kids and teens.
- 2) Children accompanied by a parent or guardian are permitted in the sauna and hot tub(s) unless otherwise specified.
- 3) Passengers under the age of 13 are allowed in the evening entertainment show lounges if they are with their parent or guardian.
- 4) In line with domestic U.S. age limits, as well as our company policy, the casino, cash prize bingo and horse racing are reserved for passengers 21 years and older. Additionally, only those passengers 21 years and older will be allowed to purchase or consume alcohol. Picture identification may be requested.

ONBOARD

While at sea, you'll be immersed in the wonderful world of a Princess ship. And beyond the wealth of dining, activities and entertainment options, there are other unique aspects to be aware of — such as how those back home can get in touch with you, or the convenience of cashless cruising. On the following pages, you'll learn more about what to expect onboard.

Glorious glacier views

ONBOARD

CASHLESS CRUISING

One of the best things about cruising with Princess is the convenience of being able to sign for all your expenses and have them charged to your stateroom. An itemized statement will be delivered to your stateroom prior to disembarkation. By providing your credit card in advance, you are automatically registered for Express Check-Out. There is no need to visit the Passenger Services/Purser's Desk to settle your account. We accept U.S., Canadian, British and Euro currencies, and traveler's checks. American Express/Optima®, Diners Club/Carte Blanche®, Discover/Novus®, the JCB Card®, MasterCard and Visa are also accepted. Those paying by traveler's checks or cash will be required to leave a \$300 per person cash deposit with the Purser's staff at the beginning of the cruise.

CASINO

Charges to your onboard account for obtaining chips and tokens in the casino are limited to \$1,500 USD per day, up to a total limit of \$5,000 USD per cruise and are only available if you have pre-registered a credit card upon embarkation with the Passenger Services/Purser's Desk. You can access additional funds in the casino via cash advances on credit cards, debit cards, and personal check cashing (\$5,250 max on personal checks). Fees may apply. For inquiries regarding gaming onboard, including higher table limits or establishing a credit line, players should call 800-5CASINO (800-522-7466) or go to www.oceanplayersclub.com.

Please note: There is a 3% processing fee applied to all casino room charges and cash advances. These advances are billed directly to your shipboard account.

REACHING YOU AT SEA[†]

You can give friends and relatives the following information on how to telephone you. For all ships in the Princess Fleet, call 900-329-SHIP (900-329-7447) from the United States or 900-565-2800 from Canada to bill your telephone.* For calls originating outside the United States or Canada, please visit princess.com/answer/ready.html for dialing instructions. Calls can also be charged to a credit card in both the United States and Canada by dialing 877-656-7447. Visa®, MasterCard®, American Express® and Discover® Card (not Canadian) are all accepted.

The cost for each call is \$8.95 USD per minute or \$11.95 CAD per minute.

The 900 service can be used to call or fax the ship.[†] Please include passenger name and cabin number to ensure quick delivery.

DINING ROOM OPTIONS

When booking, you indicated your choice of **Traditional Dining or Anytime Dining**.sm Traditional Dining is the classic cruise dining experience, with reserved early or late seating at the same table each night. Anytime Dining offers a flexible dining experience that gives you the freedom to show up between 5:30 p.m. and 10 p.m.

To change this request, call your travel agent no later than three weeks before you sail. It is not always possible to alter dining preferences or seating arrangements once they are reserved. We will do our best to accommodate your preference. Refer to pages 28-30 for more details about dining options.

SPECIAL DIETS

You may submit requests for low-sodium, low-fat, low-sugar and vegetarian diets. In addition, kosher meals (frozen entrées only) and baby food are available upon advance written request. Any other special diet requests must be authorized in advance by the Princess corporate office.

Please ask your travel agent to advise Princess in writing at least four weeks before you sail of any special diet, allergies or medical needs.

CELEBRATING A SPECIAL OCCASION

Please have your travel agent advise us of any important occasions such as a birthday, anniversary or honeymoon at least 45 days prior to your departure. We'll set our "special occasion" staff in motion to spotlight your special event in the dining room. You may also choose a selection from our "Celebration" offerings, with extra touches like flowers, candles, wine and champagne. See pages 34-36 for more information.

[†] 900 telephone service is not available from all areas, and may not be accessible from your home phone. Staying in touch is made even easier onboard a Princess vessel by accessing the Internet in our onboard Business Centers and/or Internet Cafés. For details regarding this service, please see the section titled INTERNET AND EMAIL ACCESS on page 25.

Note: Some special occasion services require extra charges.

SHORE EXCURSIONS

An ATV excursion

ADVENTURES ASHORE®

Exploring ports of call will be one of the highlights of your cruise, and one of the best ways to do this is on a shore excursion through the Adventures Ashore® program. Tours are operated by local independent companies, not by Princess.

You will find a variety of shore excursion options selected specifically with families in mind. Discounted rates for children and family-friendly activities may be available to make the most of your time in port. Please visit princess.com for more information.

You can pre-reserve your tours, review the most up-to-date tour information and receive real-time confirmation of tours online using the Cruise Personalizer at princess.com up until 14 days prior to sailing. In most cases, you may begin to book your tours on the Cruise Personalizer approximately 120 days prior to your cruise. Your tickets will be delivered on embarkation day to your stateroom and will be charged to your onboard account.

SPECIAL INFORMATION

CONDITIONS: In selling tickets (including coupons or vouchers) or otherwise promoting or making arrangements for Shore Excursions — whether for air, land or local water transportation; tours; sports or any other recreational activities; shore accommodations or meals or for any service,

facility or activity other than onboard Princess ships — Princess acts only as agent for the independent tour operator supplying such excursions or services. Participation by a passenger in Shore Excursions is conditioned upon such passenger's acceptance of the terms and conditions set forth in the Passage Contract, the Shore Excursion ticket and, depending on the activity, other documents which, among other things, expressly release Princess from any liability for such participation. Participation may also be subject to the independent tour operators' own terms and conditions.

EXCURSION TIMINGS: Departure times for each tour will be listed on the Cruise Personalizer. These have been published according to information from our agents, but are subject to change should the vessel's arrival time at any port be delayed, or the itinerary for any particular excursion be amended. Passengers are requested to report to the specified departure location (either onboard ship or pierside) at the time designated on your tour ticket.

EXCURSIONS WITH LIMITED PARTICIPATION: Shore Excursions may be purchased in advance of your cruise departure or onboard ship on a first-come, first-served basis. Many excursions have limited participation and reservation forms will be processed in the order received. When excursions are fully subscribed, additional requests will be placed on a waiting list in the order received.

PERSONAL POSSESSIONS: Personal articles remain at all times through the tour under the passenger's custody and control. Be careful that you do not leave your possessions unattended at any time in the car or coach in which you are traveling, unless instructed otherwise.

PRICES: The prices for the Shore Excursions are in U.S. dollars and subject to change without notice. All quotations made include conveyance according to the itinerary and, where applicable, meals, refreshments, guides, and entrance fees, unless otherwise stated. Children, other than infants in arms, will be charged full fare unless noted otherwise.

TRANSPORTATION: The standards of transport vary considerably throughout the world. Air-conditioned coaches are not available in many areas, and in some places public transportation may be available. Cars or taxis are also used at some ports where coach or bus transportation is not available or limited. Where excursions are operated by car, four to eight passengers are allocated to each car. Passengers wishing to travel with friends should all leave the ship together, as this will help the Tour Staff to allocate them space in the same vehicle. For the comfort of all passengers, smoking is prohibited aboard the sightseeing vehicles.

REFUNDS: The times when bookings will close will be published onboard. In the event of any excursion being canceled for reasons beyond our control, a full refund will be made. No refunds can be made on any ticket, coupon or voucher unless notice of cancellation is given before the closing date indicated on the booking form for the excursions involved. However, should any excursion have to be abandoned through force majeure or difficulties en route, the best possible refund will be arranged according to the circumstances.

WITHDRAWAL OF TOURS: The Tour Operator reserves the right to withdraw any excursion through lack of demand and to make any alterations that they may deem advisable for the comfort of the passengers, bearing in mind the convenience and best interest of each group.

Kayaking adventure

ON LAND

There are important differences between the cruise and land portions of your cruisetour. Once ashore, for example, you will likely want to carry identification, cash and credit cards with you as you will be visiting attractions, shops, restaurants and other local businesses. Answers to questions about this part of your escape are found on the next few pages.

Spectacular, indoors and out

ON LAND

CASH EXPENSES — BE PREPARED

Unlike cruising, cashless travel does not apply on land. Make sure to have cash and/or credit card and valid ID on hand. Additional expenses will include and are not limited to: meals at your lodge and elsewhere, room incidentals, shuttle services, laundry, non pre-purchased optional land excursions and gift shop purchases.

TIPPING

Gratuities are not included during the land portion of your tour. Gratuities are a personal matter and an expression of appreciation for genuine, personal service provided by knowledgeable and creative professionals. Here are suggested ranges (in U.S. dollars) to assist you in determining what gratuity amount is appropriate:

SERVICE	GRATUITY
Meals	Average 15% gratuity for server
Driver guides, train staff and Land Excursion Guide	\$1.00 (half day of service per person) \$3.50 (full day of service per person)
Escorted Tour Director	\$5.00 – \$7.00 (per person, per day)

Please extend any gratuities on an individual basis, not as a group. Our policy prohibits our staff from directly soliciting gratuities.

ROOM CREDIT SET-UP PROCEDURE

If you wish to charge meals, drinks or phone calls to your room, stop by the front desk upon arrival at your destination to establish credit. Please close out your account at the front desk before you depart. Please remember that Princess is not responsible for your charges.

MEALS

Delicious freshly prepared meals are available onboard our railcars, at our wilderness lodges and at other hotels, but all meals are at your own expense unless otherwise specified in the daily tour itinerary. The following is a guideline of what you can expect to pay (in U.S. dollars) for meals in Alaska:

MEALS	LOW	HIGH
Standard full breakfast	\$7	\$12
Soup & sandwich	\$7	\$12
Deluxe hamburger	\$6	\$10
Salmon dinner	\$17	\$28
Steak dinner	\$17	\$32

Price ranges are approximate and subject to change.

SPECIAL MEAL REQUEST: Princess is happy to meet your request for low-sodium, low-fat, low sugar and vegetarian diets. Ask to see the Food and Beverage Manager or Hotel Services Manager at your lodge or hotel to communicate your needs.

CONNECTIVITY

Princess offers Wi-Fi wireless broadband connection, allowing you to do anything you'd do from home or the office. You can surf the web and check your email. Wireless Access Points, which allow easy access to the Wireless Network, are located throughout the public areas of the Princess properties.

CELL PHONE COVERAGE

Given the areas through which you will be traveling, cellular reception may be limited or in some cases, non-existent. Please take this into consideration prior to your departure so that your family and friends are aware. Contact your cell phone carrier to determine limitations and services that exist in Alaska and Canada.

ESCORTED TOURS

If you have chosen a fully escorted vacation, an experienced and knowledgeable tour director will accompany you on your travels, taking care of all the details. Included meals will be noted on your itinerary. The tour directors will do their utmost to accommodate individual preferences within the pre-reserved times. Guests usually sign for their included meals, a procedure that will be explained in detail by your tour director. For all escorted tours, a welcome letter with further details will be waiting at the hotel indicated in your itinerary. The tour director does not accompany you on the cruise portion of your vacation.

Gratuities may vary by program. Tips to the tour director and motorcoach driver have not been provided and should be rendered on a voluntary and personal basis. See the tour director to verify if additional tips are customarily rendered on your particular tour.

Evenings become dressier for some dining rooms, sports jacket or blazer may be required for gentlemen. Your tour director will advise you when attire other than resort casual is indicated.

Note: Minimum age for escorted tours in Alaska and Canadian Rockies is five years of age.

INSECTS

Take measures to avoid being bitten by insects and wear light-colored, loose-fitting clothing that covers your arms and legs. Regularly apply an insect repellent.

TRAVELING WITH CHILDREN

While traveling in Alaska with infants or children, it is prohibited for the operator of a motor vehicle to transport any person under the age of 16 if they are not secured in that vehicle using a safety device approved by the U.S. Department of Transportation. Alaska law requires that infants under age four be secured in a child safety device suitable for infants, and that children and teens, four to 16 years of age, are secured using a safety device which is appropriate for that person. It is imperative that you bring any device, beyond a seat belt, that you deem necessary to properly secure your child. Some land or shore excursions utilize smaller vehicles and will require you and your child to be secured while traveling. This includes tours into Denali National Park.

OPTIONAL LAND EXCURSIONS

Princess is pleased to offer you the ability to pre-purchase your lodge-based land excursions for the land portion of your cruisetour. Included in your pre-cruise documents is a list of land excursion options customized to best fit your itinerary. Refer to the Optional Land Excursion brochure for more detail on all the tours offered. Not all tours in the brochure are available on every cruisetour itinerary. Order your land excursions by calling Princess at 1-800-426-0442 before the closing date listed on your option form. Your credit card will be charged at time of booking for all confirmed reservations. Confirmed pre-booked excursions can be viewed in the Cruise Personalizer at princess.com. Print the Travel Summary as proof of purchase for your personal records. You will receive a land excursion ticket in your Welcome Envelope upon arrival at each land tour destination. Cancellations for confirmed or pre-purchased land excursions must be made 14 days prior to the departure date of your land excursion.

ALTITUDE

Many guests have concerns about the altitude encountered during their journeys. The following chart shows the maximum elevations you will encounter on your cruisetour:

LOCATION	HIGHEST ALTITUDE
Denali National Park	3,900 ft. (Tundra Wilderness Tour) 2,800 ft. (Natural History Tour)

WHAT TO BRING

In this section, we review all the items you'll need in order to make your cruisetour escape with Princess the best vacation ever.

Getting ready for your escape

WHAT TO BRING

CLOTHING ON SHIP

Casual sportswear is the order of the day both at sea and ashore. The weather in Alaska can range from cold to relatively warm, so you may want to bring shorts and light clothing, as well as warmer clothes for layering. We recommend you bring sweaters and a jacket or an all-weather coat for cool evenings, shore excursions and glacier cruising. Due to unpredictable weather, don't forget a hat or visor and a collapsible umbrella. You'll also want low-heeled, rubber-soled shoes for strolling on deck, as well as comfortable walking shoes or sandals to wear.

EVENING ATTIRE

Princess makes it easy to know what to pack and what to wear when you're dining onboard. There are two designations for dress codes: Smart Casual and Formal.

SMART CASUAL

Passenger attire should be in keeping with what they would wear to a nice restaurant at home.

- Skirts/dresses, slacks, and sweaters for ladies
- Pants and open-neck shirts for men

Inappropriate dinner wear such as pool or beach attire, shorts, ball caps and casual jeans (with fraying and/or holes), is not permitted in the dining rooms. Shoes must be worn.

FORMAL

- Evening gowns, cocktail dresses, or elegant pant suit for women
- Tuxedo, dark suit or dinner jacket and slacks for men

Princess offers formal wear rental on all cruises; this can be arranged prior to embarkation. Please review the formal wear section of this brochure on page 15. See below for a general evening attire schedule.

Passengers who wish to have a casual dinner on formal nights can take advantage of our casual dining options.

LENGTH OF CRUISE	NUMBER OF FORMAL EVENINGS	NUMBER OF SMART CASUAL EVENINGS
7 days	2	5

Dress code is subject to change with the ship's itinerary. The above is a general guide. The dress code suggested in *Princess Patter* may vary from time to time.

CLOTHING ON LAND

With the exception of dinner wear, dress for your Alaska land tour will be much the same as on your cruise. Alaska is very casual both in the evenings, as well as the day. Casual, active sportswear is the best option for daytime, as you will likely be enjoying tours and activities outdoors. You'll want comfortable clothes and good walking shoes, and the ability to be layered for everything from sunny afternoons to chilly nights. As the weather can be unpredictable, a warm jacket is advisable. See weather.com for the latest weather information in Alaska (lodge addresses and zip codes can be found on pages 41-46). Here is a brief listing of suggested items:

DAYTIME

- Water repellent coat or jacket
- Rain hat
- Comfortable walking shoes or sneakers
- Lightweight windbreaker
- Sweaters
- Pants or shorts

EVENING

- Warm coat (temperatures can get lower in the evening)
- Same attire as worn during the day — CASUAL

RECOMMENDED ITEMS

- Cameras
- Binoculars
- Travel alarm clock
- Insect repellent
- Car seat for those traveling with children (See pg. 5 or 13 for more information)
- U.S. National Parks pass (not required)
- Collapsible umbrella
- Bathing suit
- Sunglasses

EMBARKING CRUISE PASSENGERS IN VANCOUVER (Cruise first, then land tour)

TAG YOUR LUGGAGE

In addition to your personal identification tag, please fill out and attach the Princess luggage tag to each piece. Tags have been included in your pre-cruise documents. Please remove any old airline flight tags. For passengers arriving in Anchorage or Fairbanks, follow the directions on pgs. 22-23 for luggage procedures for your land tour.

TRAVEL WITHOUT BAGGAGE

Introducing a new door-to-door luggage service that delivers your bags from your home to your stateroom. No more hauling baggage through the airport; no more checking or standing in the crowd at the baggage claim. With Princess Luggage Valet, you can enjoy the ultimate in ease and convenience when you travel.

Princess Luggage Valet Service is provided by DHL Worldwide Express and is available exclusively to Princess Cruises passengers. Domestic and international shipping is available. Standard rates start as low as \$90.00 USD per piece each way for domestic express shipments and \$250.00 USD per piece each way for international. Standard rates are based on shipment size, weight and destination and include limited Shipment Value Protection. To qualify for standard rates, reservations must be secured at least 30 days prior to your sailing date. Service can be requested within 30 days of your sailing, but will be subject to an additional cost, and will be based on availability of express service to the destination. Domestic shipments are typically scheduled for pick up seven days prior to the sailing departure date and most international shipments are typically scheduled for pick up 14 days prior to the sailing departure date. For more information, please go to princess.com. For rates and availability contact us by phone at 800-399-7350 in the U.S. or Canada or by email at luggagevalet@princesscruises.com. Princess Luggage Valet agents are available to assist you Monday to Friday from 6 a.m. to 5 p.m. Pacific Time.

EMBARKATION TRANSFERS

If you purchased a Princess airport-to-ship transfer or Cruise Plus Hotel package, you'll be met by a uniformed Princess representative at the Vancouver Airport. For domestic Canadian flights, you will be met inside or just beyond the luggage claim area. For international flights, you'll be met as you exit the secure customs area. Gather all luggage prior to exiting the luggage claim area. From the airport, you'll be transferred to the ship or your hotel. If you have not purchased your air from Princess, please provide us with your flight details no later than 45 days prior to your departure date. Without this information, your transfer will be cancelled 14 days prior to sailing.

If you have purchased a Princess Transfer and require special assistance, be aware that lift-equipped transportation may not be available in your port of embarkation or disembarkation. Arrangements must be secured in advance to accommodate your needs. Refer to pg. 8 for instructions and contact information.

Princess transfers purchased from Vancouver Airport to the ship are only available on the day of embarkation. All transfers and baggage handling are included with Cruise Plus Hotel Packages. Transfers are also available for purchase at the Princess desk at the airport on the day of embarkation. Transfer costs will be charged to your shipboard account.

PRICES

\$20 USD per person – Transfer from Vancouver Airport to Vancouver Pier.

\$45 USD per person – 5-hour transfer from Seattle Airport to Vancouver Pier.*

NOTES:

- Passengers who do not purchase Princess Transfers will be responsible for their own transportation and luggage.
- For passengers participating in the U.S. Direct program, these procedures do not apply. Please see the next section for details of the program.
- For passengers who have the land portion of their cruisetour first, refer to page 45 for Fairbanks or page 46 for Anchorage for airport arrival procedures and transfer information.

U.S. DIRECT

U.S. DIRECT EMBARKATION PROGRAM

Princess Cruises, in conjunction with the Vancouver International Airport, is pleased to offer eligible passengers a new level of service designed to get you from the airport to your ship as quickly as possible. Passengers who qualify to participate in our U.S. Direct Embarkation program will not have to go through the traditional process of Canadian and U.S. Customs & Immigration at the airport and pier. Qualified passengers will be transferred to the ship and pre-cleared with Canadian and U.S. authorities, and will not have to claim their luggage at Vancouver Airport. Passenger luggage is transferred directly to the ship. The U.S. Direct Embarkation program may save up to two hours of customs and immigration wait times.

To participate in U.S. Direct, you must meet the following requirements:

- U.S. citizen or U.S. Lawful Permanent Resident (LPR) with valid government ID.
- Arriving on a direct flight from U.S. to Vancouver Airport by 2 p.m. on embarkation day.
- Passenger Immigration Form information must be completed with Princess at least six days prior to departure.
- Pre-purchased a Princess airport-to-pier transfer.
- Pre-tagged all luggage with Princess ship embarkation ID tags prior to airline check-in.
- Provide independent air information if flights were not purchased through Princess Air.

HOW IT WORKS

Upon arrival at Vancouver International Airport, follow the U.S. Direct signage, as indicated above, to the transfer point. (Do not proceed down the escalators to Canada Customs.) Passengers should have their proof of citizenship and cruisetour itinerary readily available. Upon entering the facility, passengers will submit their completed Canada Customs Declaration form to a Canada Customs officer. They will then be directed to their motorcoach for transfer to the ship terminal. Passengers proceed directly to a designated security check point for U.S. Direct passengers only, and proceed to ship check-in. Luggage will be delivered to your stateroom.

IMMIGRATION AND CUSTOMS CLEARANCE

The United States Customs and Border Protection (USCBP) operate a "pre-clearance" inspection at the Vancouver Cruiseship Terminals. This enables passengers to board the ship for their Alaska vacation without interruption at the first port of call.

Passengers arriving at the Vancouver Airport who do not participate in the U.S. Direct program will be required to proceed through Canadian customs clearance at the airport and U.S. customs clearance at the pier.

DISEMBARKING CRUISE PASSENGERS IN VANCOUVER (Land tour first, then cruise)

EXPRESS CHECK-OUT

Princess offers quick and easy check-out service for smooth sailing from the beginning to the end of your cruise. If you have not already provided credit card information at embarkation, please do so at the Passenger Services/Purser's Desk during the first few days of your cruise. Those paying by traveler's checks or cash will be required to leave a deposit with the Purser's staff at the beginning of the cruise. You will be presented with a final bill on the day of disembarkation. If this bill is to your satisfaction, then everything will be taken care of for you without another visit to the front desk. You can make your departure even more convenient with our EZCheck (pg. 21) and Luggage Valet (pg. 17) programs.

Amazing scenery

PRIOR TO DISEMBARKATION

Your stateroom steward will provide you with a disembarkation letter containing information regarding your departure from the ship. You will also receive colored tags for each piece of luggage. Please put your name, home address and other information requested on each tag. Please remove any old airline flight tags or embarkation tags. We strongly recommend you hand-carry fragile items, valuables and medication. Before you retire for the night, your bags should be packed and placed outside your stateroom door to facilitate customs clearance and disembarkation. Make a final check of your cabin and stateroom safe for any personal items, as Princess is not responsible for items left behind.

* Customs Clearance applies only to passengers disembarking in Vancouver.

DISEMBARKATION TRANSFERS

At the dock, luggage is arranged according to color-coded tags provided prior to disembarkation. On the majority of our cruises, you will be required to identify and clear your luggage through customs. As you leave the ship, you will be directed by Princess representatives to the luggage claim area for your color group. Please check tags to ensure you are claiming your own luggage.

If you have purchased a Princess ship-to-airport transfer or a Cruise Plus Hotel Package, you will be directed by uniformed Princess representatives to the transfer departure point.

If your friends or relatives are meeting you at the pier, please be advised that disembarkation may take several hours after the scheduled arrival of the ship in order to clear immigration and customs. If you have signed up for Princess EZCheck (pg. 21), your boarding pass is provided to you on the last night of the cruise, and your luggage will be delivered directly to the

airline — there is no requirement for you to check in at the airline counter.

Transfers may be added up to 14 days prior to departure.

PRICES

\$20 USD per person – Transfer from Vancouver Pier to Vancouver Airport

\$45 USD per person – Transfer from Vancouver Pier to Seattle Airport

NOTES:

- Passengers who do not purchase Princess Transfers will be responsible for their own transportation and luggage.
- For cruise first, then land tour passengers who end their cruisetour in Anchorage or Fairbanks, refer to page 45 for Fairbanks or page 46 for Anchorage for hotel to airport procedures for the end of your cruisetour.

AIRLINE CHECK-IN, MADE EASY

For your return home, breeze through airline check-in while you are still onboard your Princess ship. EZCheck

is a new and revolutionary shipboard airline check-in service. For a nominal fee, we will check you in for your flight and you will be provided with your airline boarding pass and luggage tags on the last night of your cruise. Upon your disembarkation, your luggage will be secured and transferred to the airport and delivered to your airline carrier. You will next see your luggage at the luggage claim area at your final destination.*

Please check with the Passenger Services Desk for a complete list of participating carriers for your disembarkation port. Note that any connecting flights must be with the same airline. Additionally, flights must be scheduled to depart within specified guidelines on the day of disembarkation, and the flight and final destination must be within the United States (Alaska, Hawaii and Puerto Rico included). Rates start at \$15 per person and include a maximum of up to two pieces of luggage per person. Rates and carriers may vary from port to port.

To reserve this service in advance of your cruise, contact your Travel Agent or call 1-800-PRINCESS.

IMMIGRATION AND CUSTOMS CLEARANCE

Due to U.S. and local customs regulations, passengers may not leave the ship until ship's clearance has been granted by authorities. While waiting, we suggest that you relax in one of the many public lounges for disembarkation by pre-designated color tag groups to be announced. Color tag groups are called according to flight priorities.

Customs and immigration inspectors will review the customs declarations form upon which you have listed articles bought in foreign ports or in the ship's boutiques. U.S. residents returning to the United States are allowed a duty-free exemption of \$800 USD per person, which includes the cost of one liter of alcoholic beverages (if purchased onboard or ashore) for each passenger 21 years of age or older. Canadian citizens, when out of the country for more than seven days, may bring back up to \$750 CAD duty-free. It is recommended that passengers keep their sales receipts handy for declaring their purchases. Food items should not be brought into U.S. or Canadian ports.

For further customs information, we recommend that you attend the Cruise Director's disembarkation talk given during the last days of the cruise.

LUGGAGE

HANDLING PROCEDURES ON LAND

All Princess cruisetours include our hassle-free luggage handling service every step of the way. During the entire land tour portion of your vacation, we'll take care of transporting your luggage from one location to the next. So you can simply sit back and enjoy the escape.

- Upon arrival, an Alaskan OutfitterSM will arrange for your luggage to be delivered to your first overnight destination.
- All you need to do is leave your luggage where instructed and it will be delivered directly to your room at the next overnight location.
- Luggage is transported separately and is inaccessible until it arrives at your next overnight location.
- Luggage may not be available immediately upon arrival at each location. Make sure you have essential ID and medications with you.

HOW TO PACK FOR YOUR LAND TOUR

Cruisetours cover great distances and involve various arrivals and departures. Packing light and minimizing bags needed on land will help you get the most out of our luggage transportation service.

The best way to be comfortable and avoid hassles is to choose casual, comfortable clothing you will be able to wear all day, including appropriate dress for any optional tour activities you may enjoy. Even the finest Alaskan dining rooms are casual so choose comfort over style. Cruisetours involve many modes of transportation including motorcoaches, trains and sightseeing vehicles so make sure you take only the things you need to ensure comfort for you and your fellow travelers.

THERE ARE THREE TYPES OF BAGS TO PACK FOR THE LAND PORTION OF YOUR CRUISETOUR

1. HAND CARRY TOTE

No Princess tag required. We recommend attaching a personal ID tag.

HAND CARRY TOTE

You'll want this bag with you every step of the way. So include only the essentials. Items to pack in this bag include travel documents, photo ID, important medication, toiletries, camera, and any extra layers of clothing such as jackets or hats. Your hand carry tote bag should be a size that is comfortable to carry and should be able to be stowed under your seat. We recommend soft-sided tote bags no larger than 17" X 14" X 4" with a zip enclosure. Wheeled carry on cases that are used as carry on luggage on airlines are too large and are not suitable as hand-carried luggage on motorcoaches and trains.

2. "TRAVEL WITH ME" LUGGAGE

Travel With Me tag:

"TRAVEL WITH ME" LUGGAGE

You are allowed one piece of "Travel With Me" baggage per person. You will simply pack one bag and place luggage where instructed. Our handlers will pick it up and deliver it to your room at the next overnight location on your land tour. This bag

will be transported separately from you and will not be accessible during transit. Items to put in this bag include clothing, sleepwear, non-essential toiletries, extra shoes and anything else you might need at your lodges but do not need access to during the day. Wheeled suitcases are the preferred size for this luggage.

3. "JOIN ME" LUGGAGE

1. Join Me Onboard Ship ID tag:

2. Join Me in Fairbanks tag:

Join Me in Anchorage tag:

"JOIN ME ONBOARD SHIP" LUGGAGE

This bag is perfect for the items you may need on your cruise but will not need on your land tour, such as formal wear, dress shoes, or dinner jackets.

On the land portion of your cruisetour, the dress code is always casual so there is no need for any formal wear. All luggage is delivered to the first hotel on your land itinerary. Upon departure from that city, the "Join Me Onboard Ship" tagged bags will be securely stored until they are delivered to your stateroom onboard.

"JOIN ME IN FAIRBANKS / ANCHORAGE" LUGGAGE

Passengers who cruise prior to their land tour should pack all items they used on their cruise and will not need on land in this luggage. These bags will be inaccessible until delivered upon your arrival to the final Alaska hotel of your itinerary. Please identify your chosen pieces of luggage (excluding the one "Travel with Me" bag) with these "Join Me" tags, based on your final destination.

IMPORTANT LUGGAGE REMINDERS

- Essential medicines, travel documents, valuables and breakables should be hand carried in your possession at all times.
- Many domestic airline carriers now impose excess baggage fees for amounts over 50 lbs., so check with your carrier regarding weight restrictions.
- Princess will make every effort to assist you in safeguarding your belongings. But remember, you are responsible for your things at all times. Princess is not responsible for money, jewelry, cameras, binoculars, documents or any other articles you retain in your personal control.
- All luggage should have a sturdy personal identification tag that will not be lost or damaged in the course of typical airport and trucked luggage handling.
- On journeys including air travel, luggage will be subject to a considerable amount of handling and we would recommend that your "Travel With Me" and "Join Me" luggage be of sturdy construction.
- Princess recommends that your travel protection is adequate enough to cover any possible loss or damage which may occur. Any loss or damage caused by Princess or an airline must be reported immediately to the responsible party.

In addition, each room is equipped with 110-volt, 60-cycle alternating current (AC) with standard U.S. plug fittings. Please ask your stateroom steward to check your appliances for suitability before use if you have any questions. All ships are equipped with an electric hair dryer in every stateroom.

INTERNET AND EMAIL ACCESS*

Internet access is available on all Princess vessels through our 24-hour onboard Internet Cafés and wireless network. Use our state-of-the-art computer systems to access your web-based email account, or browse the Internet for world news, sports and stock trading. Or bring your wireless-enabled laptop and access the Internet from the comfort of our beautiful Lobby/Atrium or other public areas. If your laptop is not already equipped, wireless network cards are available for purchase onboard.

Passengers who subscribe to email services from an Internet Service Provider (ISP) are advised to verify that their ISP has a web-mail viewing site prior to sailing. Most major ISPs have websites that allow mail access via a web browser using an email address and password.

Please contact the Passenger Services/Purser's Desk onboard for information regarding the charges that apply to Internet and wireless services and any other specific requirements.

LAUNDRY AND DRY CLEANING SERVICE

Take advantage of our onboard laundry and dry cleaning service for a nominal fee. All laundry is returned within 48 hours, or on the same day with our express service. We also offer self-service coin-operated launderettes.

Princess onboard libraries have collections of up to 3,000 books, as well as Internet stations and music listening chairs. Read your *Princess Patter* for library hours and other information.

Note: Ship and stateroom amenities vary by ship and are subject to change.

[†] Does not include wireless access.

[^] Complimentary one-time mini-bar setup per stateroom for passengers 21 years and over.

* Ship Internet access is not guaranteed at all times due to the nature of satellite communications, which are subject to itinerary and possible disruption from weather patterns and various obstructions. Also, Internet access via satellite is significantly slower than high-speed connections on shore.

Pelicans at play

A BOATLOAD OF FUN

Cruising with Princess is a complete escape for all ages, with our Pelicans and Shockwaves programs made especially with junior cruisers ages 3-12 in mind, and our Remix centers for teens.

Pelicans and Shockwaves give kids the chance to enjoy everything from arts and crafts, game tables, movies, splash pools (on select ships) and more. For toddlers, there's even a special play area and outdoor deck.

All Youth and Teen Centers are fully supervised by our staff of Youth Activities Coordinators.*

Children are welcome on all Princess ships, but facilities vary. Pacific Princess, Royal Princess and Tahitian Princess do not have dedicated Youth and Teen Centers. However, when 20 or more children ages 3 to 17 are traveling on these ships, they will enjoy a varied schedule of supervised activities organized by a Youth Activities Coordinator.

Don't miss the orientation and registration meeting on the first night of your cruise. You and your children can meet the Youth and Teen staff and learn more about our exciting shipboard programs. Parents are always welcome to join their children in the Youth and Teen Centers.

JUNIOR RANGER PROGRAM

We want our younger passengers to enjoy Glacier Bay as much as their parents, which is why we created the Junior Ranger program in coordination with the National Parks Service. This fascinating and enriching program brings to life the wonders of Glacier Bay and the Alaska wilderness through fun interactive projects customized for each age group. Kids who participate in a certain number of activities can earn Junior Ranger status — commemorated with an official badge and certificate.

CHILDREN WITH SPECIAL NEEDS

Princess welcomes all children and teens ages 3-17 to participate in our programs. Let our staff know of all medical and/or special needs for your children. We will make every effort to accommodate them. Please be advised that Princess Youth staff do not offer individual one-on-one supervision.

Note: Age groups may differ on Caribbean Princess, Diamond Princess, Pacific Princess, Royal Princess, Sapphire Princess, Star Princess and Tahitian Princess. Nominal charge applies for Jr.CHEF@Sea.

HOURS OF OPERATION

Caribbean, Coral, Crown, Dawn, Diamond, Emerald, Island, Golden, Grand, Ruby, Sapphire, Sea, Star and Sun Princess Youth and Teen Centers are open at sea 9 a.m. - noon; 2 p.m. - 5 p.m.; and 7 p.m. - 1 a.m. for children ages 3-17.

A \$5 USD per child per hour group kidsitting charge is applicable from 10 p.m. - 1 a.m. for youth passengers ages 3-12.

Caribbean, Coral, Crown, Dawn, Diamond, Emerald, Island, Golden, Grand, Ruby, Sapphire, Sea, Star and Sun Princess Youth and Teen Centers are open while in port 8 a.m. - 5 p.m. without charge. A supervised, complimentary lunch service is available with parental consent.

JUST FOR TEENS

Remix offers teens a range of activities including teen only dance parties, sports tournaments and talent shows. Or, have fun meeting other teens with the Dating Game. Those seeking a creative retreat will enjoy hip hop dance classes, T-shirt painting, Casino nights, mocktails, pizza parties or special teen-only dinners. In addition to all these features, on the Crown, Emerald, Golden and Grand Princess, teens have a separate hot tub and sun deck area made just for them.**

From your onboard experience to your onshore adventure, all of us at Princess® are committed to providing you with an unforgettable journey and a complete escape.

Mt. McKinley in Denali National Park

DURING YOUR LAND TOUR

WE'RE AT YOUR SERVICE

On land as at sea, our gracious staff includes experienced and friendly professionals whose responsibilities range from helping you plan your daily activities to getting you from ship to lodge. Their primary focus is your comfort and safety and providing you the ultimate vacation. To help you get acquainted, the following is an introduction to the Princess staff you will encounter on shore.

ALASKAN OUTFITTERSSM

There are Alaskan Outfitters at each destination ready to help you get the most out of your trip. These knowledgeable experts give you the inside track of the best things to see and do during your time with Princess. They can help you schedule and book land excursions, or give you tips and directions when you want to explore on your own. You'll find them at the Outfitter Tour Desk at each of our wilderness lodges, or at a service desk at the hotels in Anchorage and Fairbanks.

MOTORCOACH DRIVER/GUIDE

Your Motorcoach driver gets you safely and courteously from destination to destination and is an experienced local guide who can point out features of significance along the way.

RAIL TOUR GUIDE

As you cross Alaska's great wilderness via rail, you'll pass mountain ranges, forests, landmarks — as well as beaver lodges, eagles nests and the occasional wandering moose. A knowledgeable Rail Tour Guide will be along for the ride, pointing out all sights of interest. And they're happy to try and answer all your questions about the Great Land — just ask!

PRINCESS LODGE STAFF

Once you arrive at your destination, you'll find a lodge full of Princess staff dedicated to making you feel at home. Front desk staff in the hotel lobby can assist you with establishing an account or answering any general questions you may have. They can also help with more specific services relating to the property and amenities. Housekeeping makes certain your room is always tidy and clean, and can provide extra towels or sheets. Gracious servers, hosts and chefs in the restaurants promise your dining experience will be everything you'd expect from Princess.

EMPLOYEE RECOGNITION

As on the cruise, Princess on land has a service training, awareness and award program known as C.R.U.I.S.E., Courtesy Respect Unfailing In Service Excellence. Employees who have completed the program proudly wear our signature pin:

Should you wish to recognize Princess employees who provide you with exceptional service, C.R.U.I.S.E. recognition forms are available at all Outfitter Tour Desk locations.

- Please do not bring food for consumption onboard.
- Government-issued photo identification and boarding information are required prior to embarkation.

DENALI EXPRESSSM AND RAIL SERVICE BETWEEN ANCHORAGE, TALKEETNA, DENALI & FAIRBANKS

Enjoy the views from large domed luxury railcars and relax in a casual, comfortable environment. You can savor the vistas from your assigned seat or stroll out onto the viewing platform for open-air sightseeing. You may want to browse through the selection of items available in the gift shop. Princess Rail Guides provide expert narration en route and are available to answer any questions you may have.

Dining onboard the train is an experience not to be missed. Enjoy freshly prepared menu items as you watch the scenery roll by. Please reference your itinerary to see which meals are offered during your travels and expect to pay prices similar to a hotel restaurant. If meals are included or pre-purchased they will be specified in the itinerary included with documentation. The dining room generally accepts about one third of the guests in three different seatings. Meal times are assigned by your location in the car. While every effort is made to acknowledge preferences, your flexibility regarding meal times is appreciated. In addition to meals in the dining room, lighter fare and beverages are available at your seats.

Travel time between Anchorage, Talkeetna, Denali National Park and Fairbanks tends to be about four hours per segment, but it may vary. The Denali Express direct from Whittier to the Denali National Park depot and vice versa is approximately nine and a half hours. Motorcoach segments between all points tend to be shorter in duration.

McKINLEY EXPRESSSM

Direct service from Whittier to Talkeetna for the Mt. McKinley Princess Wilderness Lodge and vice versa is served by our McKinley ExpressSM rail. These single-level glass-domed cars offer spectacular views of some of the most beautiful scenery in Alaska. Princess Rail Guides provide informative narration en route.

Bistro service including sandwiches, pastries and beverages is available for purchase in the Club Car or at your seat. You are free to visit the Club Car at any time during your journey. Travel time on the McKinley Express is approximately five and a half hours.

MOTORCOACH TRANSPORTATION

HIGHWAY TOURING: Should your tour take you from one city to the next via motorcoach, you will have the same driver/guide and dedicated coach for the days of your highway travels. Seating aboard the coaches is not assigned, but guests may be asked to rotate throughout each day to allow everyone access to the forward seats. Ample stops are made for photo and rest breaks. Highway coaches are equipped with restrooms.

LOCAL SIGHTSEEING AND TRANSFERS: Every effort is made to provide our guests with modern, comfortable, air-conditioned motorcoaches. While restrooms generally are not available on city tour and transfer coaches, adequate stops are made for your comfort.

All sightseeing tours inside of Denali National Park are operated by the National Park Service concessionaire. No tour operator, including Princess, is authorized to use their own motorcoach inside the park boundary. Sightseeing tours inside of Denali National Park use school buses.

DURING YOUR LAND TOUR

ALASKA ACCOMMODATIONS

Your journey into the heart of Alaska will take you to charming towns and spectacular wilderness that defy imagination. And at each stop along the way, you'll experience accommodations carefully selected by Princess to perfectly complement the destination, as well as provide you a comfortable and enjoyable visit.

HOTEL STAYS

Hotels are selected for their location, amenities, staff services or historical significance. In larger cities you will find more modern full-service hotels with televisions and telephones in each room and a choice of restaurants. In smaller cities and in the more remote locations, the hotels, though comfortable, are more rustic and the services are limited. Air conditioning is not available at most hotels. In Prudhoe Bay and Coldfoot, hotels are of modular construction and, though clean and warm, are of a basic nature.

We communicate the bed configuration requested, but bed types can be limited and room assignments are at the discretion of the management of each hotel. As a guideline, accommodations for two guests sharing the same room usually consist of one double/queen bed, two twin beds or a double/queen bed with a fold-out couch. Accommodations for three guests are one double/queen bed with a fold-out couch or rollaway. Accommodations for four guests are two double/queen beds.

Additionally, we communicate the smoking or non-smoking preferences but due to availability, these room types are not guaranteed. Smoking is prohibited in the hotel rooms at Princess properties and some Alaska hotels do not have elevators. If you have special requests or concerns regarding accessibility, or if you would like to request disabled or easy access hotel rooms, refer to pg. 8 for instructions and contact information.

REACHING YOU ON LAND

While on the land portion of your cruisetour, provide your friends and relatives with information on how to reach you. For all properties, call the phone number listed on the property or city page and leave a message at the front desk or on the in-room message service. Please note that long distance or international rates may apply. Refer to accommodation pages 41-46.

COPPER RIVER PRINCESS WILDERNESS LODGE®

A ROOM WITH A VIEW

If Alaska is "The Great Land," then Wrangell-St. Elias National Park may be the truest measure of her stature. And no other place puts you in such wonderful proximity, in such comfort, as the Copper River Princess Wilderness Lodge®. In the event You are prevented from taking Your Cruise/Cruisetour Vacation because: (a) You, Your Traveling Companion or an Immediate Family Member suffers a death or an Injury or Sickness which results in medically imposed restrictions, as certified by a Physician, at the time of loss preventing Your continued participation in the covered Cruise/Cruisetour Vacation, or (b) You or Your Traveling Companion (i) is hijacked, required to serve on a jury, or subpoenaed; (ii) has a home made uninhabitable by fire, flood, volcano, earthquake, hurricane, or other natural disaster; or (iii) is directly involved in a documented traffic accident while en route to departure; (iv) being called into active military service to provide aid or relief in the event of a national disaster other than war; Princess Cruises and/or Princess Tours will refund to you, up to Your total Cruise/Cruisetour Vacation cost for:

a) Trip Cancellation. Non-refundable cancellation charges imposed by Princess Cruises and/or Princess Tours and/or airfare cancellation charges for flights (booked through Princess) joining or departing Your Sea/Land Arrangements; or the additional costs You may incur as a result of a change in the per-person occupancy rate of prepaid travel arrangements if a Traveling Companion cancels his/her Cruise/Cruisetour Vacation for a covered reason and you do not cancel.

ENROLLMENT PROCEDURE

The plan is only valid if and when the appropriate Princess Travel Care or Princess Travel Care Gold plan cost has been received by Princess Cruises and/or Princess Tours. Princess, Princess Cruises, Princess Travel Care, and Princess Travel Care Gold are service marks of Princess Cruises, its affiliates, or its licensor.

PLEASE NOTE: Payment for the plan may not be accepted after the Cruise/Cruisetour Vacation cost has been paid in full and received by Princess Cruises/Princess Tours. For Your convenience, the cost of the plan may be automatically included on Princess Cruises' and/or Princess Tours' invoice to Your travel agent. The plan cost may be paid at any time between deposit and final payment; however, Trip Cancellation protection takes effect only upon receipt by Princess Cruises/Princess Tours of Your Princess Travel Care or Princess Travel Care Gold plan payment. If You do not wish to take advantage of this protection, please advise Your travel agent to deduct the plan cost. If the plan cost has not been included on Your invoice and You wish to purchase it, simply ask Your travel agent to contact Princess to arrange for billing.

Refunds under Section I and the coverages offered under Section II are extended, at no additional charge, to children 18 or under sharing accommodations with two accompanying adults, as long as ALL accompanying adults purchase their own Princess Travel Care or Princess Travel Care Gold plans. All refunds under Section I (except Trip Cancellation/Interruption) or coverages under Section II are subject to a combined maximum

limit for the enrolled adult and enrolled children equal to twice the individual enrolled adult's limit. A maximum of 4 children per enrolled adult will be eligible for reimbursement; the plan must be purchased for each additional child.

The plan cost is non-refundable once You enter the cancellation penalty period as stated by Princess Cruises and/or Princess Tours.
