## The consummate host — Princess Cruises®

Princess offers an exciting variety of itineraries to bring you the best of Alaska by sea, and we're equally committed to providing the ultimate cruisetour experience on land. Built specifically for cruisetours, we operate our own lodges in all the best locations — and feature scenic Alaska touring aboard our premier glass-domed railcars and luxury motorcoaches.

**PRIME LOCATIONS.** Princess is the only cruise line with luxury lodges at legendary national parks. Our spectacular riverside locations bring the classic wilderness adventures of Alaska within reach.

**GOLD STANDARD.** Each of our five Princess lodges boasts stunning rock and timber architecture, numerous mountain- and river-view restaurants, and deluxe amenities like outdoor hot tubs, fitness spas, and upscale shopping.

**WILDERNESS CONCIERGE.** Guests discover how warm Alaska can be with the help of our Alaskan Outfitters<sup>SM</sup>, local Princess experts with the inside track on the “best of” Alaska — what to see, where to go, what to do.

**ENDLESS ACTIVITIES.** There are so many things happening around our lodges — trails for hiking, lakes for kayaking, rivers for fishing or rafting, horses for riding, and helicopters for flightseeing. And that's just the short list.

**PRINCESS PERFECT.** Alaska is a special place and it takes a high level of service to do it justice — and that's exactly what you can expect when you visit the region with Princess. It's an authentic Alaska vacation that has Princess written all over it.

# LUXURY

*in the wilderness*

## ALASKA

An evening fire crackles in the huge river rock fireplace. In the elegant restaurant, Alaskan specialties are being served with a side of dazzling mountain and river views. The open-air café offers a lively scene and the expansive deck provides the tranquility of pine-scented air. Nothing makes an escape to Alaska more complete than the luxury of our classic wilderness lodges. It may not be what you'd expect in the heart of Alaska. But it's just what you'd expect from Princess.®
