Ship to train to Denali, all in one day — only with Princess

Experience even more of Alaska's natural wonders and enjoy a complete escape — with our exclusive Direct-to-the-WildernessSM rail service. From your ship, step onto waiting luxury railcars, bound north for Denali. Enjoy Alaska's natural wonders en route, and arrive in time for dinner at one of our wilderness lodges — a full day earlier than on other cruisetours.

Guests traveling on southbound cruisetour itineraries can enjoy this service, too. Following a 4- to 10-day land tour at luxurious Princess wilderness lodges, our guests embark on a scenic rail journey followed by a convenient transition directly onto the ship.

DESTINATION DENALI. Whether you choose the **Denali ExpressSM** bound for the Denali Princess Wilderness LodgeSM or the **McKinley ExpressSM** headed for the Mt. McKinley Princess Wilderness LodgeSM, the advantages of Direct-to-the-Wilderness are clear:

- Fewer transfers, less time waiting
- Private pull by the Alaska Railroad provides ease and reliability
- All luggage transfers are conveniently handled by Princess
- More time in the wilderness — get to Denali a full day before other cruisetours
- At least two nights at Denali on every itinerary — even on 3-night tours
- Luxurious, relaxing rail travel with spectacular scenery

Direct-to-the-Wilderness is the ultimate way to spend the most time enjoying Alaska's splendor. And only Princess gets you to the wilderness so easily, in such unparalleled comfort.

A luxurious journey — as memorable as the destination

The route from dock to Denali is not only spectacular — it's a National Scenic Byway. You'll ride onboard luxury railcars, enjoy exclusive amenities like an outdoor observation platform or a spacious club car and encounter the same warm, friendly Princess service you receive on our ships.

TAKE IT ALL IN. Observation platforms and huge wrap-around glass-domed windows provide awe-inspiring views of spectacular sights such as the towering Alaska Range, scenic Matanuska Valley, the monumental bridge that spans Hurricane Gulch, raging rivers and immeasurable forests. You'll delight in the ride almost as much as the destination.

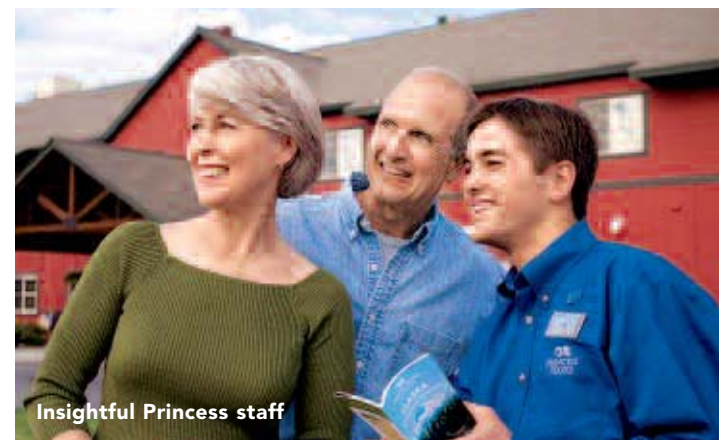

RAIL GUIDES. Princess goes the extra mile to provide an extraordinary experience. Our knowledgeable staff offers live, in-depth narration — highlighting the exciting history of this famed rail route while pointing out scenery and wildlife along the way. And, you can even track your travels along the way via our onboard GPS (Global Positioning System).

Note: Amenities vary by individual railcar.

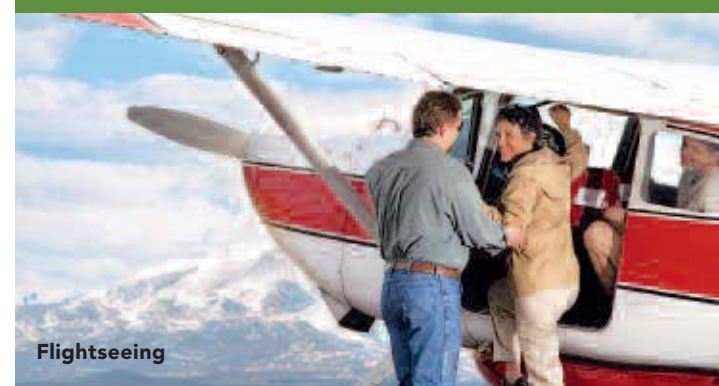

TASTE OF ALASKA. In the dining salon on the Denali Express, Alaskan specialties like Sockeye Salmon, Alaskan King crab and Reindeer Chili add flavor to the journey. Bistro service with lighter fare is found in the club car on the McKinley Express. Or you can get comfortable, stay in your seat and enjoy tableside meal and beverage service on both routes.

Princess cruisetours — the best way to see Alaska

Combine a luxurious cruise with four to 10 additional days exploring the magnificent wilderness at our own exclusive lodges. That's a cruisetour, the ultimate way to experience the many wonders of Alaska — by land and sea. It's no surprise we're continually voted the "Best Cruise Line in Alaska" by *Travel Weekly* magazine.

GLACIER BAY & DENALI NATIONAL PARK. Only Princess includes both of Alaska's premier attractions on virtually every Gulf of Alaska cruisetour.

DIRECT-TO-THE-WILDERNESS. No other cruise line travels from ship to train to Denali — all in one day. You step off the ship and onto your luxury railcar to arrive at your lodge in time for dinner.

THE BEST LODGES IN ALASKA. Our five dramatic riverside lodges offer luxury in the wilderness. Denali, Mt. McKinley, Kenai, Copper River and Fairbanks provide the perfect setting for Princess service.

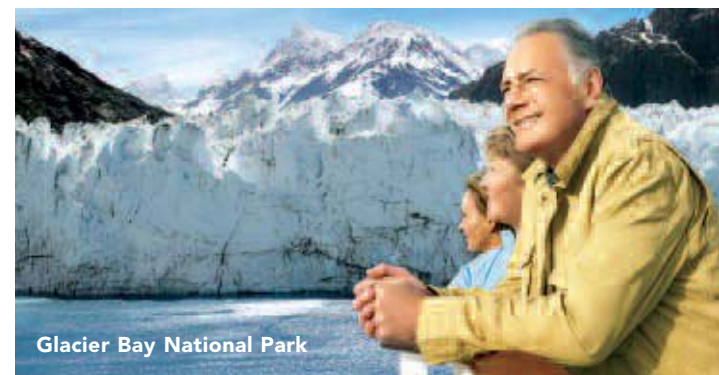

PRINCESS RAIL SERVICE. The route of the famous Alaska Railroad is spotlighted onboard fully-domed Princess railcars. It's one of the highlights on all our cruisetour vacations.

AFFORDABLE BALCONIES. The luxury of waking up to see glaciers calving and falling asleep to rippling water in the comfort of a balcony stateroom or a mini-suite has never been so attainable.

BIG SHIP CHOICE, SMALL SHIP FEEL®. Our spacious ships offer numerous places to rejuvenate, dine, shop, learn, dance, and be entertained while never feeling overwhelmed by a crowd.

SEE AND COMPARE. Our Direct-to-the-Wilderness Cruisetour is the best choice for more time in the wilderness when compared with a traditional cruisetour:
