Amazon River

Cover photo: Cape Horn

Use of any of the photography contained herein is prohibited by law.

An aerial photograph of a wide, winding river flowing through a vast, dense green forest. The river's path is highly irregular, with several large, rounded loops and bends. The surrounding forest is a deep, vibrant green, with some lighter green patches visible in the lower right quadrant. The overall scene is one of a remote, untouched natural landscape.

## *South America — the discovery destination*

These are landscapes that take your breath away, leaving awe in its place. And it was en route between Buenos Aires and Rio that you had an epiphany — you should've done this long ago. From your own balcony on your luxurious Princess® ship, you have peered deep into the mysterious Amazon, and you've looked out on ice blue glaciers in Chilean fjords. You have walked the timeless Spanish colonial streets of places like Montevideo and Santiago, gone wine tasting and browsed the handicrafts at local markets. You have discovered South America with Princess — and every new vista has left you dazzled and inspired.

*More than a vacation — it's a voyage of*

## ONBOARD EXPERIENCE

### *From your own personal balcony, every vista is unforgettable*

It's yet another blissful day, and out on your balcony the sea air is soothing and the inspiring views of South America are endless.

There's nothing quite like it — waking in the morning and stepping onto your balcony to discover an infinite expanse of blue sea or another amazing destination that has just appeared outside. This is what you always dreamed of — seeing enchanting shores from the comforts of your own balcony retreat. And no other cruise line sailing South America makes this indulgence so affordable. So settle in your deck chair, enjoy a splendid view and catch another spectacular sunset — or sunrise.

Choose an added degree of luxury and upgrade to a mini-suite, where the amenities are plentiful and include a welcome glass of champagne to sip out on your balcony. For a truly lavish escape, nothing compares to a suite — a luxurious option with all the premium extras of the mini-suite, plus deluxe canapés, fresh flowers, complimentary access to the serenity of the Lotus Spa® Thermal Suite relaxation center and a whole array of other decadent treats.

To see all of our stateroom options and amenities by ship, please see pages 40-59.

Note: Lotus Spa Thermal Suite available on Star Princess only. Ship and stateroom amenities vary and are subject to change.

## *Your escape shines brighter with signature Princess service*

You first notice it in the smile of your stateroom steward. Then in the greeting of the cruise director. And in the polite manner your waiter serves you a glass of chardonnay at dinner. It's something you didn't even realize still existed in the world — a warm, personal touch.

It's the little things that make a cruise with Princess such a grand experience — small, sincere moments of excellent service, taking care of the details so you can simply relax and enjoy an unforgettable escape. We take great pride in perfecting the forgotten art of graciousness. It's a philosophy expressed in our C.R.U.I.S.E.® credo — Courtesy, Respect, Unfailing In Service Excellence. Standard on every Princess voyage.

**CELEBRATE ROMANCE, PRINCESS STYLE.** At Princess, we go out of our way to ensure every occasion is special. And to help our guests enjoy a truly romantic escape, we've created an array of fun activities devoted to matters of the heart. From a new mood-setting in-stateroom Romance Package and a "Celebrate Romance" ScholarShip@Sea® class, to our ever-popular Renewal of Vows and Tie the Knot<sup>SM</sup> wedding program, Princess sets the stage for an unforgettable voyage. You'll also discover a Daily Romance Tip column in the *Princess Patter* and some of cinema's classic love stories when you tune into the Romance Channel on your stateroom TV. Come celebrate romance with Princess.

# SENSATIONAL

*pleasures unfold in sultry South America*

Diverse and dazzling. The continent of South America. Where music and dance are as essential as water and air. Where Chilean vineyards give way to soaring Andean peaks, which in turn give way to rugged Pampas. Where every interaction with a local — the greeting of a *gaucho* in Argentina, the smile of a child in Brazil — becomes a cherished memory of your time in unforgettable southern climes.

## Peruvian dancers

## *From the Amazon to Antarctica and beyond, embrace the passion of the south*

There's so much to see in South America — sun-kissed beaches and glacial fjords, rugged mountain ranges and lush tropical rainforest, remote indigenous villages and Spanish colonial cities. And Princess® brings you all these and more on some of the best itineraries in the region.

**CAPE HORN & STRAIT OF MAGELLAN.** The majestic landscapes and abundant wildlife of Cape Horn and the Strait of Magellan have been inspiring explorers for centuries. You can sail this storied route on your choice of two itineraries — between Santiago and either Buenos Aires or Rio de Janeiro.

**AMAZON RIVER.** Was that an alligator you saw sunning on the far bank? Is that the call of a monkey ringing out over the treetop canopy? These are experiences you can only have in the world's greatest remaining wild place — the Amazon. And with the small Pacific Princess®, it's well within reach.

**THE AMERICAS, ANTARCTICA AND THE ANDES.** See two of the Southern Hemisphere's most dramatic places — Antarctica and the Andes. Two itineraries on Star Princess® — the 16-day Antarctica & South America Adventure and the 18-day Andes & South America — highlight the otherworldly sights of these destinations. Or our new 12-day South America & Panama Explorer cruise sails between Ft. Lauderdale and Ecuador, visiting Colombia, the Panama Canal and Costa Rica en route.

**CONNOISSEUR VOYAGES.** These voyages take you deeper into the regions you most want to see. How about a 26-day adventure taking in the tropical islands of the South Pacific and the alpine mountains of the Andes? Or a 20- or 21-day voyage visiting three continents — South America, Africa and Europe. For the true aficionado of global travel, these in-depth explorations are in a class all their own.

**GRAND ADVENTURES.** Combine two or more voyages for a Grand Adventure from 19 to 117 days. Visit [princess.com](http://princess.com) to find out about our epic 2009 World Cruises on Royal Princess® and Tahitian Princess®.

### DEVIL'S ISLAND (Île Royale)

It's hard to believe this idyllic paradise was once an infamous prison that inspired the book and movie, "Papillon." But the island once known as "the Green Hell" by prisoners is now known more for its resorts. Yet the prison ruins remain this destination's most fascinating attraction.

### DOMINICA

From the verdant mountain peaks to dramatic seaside cliffs, Dominica offers distinctly Caribbean wonders on land and underwater. Go hiking, or strap on a scuba tank for a dive.

### LA SERENA (Coquimbo)

Named La Serena — “The Serene One” — for its peaceful beaches and pleasant climate, this Chilean city features colonial architecture, a fine traditional main plaza and the intriguing Archeological Museum.

### LIMA (Callao)

The Peruvian capital glistens with splendid colonial-era churches and mansions found along the streets surrounding the Plaza de Armas in the historic center. For a glimpse of Peruvian culture, the Museo del Oro can't be beat.

### MANAUS

Despite the incongruity of a modern city in the heart of the Amazon, Manaus offers urban attractions with easy access to river tours, jungle treks and other adventures. Save time to see the sights around the *Centro*, including the Mercado Adolfo Lisboa.

### MONTEVIDEO

The equestrian monument to the liberator, José Artigas, welcomes you to Uruguay's capital. Say hello, then proceed to the Ciudad Vieja, the old city, or to beaches along the picturesque Río de la Plata.

Visit the Old City of Ecuador's capital — Quito — a UNESCO World Heritage Site. Here you'll find some of the best preserved Spanish colonial architecture in South America.

### RIO DE JANEIRO

How can a few sentences ever sum up sultry Rio — the music, the dance, the beaches, the spirit of Carnival. To understand this remarkable place, you simply must visit for yourself.

### SAN BLAS

Just off the Caribbean coast of Panama is the San Blas archipelago of islands — 357 to be exact, only 40 of which are inhabited. A true tropical paradise.

### SAN FRANCISCO

Sailing under the Golden Gate Bridge is only part of the magic. Wander North Beach or Chinatown, shop around Union Square, sample some crab at Fisherman's Wharf or some chocolate at Ghirardelli Square.

### SAN JUAN DEL SUR

On the Pacific coast of southern Nicaragua is the sleepy fishing village of San Juan del Sur. You'll find idyllic white-sand beaches circling a natural bay. The nearby city of Granada on Lake Nicaragua is the oldest city in Central America.

### SANTARÉM (Amazon River)

It's a stunning sight — the fabled "meeting of the waters," where the brown Amazon and blue Tapajós rivers meet and run for miles side by side. Besides this intriguing curiosity, there are countless other options here for experiencing the Amazon.

### SANTIAGO (Valparaíso)

The green and leafy Plaza de Armas is the perfect point of orientation in the cosmopolitan Chilean city of Santiago. Take a walk on the pathways along the Río Mapocho, and don't miss the quaint shops of Santiago Centro.

### ST. BARTHÉLEMY

The sophisticated main town of Gustavia on the isle of St. Barthélemy, also known as St. Barts, displays its French origins proudly — stop at a café for a croissant. Or visit the new Musée de St. Barthélemy for history.

### ST. LUCIA

There's so much to do on the island of St. Lucia. Visit Pigeon Island, get in some golf, or head to the twin peaks of the Pitons. Or you may simply want to enjoy that most quintessential of Caribbean activities — relaxing on a beach and enjoying the view.

### TOBAGO

Rare birds, bright green iguanas and forests of breadfruit, mango, cocoa and citrus welcome you to Tobago. Like its Caribbean neighbors, however, this island is perhaps best known for its incredible snorkeling and diving.

### USHUAIA (Tierra del Fuego)

Beyond the inhabitants of this Argentine city on the island known as "Land of Fire," you're only likely to meet penguins in Antarctica. This area boasts attractions — from exploring the exhibits in the Museum of the End of the World to beautiful Tierra del Fuego National Park.

## PRINCESS FLIGHTCHOICE<sup>SM</sup>

With our FlightChoice<sup>SM</sup> service, you'll receive the details of your air schedule approximately 75 days prior to your cruise. That gives you plenty of time to review your flight itinerary as reserved by Princess. If it doesn't meet your preferences, you will have ample time to request a customized air schedule through FlightChoice Plus.<sup>SM</sup>

FlightChoice Plus allows you to customize your air travel with the flights, airlines and class of travel that are right for you. Simply tell us your preferences and we will tailor your travel needs for a fee of \$75 per person, per request, plus the additional cost of the service you request. So get your vacation off to a flying start with FlightChoice or FlightChoice Plus — only from Princess.

## PRINCESS eTICKETS

With eTickets, you can access and print important Princess vacation documents conveniently online — including your Travel Summary and cruise Boarding Pass\*. Then you'll be able to view your booking information and print travel-related documents anytime, from any computer.

\*Boarding Pass may be printed no earlier than 75 days prior to sailing.

### WITH FLIGHTCHOICE PLUS YOU CAN:

**EXTEND YOUR VACATION:** If you're planning an extended stay either before or after your cruise, FlightChoice Plus is made just for you. Visit friends or relatives in your port of embarkation or disembarkation. Just let us know what your travel requirements are, and we'll take care of all the details.

**ACCESS OUR SPECIAL FIRST AND BUSINESS CLASS FARES:** With FlightChoice Plus, you can request first or business class travel directly through Princess and, subject to availability, we'll arrange that upgrade.

**FLY WITH YOUR FAVORITE AIRLINE:** If you're a frequent flyer, you may have a mileage program with a certain airline and you'd like to

fly with them. It could be that your plans require a certain flight or a particular time. These requests can all be handled by FlightChoice Plus for the applicable additional cost.

**CHOOSE A DIFFERENT GATEWAY CITY:** FlightChoice offers service from a host of gateway cities across the United States. If you do not live near one of these cities and prefer to fly from a different airport, we can take care of this request as well.

## PRINCESS TRAVEL CARE<sup>SM</sup>

You never know what might put your vacation investment at risk. The last thing you want to think about is what would happen if you became ill or injured while away from home. Fortunately, Princess Travel Care<sup>SM</sup> can protect you from unforeseeable losses stemming from an array of circumstances, and even allows you to cancel your vacation for any reason at all. No other program you can buy for your cruise with Princess has this feature.

Our program, like many travel protection programs, will refund 100% of your otherwise non-refundable cancellation fees in the event of an emergency. Yet unlike similar programs, Princess Travel Care allows you to cancel your vacation no matter what the reason. Even if the purpose of your cancellation does not qualify you for a full refund under the plan, you will still receive 75% of the non-refundable fees in the form of a credit toward your next Princess vacation. That's a service unique to Princess Travel Care. And for those wanting even more peace of mind, Princess Travel Care Gold<sup>SM</sup> doubles the limits of certain benefits

## PRINCESS ACCESS<sup>SM</sup>

We want every Princess guest to have an equally exceptional vacation, and we go to great lengths for our passengers with disabilities. Onboard every Princess ship, you'll find wheelchair accessible staterooms and activities, "All-in-One Kits" with TTY, Assistive Listening Devices and Braille signage. And service animals are always welcomed. For more information about Princess Access<sup>SM</sup> services and resources, please visit us at [princess.com](http://princess.com), call 1-800-PRINCESS or your travel agent.

and increases the voluntary cancellation credit to 90% of the non-refundable fees. While both programs come with lost baggage protection, Princess Travel Care Gold will even double those limits if your luggage is lost. So protect your investment with Princess Travel Care or Princess Travel Care Gold.

### FREQUENTLY ASKED QUESTIONS

**Q: Am I covered by my Princess Travel Care plan if my mother, who is not traveling with me, develops pneumonia and I have to cancel my trip to care for her?**

**A:** Yes. Princess will refund the cancellation fees (up to the full value of the cruise or cruisetour) if you cancel your trip because of a specified reason such as illness or death of the insured, a traveling companion, or immediate family member of the insured.

**Q: If I have a heart condition and am on continuing medication, will I be covered under the pre-existing conditions exclusion if my heart condition flares up during my vacation?**

**A:** Yes. Your trip cancellation protection and medical coverage are subject to a pre-existing condition exclusion that applies if an injury, sickness, or other condition affecting you, a traveling companion or an immediate family member booked to travel with you first manifests itself or changes within the 60-day period before protection begins. So, if you have no change

in your health (even if you are on continuous unchanged medication) in the 60 days prior to purchasing Princess Travel Care, pre-existing conditions are not excluded.

**Q: Is there anything else I should know about the pre-existing conditions exclusion?**

**A:** Rest assured, your coverage for emergency evacuation is not affected by the pre-existing conditions exclusion. Also, if you do not qualify for cash reimbursement for your cancellation due to the pre-existing condition, you will have the benefit of cancel-for-any-reason protection from Princess.

**Q: If my pet becomes ill and I have to cancel my trip as a result, will I be covered by my Princess Travel Care policy?**

**A:** Although you would not qualify for cash reimbursement, as an added feature to you for purchasing Princess Travel Care, Princess will provide a credit toward a future cruise equal to 75% of the cancellation fees imposed (90% with Gold policy) if you choose to cancel for an uncovered reason.

**SECTION I: OFFERED BY PRINCESS CRUISES^****100% TRIP CANCELLATION/  
INTERRUPTION REIMBURSEMENT**

Starting at \$59 USD per person, Princess will provide a 100% refund of otherwise non-refundable cancellation fees in the event that you must cancel due to a covered illness, injury, or other specified event affecting you, an immediate family member, or your traveling companion.

**CANCELLATION FOR ANY REASON**

With Princess Travel Care, you can cancel your vacation for any reason at all, and if the reason for your cancellation does not qualify for cash reimbursement, Princess will provide 75% of the non-refundable cancellation fees in the form of a credit good toward your next cruise with Princess. This is not available in third-party policies. When you upgrade to Princess Travel Care Gold, you'll receive future cruise credits of 90% of your non-refundable cancellation fees when cancelling your cruise for a reason that does not qualify for a full refund.

**AIR AND HOTEL CANCELLATION  
FEE PROTECTION**

If your air transportation and/or Cruise Plus Hotel Package has been booked through Princess, you will also receive a refund for these charges in the case of a covered cancellation, even though your plan cost is based on the cruise fare only.

**SECTION II: UNDERWRITTEN BY VIRGINIA  
SURETY COMPANY, INC. UNDER POLICY  
NUMBER HTP04192 WITH TRAVEL  
ASSISTANCE SERVICES PROVIDED  
BY ON-CALL INTERNATIONAL****MEDICAL COVERAGE**

Medicare and many private insurance plans do not provide coverage outside the United States. With Princess Travel Care you will be reimbursed up to \$10,000 USD in medical expenses for any illness or injury first occurring during your trip. Double your coverage up to \$20,000 USD with Princess Travel Care Gold.

**EMERGENCY MEDICAL  
EVACUATION COVERAGE**

In extreme cases, you might need to be airlifted to an appropriate medical facility. Expenses of up to \$25,000 USD for emergency evacuations are covered with our standard plan and up to \$50,000 USD with our Gold plan. Medicare and many private insurance plans do not offer this benefit, which is highly recommended for foreign travel.

**LOST BAGGAGE PROTECTION**

With our standard plan, you will be reimbursed up to \$1,500 USD for baggage or other personal property that is lost, stolen, or damaged during your trip. Princess Travel Care Gold doubles your reimbursement up to \$3,000 USD.

**DOUBLE YOUR COVERAGE  
FOR JUST \$50 USD MORE**

When you upgrade to Princess Travel Care Gold, you will receive double the standard coverage for medical expenses, emergency evacuation and lost baggage claims. You'll also receive future cruise credits of 90% of your non-refundable cancellation fees when canceling your cruise for a reason that does not qualify for a full refund.

**BAGGAGE DELAY PROTECTION COVERAGE**

If your bags are delayed more than 24 hours at the start of your vacation, Princess Travel Care will reimburse up to \$500 USD per person for any necessary personal items you may need to purchase.

**WORLDWIDE EMERGENCY ASSISTANCE**

Princess Travel Care provides you with a 24-hour hotline for medical, legal and lost travel document assistance worldwide.

**AGE RESTRICTION-FREE COVERAGE**

While some plans base their rates on the age of the traveler, Princess Travel Care does not. And if you are traveling with children 18 years of age or younger occupying third/fourth berths, they are covered at no additional cost so long as all accompanying adults purchase the plan.

**BUY EARLY FOR FULL PROTECTION**

Trip cancellation and medical coverage are subject to a pre-existing conditions exclusion that applies if an injury, sickness, or other condition affecting you, a traveling companion or an immediate family member booked to

travel with you first manifests itself or changes within the 60-day period before you purchase the plan. So, the sooner you purchase the coverage, the more likely it is that any illness would be covered. While your Princess Travel Care plan cost may be paid at any time between deposit and final payment, trip cancellation protection takes effect only upon payment of the plan. To purchase early, make sure to request that the plan cost be paid with your deposit. Payment of your cruise deposit alone will not activate the plan.

Fares and plan costs below are in U.S. currency. If your cruise fare is paid in Canadian currency, the plan cost will be payable in Canadian currency based on the exchange rate used for your booking. Actual plan cost will be confirmed in Canadian currency at time of booking. Claims presented in Canadian currency will be reimbursed in the same funds.

# TIPS FOR YOUR TRIP

Whether this is your first or fourteenth trip with Princess, you probably have several questions about the adventures awaiting you in port and onboard ship. So we've compiled a few of the most common travel questions you might have, to help you prepare for your trip.

## COOL, TEMPERATE, HOT...?

**What type of weather conditions can you expect during your getaway with Princess?**

Check the handy guide at [princess.com](http://princess.com). Click the link to "Prepare For Your Cruise," and scroll down to "Cruise Answer Place — What to Bring?" A convenient chart of "high-low temperatures" by destination will help you figure out just the right items to pack. Of course, it's always a good idea to bring layers of clothing — perfect for any unexpected change in temperature. It's usually helpful to take along sunglasses and sunscreen for walking on deck, as well as a swimsuit for dipping into our onboard pools — no matter whether you're going to a warm or cool climate. For destinations noted for their precipitation, it's important to include an umbrella or extra windbreaker.

## BOUTIQUES ONBOARD

Treasures await your browsing eye in the Boutiques Onboard. So be sure to leave plenty of room in your luggage for purchases you make in our duty-free shipboard boutiques. Princess offers a 5-year guarantee for merchandise.

## SHOPPING ASHORE

If you want to shop on shore, check the port maps for a list of suggested stores. Any bargainer worth his or her salt will love this on shore luxury. There's a shopper's guarantee for registered purchases at recommended stores.

## HOW DO I RESERVE SHORE TOURS?

You'll enjoy a choice of guided tours in every port of call, each highlighting great places to sightsee, shop and experience local culture. For your convenience, tours may be reserved 120 days in advance on a first-come, first-served basis, or they can be purchased onboard based on availability. You can reserve your tours online by going to [princess.com](http://princess.com) and selecting the Cruise Personalizer.® Please note that space is limited on some tours. Tour descriptions are available online and in the Adventures Ashore® brochure, which is provided to you in your Pre-Cruise Information Packet prior to your cruise departure. Onboard, the ship's shore excursion staff can also answer any other questions you may have and help you with additional arrangements. Shore Excursions are operated by local, independent companies, not by Princess, and Princess gets a commission on all tours sold.

## WHAT TO BRING

**What should I wear on the ship?** You should dress for cruising the same way you would for any stylish land-based resort. Casual sportswear, including shorts, lightweight pants, and jogging suits are the order of the day both at sea and on shore in hotter climates. Just remember to bring a sweater or jacket for cool evenings.

For evening dining, there are two designations for dress codes in our dining rooms: Smart Casual and Formal. When evening dress is Smart Casual, passengers dress as they would for a fine restaurant at home. Appropriate attire includes skirts/dresses, slacks, and sweaters or blouses for ladies and pants and open-neck shirts for men. In the dining room, items such as cutoff T-shirts and halter tops are not permitted, and shoes must be worn at all times. On formal nights, appropriate attire includes evening gowns and cocktail dresses for ladies, and tuxedos, slacks with dinner jackets, or suits for men. Princess offers formal wear rental on all itineraries and this can be arranged prior to your cruise.

For shore excursions, you'll want to bring a sweater, a light jacket, or an all-weather coat, depending on your destination. Due to unpredictable weather, don't forget a hat or visor and a collapsible umbrella. Please be sure to wear proper clothing for visits to religious sites. You'll also want low-heeled, rubber-soled shoes for strolling on deck, as well as comfortable walking shoes or sandals to wear while exploring ashore.

LENGTH OF CRUISE	# OF FORMAL EVENINGS	# OF SMART CASUAL EVENINGS
2-6 Days	1	1-5
7-13 Days	2	5-11
14-20 Days	3	11-17
21-28 Days	4	17-24
29 Upwards	5 minimum	24+

Note: Dress code is subject to change with the ship's itinerary. The above is a general guide. The dress code suggested in the *Princess Patter* may vary from time to time.

**What documents do I bring?** You'll need your cruise Boarding Pass or Travel Summary, and airline tickets or airline eTicket receipt. In addition, you should bring with you a copy of the Cruise Passage Contract. All passengers, including children, must travel with a passport, valid for at least six months from the end of the cruise. You must also present vaccination certificates and other health documents if required for your particular ports of call. If you

don't have the proper documentation, you will be prevented from boarding the flight or vessel without refund of the cruise fare and/or airfare, and you will be subject to any fine or other costs incurred by Princess. Please consult your travel agent for full details regarding documentation, as it is your obligation to determine what documents will be necessary. Remember your medical insurance ID card and travel insurance information as well. If you are traveling with children, please refer to the "Children" section under General Information for additional document requirements.

**What about hair dryers, electric razors and laundry?** For your convenience, Princess provides hair dryers in every stateroom and laundromats for self-service washing and ironing. All ships feature outlets for electric razors, and for a fee, laundry services are also available.

## TAKING CARE OF BUSINESS

**What does the price include?** Your comprehensive cruise fare includes onboard accommodations, ocean transportation, meals, some nonalcoholic beverages and most entertainment. Excluded are meals at some alternative dining venues, meals on hosted land tours unless noted otherwise, transfers and items of a personal nature such as, but not limited to, spa services, shore excursions, beverages and some snacks, photographs, gratuities, discretionary hotel and dining charges and medical services.

**Do I need cash on my vacation?** Yet another convenience of cruising with Princess is being able to sign for all of your shipboard expenses, excluding stamps. Casino chips, slot tokens and bingo cards can also be obtained on a casino room charge (for a nominal fee). You'll receive an itemized list of all charges the night before disembarkation and you can wait until the day of disembarkation to settle your account.

We accept Visa, MasterCard, Discover Card, Diners Club, Carte Blanche and American Express/Optima. U.S. currency, Canadian currency, British currency, Euro currency, personal checks for limited amounts, and traveler's checks are also accepted. Those paying by traveler's checks or cash will be required to leave a \$300 USD per person cash deposit with the Purser's staff at the beginning of the cruise. Cruisetour passengers will find that traveler's checks and major credit cards are widely accepted in most ports of call.

**When will I receive my documents?** Only Princess eTickets offers you the freedom and flexibility to access your booking details any time you want. Upon confirmation of your booking, you can use the Cruise Personalizer at [princess.com](http://princess.com) to view your reservation, add or update your required Pre-Cruise Immigration Form (PIF) information, download required forms, and view and print a Boarding Pass and Travel Summary. At approximately 120 days prior to the voyage departure date, via the Cruise Personalizer, you will have access to view and reserve the shore excursions offered and book Lotus Spa® appointments available on your voyage.

To further help you plan for your vacation, upon full payment, Princess will send a Pre-Cruise Information Packet approximately 75 days prior to departure. This Princess-exclusive packet includes a letter detailing how you can prepare for your cruise, a Cruise Answer Book, Adventures Ashore brochure, Passage Contract and luggage tags. Simply follow the Pre-Cruise Checklist in the Cruise Answer Book, access the Cruise Personalizer,® enter the mandatory immigration information, and you will be able to print your Boarding Pass. Cruise tickets are no longer issued by Princess. Also at this time you will be able to view air details if purchased through Princess. Any additional documents such as airline eTicket receipts or paper air tickets, etc., may be sent via fax, mail or email to your travel agent approximately 14 days prior to departure. If you do not have Internet access, your travel agent may assist you in securing the necessary information or call 1-800-PRINCESS (800-774-6237) for assistance.

**Do you provide Express Check-Out?** Like the finest hotels, Princess offers a quick and easy check-out service onboard. Just bring your credit card or personal check and identification to the Reception Desk as early as possible during your cruise.

**What is the discretionary Hotel and Dining charge?** During your cruise, you will meet many members of our staff in a variety of locations as they provide you with impeccable service. Additionally, many more crew behind the scenes support those who serve you directly. To save you the worry of who to tip and how much, Princess makes it easier for you to reward excellent service by automatically adding a discretionary Hotel and Dining charge of \$11 USD for suites and mini-suites, and \$10.50 USD for all other staterooms per passenger per day (including children) to your shipboard account on a daily basis. The Hotel and Dining charge

will be shared amongst those staff who help provide and support your cruise experience, including the waitstaff, stateroom stewards and housekeeping staff, buffet stewards, food production staff, galley staff and others. (Casino dealers and Lotus Spa personnel do not share in the Hotel and Dining charge as not all passengers utilize these services).

**What is the Bar and Wine charge?** A 15% charge is automatically added to your bar charges and dining room wine account. This is shared amongst the beverage staff and their support staff, including cleaners and utility staff.

**Do you offer travel insurance?** We strongly recommend the purchase of Princess Travel Care<sup>SM</sup> travel protection, which covers up to the full value of your trip in case you need to cancel or interrupt your trip. There will be no refund of cancellation or interruption fees by Princess. You must recover such fees from Princess Travel Care or other travel protection. For a full description of this program, please refer to the Travel Care section of this brochure. Additionally, you will want to reference the Princess Travel Care information pamphlet for a full listing of the coverage provided. Please contact your travel agent for current rates.

**How do I make arrangements for dining room seating and special diets?** Seating arrangements in the dining room are made by request on a first-come, first-served basis. To request Anytime Dining<sup>SM</sup> Traditional first or second seating, special diets, or seating with a specific party, it is best to have your travel agent request your arrangements at the time of booking. Your dining arrangements will be shown on your cruise ticket.

**What about clearing customs?** At the end of your cruise, customs and immigration inspectors will review your customs declaration form, on which you are to list all of the dutiable articles bought in foreign ports or in the ship's boutique. U.S. residents returning to the United States are allowed a duty-free exemption of \$800 USD per person, which includes the cost of one liter of alcoholic beverages, if purchased ashore, for each passenger over 21 years of age. Canadian citizens, when out of the country for more than eight days, may bring back up to \$750 CAD duty-free. It is recommended that passengers keep their sales receipts handy for declaring their purchases. Food items should not be landed in U.S. ports.

#### EXTRA SERVICES

**What about celebrations at sea?** When you cruise with Princess, every day is a celebration. But if you're planning to travel during an anniversary, birthday, honeymoon or other

specific event, you can rely on us to pull out all the stops. Simply have your travel agent advise us of such occasions at least three weeks prior to departure, and we'll be happy to spotlight your event in the dining room or with special packages (some charges may apply).

**Do you have a Youth and Teen Program?** Youth and teens are welcome on all Princess ships, but facilities vary. Our fully supervised Youth and Teen Centers are available for children and teens ages 3-17 onboard Caribbean, Coral, Crown, Dawn, Diamond, Emerald, Golden, Grand, Island, Sun, Sapphire and Star Princess, and they offer everything from arts & crafts and talent shows, to video games and dance parties. Sea Princess has a Youth Center and runs programs with counselors for kids and teens ages 3-17, but has no dedicated Teen Center. Youth and Teen Programs are available on Pacific, Tahitian and Royal Princess when at least 20 passengers ages 3-17 are sailing.

Children with special needs are welcome in the Youth & Teen Centers.

Youth staff are not able to provide one-on-one supervision and cannot administer medication, change diapers, bottle feed or provide meal service (except on port days when supervised lunch is offered). Youth and teen facilities will operate every day.

**Are there babysitters onboard?** Although private babysitting is not available on any ship, group kidsitting is available for children ages 3-12 between the hours of 10 p.m.-1 a.m. in the Youth Center. The charge is \$5 USD per hour, per child. Complimentary supervised activities are available in port from 8 a.m.-5 p.m. for youth passengers ages 3-17. Due to limited facilities, group kidsitting is not available on Pacific, Tahitian and Royal Princess.

**What age groups are serviced by the Youth and Teen Program?** The program generally is as follows: Princess Pelicans activities are for children ages 3-7; Shockwaves activities are for youths ages 8-12; Remix activities are for teens ages 13-17. Children under the age of 3 are welcome to visit the Youth Center if supervised by a parent at all times. Parents should be advised that each program features specialized age-specific programming and registered youth passengers can only participate in the program designated for their age.

**How can I be reached at sea?** To provide greater peace of mind while you're away from home, give friends and relatives the following information on how to telephone you. Call 1-900-329-SHIP from the United States or 1-900-565-2800 from Canada. Note that 900-number telephone services are not available

from all areas, and may not be accessible on your home phone. For calls originating outside the United States or Canada, please visit [princess.com/answer/ready.html](http://princess.com/answer/ready.html) for dialing instructions. Calls can also be charged to a credit card in both the United States and Canada by dialing 1-877-656-7447. Visa, MasterCard, American Express and Discover Card (not Canadian) are all accepted. The cost for each call is \$8.95 USD per minute or \$11.95 CAD per minute. The 900 service can be used to call or fax the ship. Please include passenger name and cabin number to ensure quick delivery.

#### SAFETY FIRST

Many of our Captains and officers come from long, seagoing family traditions, tracing generations of sailors up to 200 years back in their family history. The frequent drills that occur during each cruise are just one indication of our ongoing commitment to your safety. Every member of our staff is thoroughly trained and each ship is fully equipped to handle any emergency. And we're the first cruise line in the world to have installed voyage event recorders, or "black boxes," on the bridges throughout our fleet, and the first cruise line with sprinklers and fire detection systems on all balconies. We're the only cruise line ever to have received the coveted International James E. McGuire Safety Award. As you can see, the safety and security of our passengers and crew are the first priorities of all officers on a Princess ship. Nothing comes before that.

#### PROTECTING THE OCEANS AND YOUR HEALTH

Princess knows how important environmental and health concerns are to all of our passengers. During the past five years, we have invested millions of dollars in waste management technology and education. In recognition of our efforts, Princess was honored by the U.S. Coast Guard with the William M. Benker Environmental Award. We also received the Pacific Asia Travel Association's Green Leaf Gold Award and the British Airways Tourism for Tomorrow Award for our work in protecting the environment.

We are moving forward with our unique and innovative sanitation and health programs. Through extensive public health training for members of the shipboard crew and regular sanitation inspections, we continue to ensure compliance with the strictest standards set by the U.S. Public Health Service inspectorate.

#### PRINCESS' MEDICAL STANDARDS

**Medical Staff.** Maritime medicine is a very specialized practice. The United Kingdom is a country well-known for its maritime medicine tradition, and all shipboard medical staff, both doctors and nurses, are full-time shipboard practitioners licensed in the United Kingdom.

Medical staff are not retained on a short-term or a "services in exchange for passage" basis. In addition to a medical degree, all shipboard doctors have at least three years of postgraduate medical training, including experience in primary care, minor surgery, emergency medical care and cardiac care, and they are all certified in Advanced Life Support. At least one doctor on every ship is also certified in Advanced Trauma Life Support. Additionally, all doctors and nurses are obliged to participate in continuing medical education each year.

The shipboard medical staff is fluent in English, on call 24 hours a day and easily reached through the ship's 911 emergency number. The number of medical staff ranges from two doctors and five nurses to one doctor and two nurses, depending on the size of the ship.

**Medical Centers.** When illness strikes or an emergency arises, your shipboard medical staff has the resources of our well-equipped shipboard medical centers at their disposal. Our medical centers are stocked with X-ray machines, computerized EKG machines, portable oxygen cylinders, cardiac monitors, oxygen saturation monitors, volumetric infusion pumps, cardiac defibrillators and external pacemakers, and our pharmacies are equipped with medications approved by the U.K. Committee on Safety of Medicines.

#### PRINCESS ACCESS<sup>SM</sup>

A cruise escape with Princess is for everyone. We've put a great deal of thought into making our ships comfortable for all our guests, and we are proud to offer a variety of accessible staterooms and have made most public areas accessible as well. Many of our elevators have Braille call buttons and audible arrival announcements. And we welcome service animals. For details, contact Princess at 1-800-PRINCESS (800-774-6237).

Passengers can also request an "All-in-One Kit" that includes telephone amplifier, visual smoke detector, door knocker sensor, text telephone, and other aids for guests with hearing loss. We are happy to work closely with our passengers to provide an accessible cruise experience. Please see the ship deck plans of this brochure for the locations of wheelchair-accessible staterooms. Accessibility on land tours will vary by destination, so please call us at 1-800-PRINCESS for more detailed information.

**Fares, Other Changes and Schedules Subject to Change.** Every effort will be made to adhere to the specifics shown herein and in the itinerary; however, circumstances may necessitate alterations. All fares for cruises and cruisetours and/or air/sea packages or other charges as well as schedules, port calls, hours of arrival and departure and special programs are subject to change without prior notice. Princess shall not be required to refund any portion of fares or other charges nor make any other compensation under these circumstances. Accordingly, Princess is not responsible for the change or cancellation of any personally scheduled event because of alterations to the itinerary of any cruise or land tour. Any cruise may be cancelled by Princess. Rates are published herein and no verbal quote to the contrary will be honored.

Princess reserves the right to collect any fare increase in effect at the time of sailing, even if the fare has already been paid in full.

**Baggage Handling.** Princess makes every effort to assist its passengers in safeguarding their belongings and valuables, but all passengers' belongings are at owner's risk at all times. Hand or unlocked baggage, breakables, medicines, travel documents and valuables must be hand-carried by the passenger at all times. Princess is not responsible for money, jewelry, cameras, binoculars, documents or any other articles which you retain in your personal control or stateroom. To protect your valuables, you may use the safety deposit box in your stateroom. For flights within land tours to and from the ship, weight restrictions on baggage apply.

**Stateroom Occupancy.** Occupancy of any stateroom(s) is limited to the number of berths in that stateroom. Princess reserves the right to limit the number of upper berths and single staterooms sold.

**Important Notice Concerning Safety.** Princess visits a large number of ports in numerous countries around the world. At any given moment there are likely to be "trouble spots" in the world in terms of crime and/or war or terrorist actions. While Princess endeavors to provide reasonable protection for your comfort and safety onboard its ships, Princess cannot guarantee freedom from all risks associated with war, terrorism, crime or other potential sources of harm. The U.S. Department of State and other similar government agencies regularly issue advisories and warnings to travelers giving details of local conditions in specified cities and countries according to such agency's perception of risks to travelers. We strongly recommend that passengers and their travel agents obtain and consider such information when making travel decisions. Princess reserves the right to make any changes to any itinerary at any time.

**Travel Agents.** Your travel agent acts for you in making the arrangements, including your deposits and payments, for your trip/cruise. Travel agencies are not owned or operated by Princess. We invite you to visit your favorite travel agent to make your Princess reservations or call 1-800-PRINCESS.

**Travel and Health Documents.** Passport and visa requirements and regulations with regard to vaccination certificates and other health requirements for the various embarkation ports may vary by destination and change from time to time. It is the sole responsibility of the passenger to obtain and have available when necessary the appropriate valid travel and health documents such as passports, visas, vaccination certificates, etc., that are necessary for air travel, disembarkation at the various ports of call and re-entry into the appropriate country of origin. Passengers who do not possess the proper documentation will be prevented from boarding the flight or vessel without refund of the cruise or cruisetour fare and will be subject to any fine or other costs incurred by Princess which result from the lack of proper documentation. Passengers should consult their travel agent for full details regarding required documentation. If traveling with minors, please see requirements under Children section.

**Health, Disability and Wheelchair Notice.** Passengers must notify Princess in writing (Attention: Customer Service) at the time of booking of any physical or mental illness, disability or other condition for which special accommodation or the use of a wheelchair, power wheelchair or scooter is contemplated or necessary, or which may require medical treatment or render the passenger unfit to travel or which may constitute a risk or danger to the passenger or anyone else onboard the ship. We recommend passengers using a wheelchair travel with someone who is able to assist them both ashore and at sea. Some ports of call require tenders to go ashore and may preclude passengers using a wheelchair from leaving the vessel; this decision must be made by the ship's Captain and is binding. Passengers must bring wheelchairs for their own use on land portion of cruisetours and Cruise Plus. A limited number of manual wheelchairs can be reserved for use during your cruise. If you have purchased Princess FlightChoice Air and have any special in-flight requirements like a wheelchair or oxygen, this request must be made directly by you with the air carrier. Not all airlines allow the use of oxygen in-flight.

**Refusal of Passage and Premature Disembarkation.** Passage may be refused to any passenger, and any passenger's vacation may be terminated at any time, at the risk and expense of the person disembarked, where the passenger's behavior, or physical or mental condition renders him or her, in the opinion of the ship's physician, unfit for travel or a risk or danger to himself or herself or to anyone else onboard the ship.

Additionally, the ship's Captain may refuse transportation to any passenger or may terminate any passenger's voyage who, in the sole discretion of the ship's Captain, is believed to be dangerous to himself or others or whose presence onboard causes or may cause disturbances to Princess' passengers or crew, including those passengers engaging in excessive, disruptive, or obscene behavior. Such passenger may be left at any port or place the ship calls without any liability to Princess. Princess shall not be required to refund any portion of the fare paid by any passenger who must leave the vacation prematurely for any of the reasons set forth above or who voluntarily disembarks or leaves the ship for any other reason, nor shall it be responsible for lodging, medical, meals, return transportation or other expenses incurred by the passenger. Princess reserves the right to refuse to do business with any person.

**Medical Facilities and Staff.** Princess is not a healthcare provider and is not liable for any act or omission of doctors, nurses or other providers of service or those under their orders with respect to the treatment, advice, care or services of any kind given by such persons to any passenger. These medical providers exercise their own medical judgment and expertise.

**Pregnancy.** Princess cannot accept passengers who will have entered the 24th week of pregnancy by the end of the vacation.

**Children/Age Requirements.** Children under six months are not permitted to travel to Alaska, Australia, New Zealand, Canada & New England, Caribbean & Mexican Riviera, Europe and Panama Canal. Children under twelve months are not permitted to travel to Africa, Asia, Antarctica, Indian Subcontinent, South Pacific, Tahiti, Hawaii, South America and on Transatlantic and Transpacific sailings. Princess reserves the right to restrict the number of those between the ages of six months and 17 years aboard the vessel. Effective for all bookings made on or after August 1, 2007, all passengers under the age of 21 years must be accompanied by a passenger who is 21 years or older. For family groups booking multiple staterooms, children may still sail in a cabin without their parents or guardians, provided one child in the stateroom is a minimum of 16 years of age or older. Please note that notarized written consent for passengers under the age of 18 is no longer required by Princess. However, several countries require special documentation for children traveling without both parents; these requirements are subject to change without notice. It is your responsibility to ensure that you possess the proper documents for all of the countries that you will visit. Please verify requirements with the immigration offices prior to your cruise. Minimum age for cruisetours is 6-12 months, depending upon destination and tour (5 years for escorted tours in Alaska). Passengers under the age of 18 are not permitted in the disco/nightclub after 11 p.m. Be sure to check with the Youth and Teen Centers for special disco events designed for kids and teens.

**Pets.** We are unable to accommodate any animals onboard the vessel, except for certain service animals of passengers with disabilities.

**Shore Excursions and Land Tours.** These tours are operated by local independent companies. In selling tickets for these optional programs, Princess acts only for other independent companies who provide such programs as independent contractors and from whom Princess gets a commission. Princess shall not be liable for any loss, damage, injury, illness or death arising from or occurring during a shore excursion or tour whether or not such shore excursion or tour was purchased through Princess.

**Land and Air Arrangements.** Princess shall not be liable for any loss, damage, injury, illness, death, cost or delay arising from or in connection with the services and facilities provided by or any act of an independent contractor such as airline, hotel, tour, restaurant, rail or any other transport operator, etc., whether or not such arrangements were made by Princess.

**Cruise Plus® Programs.** Prices have been based on exchange rates at time of printing and are subject to change without notice. Princess reserves the right to substitute hotels of similar type and other features of the tour or hotel package. Bookings made for Cruise Plus hotel packages and tours after tickets have been issued may result in a higher cost due to changes in air reservations. All waitlists for Cruise Plus packages will be closed 60 days prior to departure and no new waitlists will be accepted. Due to flight arrival times, rooms may not be available upon arrival. Hotel check-in times vary, but are generally between 3 p.m. and 5 p.m. unless otherwise stated. Check-out times vary between 10 a.m. and noon. All room assignments are determined by and are the responsibility of the hotel. Hotel loyalty programs are at the discretion of the individual hotel properties. Cruise Plus passengers will forfeit all complimentary hotel overnights which coincide with the Cruise Plus package.

**Claims for Injury, Illness or Death/Notice Requirements/Time Limits.** Any incident or accident resulting in injury, illness or death to the passenger, whether occurring onboard ship, in connection with pre- or post-cruise accommodations, or during a shore excursion (independent or purchased through Princess), must be reported immediately to a ship's officer or Princess. Carrier shall not be liable for and no suit shall be maintainable for emotional or

bodily injury, illness or death to the passenger unless (A) a written claim with full particulars is presented to carrier within six (6) months of the incident or accident and (B) a lawsuit on such claim is commenced within one (1) year from the date of the emotional or bodily injury, illness or death, whichever comes first, and valid service of the lawsuit is made within ninety (90) days of the suit. In all other cases, no lawsuit may be brought against carrier unless (A) written notice giving full particulars of the claim is delivered to carrier within fifteen (15) days of the actual or scheduled termination of the cruise, whichever comes first, and (B) a lawsuit on such claim is filed within six (6) months from the date of the actual or scheduled termination of the cruise or the cruise cancellation, whichever comes first, and valid service of the lawsuit is made within ninety (90) days of the suit. In certain situations, arbitration will be required. If you choose to sue Princess Cruise Lines, Ltd., all disputes and matters whatsoever against Princess arising out of or relating in any way to your cruise or the booking/cancellation of your cruise shall be litigated by you, if at all, in Los Angeles, California.

**Smoking, Drinking and Gaming.** Smoking is allowed in passenger staterooms, balconies and most public rooms, but the show lounges and dining rooms and all food service areas onboard all Princess ships are non-smoking. Passengers must be 21 years of age or older to purchase or drink alcohol or gamble onboard all Princess ships at all times. Passengers under 21 years of age are not permitted to purchase or consume alcohol or gamble onboard a Princess vessel. Duty-free alcohol is available for purchase in our gift shops onboard and will be delivered to your stateroom on the last day of your cruise. Alcohol purchased at any port of call may not be consumed onboard. It will be collected at the gangway for safe-keeping and delivered to your stateroom on the last day of your cruise, prior to disembarkation. You may bring one bottle of wine and/or champagne onboard to celebrate a special occasion. Wine and/or champagne brought onboard and consumed in the dining rooms or alternative restaurants will be subject to a \$15 USD per bottle corkage fee.

**FlightChoice Program and Passenger Transfer Gateway Cities.** The availability of the air travel program may be limited from each gateway. Princess reserves the right to withdraw any gateway city without prior notice. Within 21 days of departure, the air travel program is on a request basis and may be unavailable.

**Ticketing.** If you have purchased Princess FlightChoice or FlightChoice Plus air, you will receive an air receipt, by fax or email with your electronic air ticket details. This fax or email is sent beginning 45 days prior to departure. Depending on your itinerary, paper air tickets may be required and will be sent under a separate mailing. These tickets must be presented to the airline for travel. Princess reserves the right to choose the air carrier, routing and airport for each gateway city. Princess may use a charter air service. Airfares used are capacity-controlled, promotional, may be nonrefundable and are subject to change. Princess may issue paper or electronic airline tickets. Airline tickets issued by Princess are highly restrictive and subject to cancellation and change fees. Because of this, you may find that your air ticket cannot be reissued, revalidated, or exchanged for another carrier or routing. All airline tickets are the property of Princess and must be returned to and are refundable only to Princess. Flight schedules may require the use of overnight flights or connections en route to your final destination or cruise departure. A fee may apply if you change or cancel your air arrangements prior to air tickets being used. Any additional costs, including fees for cancellations/rebookings will be made at the passenger's expense. An additional \$75 per person for domestic and \$125 for international flights reissue fee will be charged for changes made beginning 75 days prior to sailing. Passengers booked in the same cabin but who originate from different gateway cities may not receive routing on the same flights. Passengers traveling together, but booked or deposited at different times, may be required to travel on different flights. Passengers traveling in groups may be required to travel on different flights.

**Air Departure Taxes.** Some countries require passengers to pay an airport departure tax which is not included on the passenger air ticket. The individual passengers are responsible for this tax. In most cases, this tax is collected at the airport upon check-in and may have to be paid in local currency. We recommend your travel agent verify any applicable tax for which the passenger may be responsible.

**Air Charges.** Air charges include all air fees and taxes that are included in the air add-on price and specifically include U.S. Excise Tax and certain Passenger Fuel Surcharges. Air charges vary by gateway city and routing and are averaged for each gateway city.

**Air Fees, Taxes and Surcharges.** Air fees, taxes and surcharges may include any and all fees, charges and taxes related to air transportation imposed by U.S. and/or foreign governmental or quasi-governmental authorities, including airport facility charges, departure taxes, security taxes and surcharges, airport service charges and government inspection fees. Air fees, taxes and surcharges vary by gateway city, routing, destination and carrier. Air fees, taxes and surcharges are estimated for each FlightChoice gateway city. Actual air fees and taxes may be higher or lower. Refunds will not be made if actual air fees and taxes are lower than estimated. Princess reserves the right to collect any increases in air fees and taxes in effect at the time of sailing, even if the fare has already been paid in full.

**Air Customizations.** Subject to availability, Princess will fly passengers directly to or from their cruise destination as requested by the passenger. A nonrefundable cost of \$75 per person will apply per customization request in addition to any fare differential. Requests for bookings under deposit must be made between 320 and 14 days prior to departure. Where applicable, passengers confirmed to travel on date other than those normally scheduled by Princess will forfeit all complimentary hotel overnights and transfers between the airport and pier as provided by Princess. All customizations are subject to availability and confirmation. In the event of airline schedule change, it may be necessary to rebook custom air flights. Additional charges may apply. Passengers who have a special travel need or requirement for early air ticketing may request this service by calling Princess Cruises reservations and asking for FlightChoice Plus. Provided the required flights are confirmed and the booking is paid in full, Princess can issue early air tickets. The fee for each request is \$50 for voyages within North America and \$75 for international voyages. Additional changes to the air reservations after ticketing may result in additional air fees or charges. Once ticketed, a confirmation will be faxed or emailed.

**Airline In-Flight Service Requests.** Airline seat assignments cannot be confirmed by Princess. We recommend that you have your travel agent contact the airlines directly for seat assignments, the addition of frequent flyer numbers to your airline record, or to request special meals. Please be advised that not all airlines provide pre-reserved seats, add frequent flyer numbers to records or apply frequent flyer bonus upgrades to flights booked by Princess. If you have specific air travel requirements, please take advantage of our FlightChoice Plus program. See the Princess FlightChoice section for details. Requests for wheelchair assistance or other special needs, such as oxygen in-flight can only be made by you directly with the air carrier and are the responsibility of the traveler. Not all airlines allow the use of oxygen in-flight.

**Overnights.** For some cruise itineraries it may be necessary, due to flight schedules and/or availability of seats, for passengers to overnight either before or after their cruise. If it is necessary to overnight, hotel accommodations, baggage handling and transfers are at passengers' expense. Passengers will also be responsible for all meals and other items of a personal nature. Passengers may purchase a hotel accommodation/transfer package directly from Princess or they may choose to make their own arrangements. In select markets, Princess may assign complimentary overnight stays. Hotel selection will usually be at an airport location and may not be at the port of

embarkation/disembarkation. You will be advised as soon as possible if an overnight is required.

**Flight Reconfirmation.** Most airlines do not require reconfirmation of flights; however, it is strongly recommended that you verify both flight departure times and flight numbers at least 72 hours prior to your departure from home. Princess is not responsible for airline schedule or flight number changes after tickets have been issued.

**Refunds.** All airline tickets issued in conjunction with Princess' air travel program are refundable only to Princess. Any unused flight coupons must be returned to Princess (Attention: Airline Reporting Department). Princess will determine the amount of any refund due. If an air ticket is lost, the passenger is responsible for the cost of replacement.

**Princess' Transfer Program.** Cruise and cruisetour passengers may purchase transfers from the port city airport to the ship and from the ship to the port city airport. These transfers are priced separately and are available on the turnaround day only. They are available to both FlightChoice passengers and to those passengers who have made independent flight arrangements. FlightChoice passengers will automatically have transfers included in their bookings. Passengers who have made independent flight arrangements must provide Princess with this information at least 45 days in advance of the departure day. As of August 12, 2007, passengers who have made independent flight arrangements must provide Princess with their flight information prior to purchasing transfers. Unused transfers are not refundable. Transfers within the land portion of cruisetours and for Cruise Plus passengers are included. Transfers at both ends of a cruisetour will be charged separately. Note: It is your responsibility to know the local regulations regarding child safety seats or other child restraint systems as well as to provide the appropriate safety device. Failure to do so may result in denied boarding on to the transfer vehicle.

**Accuracy of Contents.** The contents of this brochure are accurate as of the date of printing. Princess reserves the right to change any and all policies or practices described herein. Please refer to the website ([princess.com](http://princess.com)) for up-to-date information. The Passage Contract will at all times govern the rights and responsibilities of Princess and all passengers or cruise purchasers.
