

While we continue to work diligently in preparing Sapphire Princess to set sail, there have been some delays that are affecting her timeframe for resuming guest operations. Therefore, we have made the difficult decision to cancel our summer Sapphire Princess cruises operating roundtrip from Los Angeles.

In total, 11 seven- to 16-day cruises departing from June 25 to September 17, 2022, will be impacted (see cruise list below). Sapphire Princess' return to service date is now scheduled for September 24, 2022.

Guests who rebook on any 2022 cruise will receive an onboard credit as follows:

Stateroom Type	Onboard Credit Per Person (guest 1 & 2 only)
Interior or Oceanview	\$100
Balcony	\$200
Mini-Suite or Suite	\$300

New booking must be made by May 31, 2022 and sail by December 31, 2022 to receive the onboard credit. Guests will be refunded all monies paid on their cancelled cruise to the original method of payment.

If any part of a cruise was booked through a Tour Operator or similar third party, guests must contact them for more information as other booking and cancellation conditions and policies may apply. Most airlines and other travel-related services such as hotels, transportation, and tours are allowing refunds or waiving change fees due to COVID-19; guests should work directly with those operators regarding their charges.

We take great pride in providing exceptional vacations for our guests and know this is disappointing news. We look forward to welcoming our guests on board Sapphire Princess when she resumes service in September and sincerely apologize to those guests impacted by these changes.

Please see next page for list of cancelled cruises.
