

ALASKA

#1 in Alaska¹. #1 in wonder.

Sail with Princess® in 2028 and discover why more travelers choose us to experience Alaska's breathtaking landscapes.

For nearly 60 years, Princess has been bringing guests closer to the wonders of Alaska, from towering glaciers and breathtaking landscapes to charming frontier towns and incredible wildlife. With iconic Voyage of the Glaciers sailings, scenic Inside Passage cruises, and immersive cruisetours, Princess offers unmatched ways to experience the Great Land.

From Glacier Bay National Park to Denali, Alaska is filled with unforgettable moments. Whether spotting whales and bald eagles, exploring historic ports, or venturing deeper into the wilderness by rail and land, an Alaska vacation with Princess delivers the beauty, adventure, and awe this bucket-list destination is known for.

Jaw-dropping moments

Alaska's wild beauty leaps beyond the postcard, and with Princess, you'll have a front-row seat. Watch bald eagles soar overhead, whales breach in icy waters, and bears gather along salmon-rich streams. Journey into Denali National Park to spot Alaska's iconic wildlife, including grizzlies, moose, caribou, wolves, and Dall sheep, all beneath North America's tallest peak. From towering glaciers and dramatic fjords to unforgettable rail journeys through rugged wilderness, every day brings a new perspective on the Great Land.

Alaska Brought to Life

Discover Alaska through the people, stories, and experiences that make the destination memorable. From expert naturalists and local speakers to destination-inspired dining and enriching presentations on board and ashore, Princess connects you more deeply to Alaska's wildlife, culture, landscapes, and history at every stage of your journey.

Historic Ports & Frontier Towns

Each Alaska port offers its own unique character and distinct experiences. In Juneau, glacier views meet Gold Rush history, with Mendenhall Glacier just beyond town. Step back in time in Skagway, where historic railways and frontier legends bring the past to life. In Ketchikan, Native heritage, vibrant waterfronts, and abundant wildlife showcase the heart of coastal Alaska. Every stop reveals a different side of the Great Land.

Voyage of the Glaciers

Our signature 7-day Voyage of the Glaciers itinerary showcases Alaska at its most spectacular. Sail between Vancouver, B.C. and Anchorage (Whittier) while experiencing Glacier Bay National Park and either Hubbard Glacier or College Fjord, with all departures featuring two unforgettable glacier-viewing days. It's the ultimate way to witness the scale and beauty of Alaska's most iconic landscapes.

Roundtrip Sailings

Roundtrip Alaska cruises offer an effortless way to experience glaciers, wildlife, and charming coastal communities. Sail through the breathtaking Inside Passage, where forested shorelines, granite cliffs, and cascading waterfalls frame the journey. Along the way, visit beloved frontier ports and enjoy scenic cruising through Glacier Bay National Park or Endicott Arm & Dawes Glacier.

Go Deeper into the Heart of Alaska

For the ultimate Alaska adventure, extend your journey with a Princess cruisetour. Combining a 7-day Voyage of the Glaciers cruise with stays at our exclusive wilderness lodges, these immersive experiences take you beyond the coastline to Denali National Park and deep into Alaska's interior. Travel seamlessly by ship, rail, and land while exploring some of the destination's most breathtaking national parks and landscapes.
