Set sail for paradise

Turquoise waters await

Caribbean beaches are legendary, and with Princess you'll unwind on some of the best, like Magens Bay and Eagle Beach. Caribbean waters are begging to be enjoyed however you want: kayak through an aquamarine paradise, set sail on a catamaran or simply dive on in to these welcoming warm waters. Snorkel or scuba among a kaleidoscope of vibrant tropical fish, explore mysterious underwater caves, even uncover an ancient shipwreck. Every splash holds a new adventure.

Excursions to unlock Caribbean adventure

Set sail for unforgettable experiences across the Caribbean, where every island reveals a new adventure. Walk in the footsteps of Blackbeard in the Eastern Caribbean, explore untouched beauty in Aruba and Bonaire and dive into Cozumel's ancient Mayan ruins or Belize's vibrant coral reefs. Along the way, enjoy access to 14 UNESCO World Heritage Sites, including Brimstone Hill Fortress National Park (St. Kitts), the volcanoes and forests of Mount Pelée (Martinique) and Dominica's lush Morne Trois Pitons National Park.

Feel the heartbeat of the Caribbean

Step into the Caribbean from the moment you step onboard. Savor vibrant island flavors, sip tropical cocktails, and let the lively sounds of steel pan drums set the soundtrack to your adventure. With sun-kissed decks and the sparkling Caribbean Sea all around, every moment onboard brings the rhythm and warmth of the islands to life.

More time to explore

Uncover the magic of the Caribbean after dark with More Ashore late-night stays (departures at 9 p.m. or later). Savor a fresh-caught seafood dinner by the beach, browse lively street fairs filled with handmade treasures or soak in the rhythm of local nightlife. With extended evenings in the enchanting ABC Islands — Aruba, Bonaire and Curaçao — you'll have the perfect chance to revel in warm nights, embrace authentic island culture and return to the ship at your own pace.
