**Princess Cruises proudly partners with Wagner Family of Wine**

The Wagner's come from a long line of grape growers and winemakers in Napa Valley, with a farming tradition dating back to the 1850s. Chuck Wagner's parents, Lorna Belle Glos and Charlie Wagner Sr., were both born to families that helped shape Napa Valley's wine industry in the late 1800's and beyond. It's been over 50 years since the Wagner's founded Caymus Vineyards, and today they are proud to showcase a collection of wines that have a reputation for quality and consistency, produced from premier winegrowing regions of California and beyond.

*"I think I speak for my son and daughter when I say that we are driven by a desire to make something truly special, and we do our best to make the finest wines we can" – Chuck Wagner*

| Emmolo 'Plumerai' Sauvignon Blanc<br>Napa, CA | 166 |
|---|-----|

The story of Plumerai started with Charlie Wagner Sr. Certain grapes underwent a process called "brushing", where a small brush was used to drop some of the berries from each cluster at the beginning of the growing season, allowing the other grapes to hang loosely on the vine and gather plenty of sunlight. The name "Plumerai" comes from the French word meaning "to pluck", which aptly describes the brushing process. This wine is a rare gem.
