Emmolo ‘Plumerai’ Sauvignon Blanc	166
<i>Napa, CA</i>	
The story of Plumerai started with Charlie Wagner Sr. Certain grapes underwent a process called “brushing”, where a small brush was used to drop some of the berries from each cluster at the beginning of the growing season, allowing the other grapes to hang loosely on the vine and gather plenty of sunlight. The name “Plumerai” comes from the French word meaning “to pluck”, which aptly describes the brushing process. This wine is a rare gem.

<i>Napa Valley, CA</i>	
A wonderfully rich, earthy, dark and well-balanced wine.

A Grenache-Shiraz-Mourvedre blend with a small amount of Cabernet Sauvignon. The grapes are grown in the Barossa Valley and McLaren Vale, Australia. This produces a deep magenta wine with aromas and flavors of strawberry, vanilla, cream and mint.

Princess Cruises proudly partners with Wagner Family of Wine

The Wagner’s come from a long line of grape growers and winemakers in Napa Valley, with a farming tradition dating back to the 1850s. Chuck Wagner’s parents, Lorna Belle Glos and Charlie Wagner Sr., were both born to families that helped shape Napa Valley’s wine industry in the late 1800’s and beyond. It’s been over 50 years since the Wagner’s founded Caymus Vineyards, and today they are proud to showcase a collection of wines that have a reputation for quality and consistency, produced from premier winegrowing regions of California and beyond.

“I think I speak for my son and daughter when I say that we are driven by a desire to make something truly special, and we do our best to make the finest wines we can. For seven generations, our family has lived in and loved the Napa Valley. Working the land with our own hands has given us insights into grape growing and winemaking that cannot be found in any farm manual or book. We think of ourselves as farmers at heart, because that is what our family winery was founded on and it is what continues to help set us apart in both quality and innovation today.” – **Chuck Wagner**
