## Award-winning itineraries

These sailings offer something more. Late-night stays in top spots like Hong Kong and Bangkok. Convenient roundtrip cruises from Singapore, home of futuristic gardens and world-class cuisine. All aboard Princess' own Diamond Princess®, made for Asia with local cuisine and the Izumi Japanese Bath, largest of its kind at sea.

## Mother Nature's greatest hits

Lounge on the beaches of Ko Samui, and walk the jungles of Malaysia and Thailand. Get up close with nature at the Singapore Botanic Gardens and sail the UNESCO World Heritage Site Halong Bay in Vietnam. Or even follow in the footsteps of 007 on James Bond Island in Phuket. Princess takes you to the best the region (and Mother Nature) has to offer.

## The finest flavors and tastiest treats

Sample the street food of Hanoi and the hawker centers of Singapore. Shop the famous floating markets of Bangkok, Dong Khoi Street in Ho Chi Minh City or Temple Street Night Market in Hong Kong. Try your hand at a cooking class in Thailand or Vietnam. There's so much to feast upon here – and aboard Diamond Princess®.

## Culture soars

You could spend all your time taking in temples – Singapore's ornate Sri Mariamman Temple and Bangkok's Wat Phra Kaew Temple, home to the famed Emerald Buddha for starters – and still barely scratch the surface. But there's so much more to experience, whether it's navigating Bangkok by tuk-tuk or walking the ancient city of Ayutthaya.

## The Princess® difference

Easily book flights that coordinate with your cruise through Princess EZair®. Follow your passions in port on well-curated shore excursions. Stay connected with home through MedallionNet® Wi-Fi, the best at sea, and enjoy anywhere delivery and the personalized service of the MedallionClass® experience.
