# Alaska

We've been cruising here for over 50 years. Not only do we know Alaska, we LOVE it. So we give it our all. Port-packed itineraries. The best departures from Seattle. Top destinations, even ones that are hard to reach. Sail with us, and you'll love Alaska too.

📍 Star Princess, Alaska

# We love Alaska. So will you.

Glacier Bay National Park, Alaska

Our love affair is so strong that we're the #1 cruise line in Alaska. Explore everything from the majestic scenery of Glacier Bay National Park to our wilderness lodges at the doorstep of Denali and beyond. Choose from five departure ports, 7-20 night itineraries and eight ships including new Star Princess. Built for Alaska by the best in Alaska, you'll experience the same high-level hospitality, dining and entertainment, with extra-special details designed to surprise and delight.

## Authorised Concessioner

Princess Cruises is an authorised concessioner of Glacier Bay National Park. Princess is among the few cruise lines able to bring guests up close to this UNESCO World Heritage Site, as national park rangers climb aboard to share fascinating commentary and answer questions.

Savour local flavours and Alaska-themed cocktails and mocktails at the pop-up Crab Shack. Get to know local lumberjacks and a renowned dog musher. Inside the planetarium, discover ethereal experiences under the northern lights.

Cook My Catch, Alaska

## VOYAGE OF THE GLACIERS

Sail through the Inside Passage until you arrive in historic ports such as Ketchikan, Juneau and Skagway. Your heart will swell at the sight of tidewater glaciers in beautiful spots like Glacier Bay National Park, Hubbard Glacier or College Fjord.

# Panama Canal

Welcome to a modern world wonder. The Panama Canal's lock system is best experienced by a cruise ship, and Princess was the first passenger cruise line to transit the locks in 1967. Sail roundtrip from Fort Lauderdale or choose an ocean-to-ocean voyage between the Pacific and Atlantic oceans — transiting all three sets of locks and with excursions in the Caribbean and Central America.
