MORE ASHORE

Princess carefully crafts our itineraries to give you more opportunities to experience the color, culture and flavors of the region. With port calls that are either Late Night (9 pm or later) or an Overnight, you can see the sights during the day, and then, in the evening, experience the nightlife of select destinations. Look for the ports highlighted in red within the itineraries that indicate More Ashore calls.
IMMERSE YOURSELF IN THE CULTURE OF JAPAN

Experience the full color of Japanese culture — through its music, art, dance and cuisine. In port and on board, you’ll enjoy live traditional Japanese music, Rakugo comedic storytelling, illusionists and local regional activities. Authentic regional food includes fresh sushi, classic noodle preparations and traditional Japanese breakfast. Sample drinks including fine Japanese whiskeys, a variety of high-quality sakes and special cocktails.

**Festival Season:** Japan is known for its colorful traditional festivals, and many of our itineraries were planned to coincide with some of the most popular celebrations.

**Flavors of Japan:** Enjoy the exquisite tastes of Japan — attend a tea ceremony in Shimizu, visit a shochu brewery in Kagoshima, partake in an oyster lunch in Kushiro and much more.

**Traditional music and dance:** You’ll be treated to onboard performances of many of Japan’s traditional arts — including beautiful dance routines and Japanese classical music.

**Kyō-yuzen Silk Painting:** Dyeing was introduced to Japan in the 8th century and evolved with the cultural life of the people of Kyoto. This lovely tradition utilizes a variety of colors and yuzen dyeing techniques to dye kimonos in picturesque designs. While the craft continues to flourish in and around the Kyoto region, today’s craftsmen employ a yuzen design using paper patterns.

A proud partner of the Japanese Tourism Board.

JAPAN’S SAN FRANCISCO

Nagasaki is one of Japan’s most beautiful cities — often compared with San Francisco for its hilly locale and sparkling bay. The city’s most infamous memory, the World War II atomic bomb attack, is memorialized at the Nagasaki Peace Park and Atomic Bomb Museum. The city was also the setting for Puccini’s famous Madame Butterfly.

With an overnight in Hong Kong, you’ll have plenty of time to take in the sights, wander the street markets, sample the exotic local cuisine and marvel at the harbor of this spectacular place.

Once an independent kingdom, this island has seen a turbulent history — including being the site of one of the costliest battles of the latter part of World War II. Today, the island celebrates its past with attractions like the Ryukyu Mura, a recreation of a traditional ancient Okinawan village, and the Peace Memorial Park.

When the day is done, the fun is just beginning. From high-tech musicals to comedians, live music and more, every evening your Princess® ship comes alive.

Casino: Thrilling games of chance and a sophisticated atmosphere are the allure in the exciting casino, where you can try your hand at slots, blackjack, roulette and more.

Nightlife: Enjoy thrilling nightlife throughout the ship — live music including pianists in the bars and lounges, dancing in the nightclub, illusionists, top-rated comedians and more.

Bravo: Take in a celebration of light opera, musical theater and opera songs performed on stage in the Princess Theater with this original show. Talented musicians, vocalists and a surprise guest soloist serenade you through an evening of musical appreciation.

Movies Under the Stars: Find a comfortable spot — don’t forget the complimentary popcorn — for a feature film, sensational concert, sporting event and more, all on a giant screen poolside.

Activities and entertainment options vary by ship and are subject to change.

Upper berth and bed ladder capacities are 250 lbs. Staterooms that can accommodate rollaways have two lower berths and one upper berth, and the staterooms can accommodate a fourth berth as a rollaway bed upon request at time of reservation.
