northern europe

explore the cities

REYKJAVIK

The northernmost capital in the world, Reykjavik is your entry point to Iceland's natural wonders, which range from ice fields to thermal pools. The island is in a continual process of transformation much like its society, which blends Nordic tradition with sophisticated technology.

GEIRANGER

Geirangerfjord thrusts nine miles into Norway's mountains. Over 900 feet deep, the narrow fjord is lined by sheer cliffs that rear some 2,000 feet above its surface. Waterfalls plummet from cliff to fjord, and at the head of this magnificent spectacle sits the tiny village of Geiranger.

BELFAST

Stretching along both sides of the River Lagan, this graceful city of Victorian and Edwardian buildings is the birthplace of the *Titanic* and your gateway to the rich Northern Irish countryside of Counties Antrim and Down.

DUBLIN

A gracious and cosmopolitan city on the River Liffey, Dublin possesses a storied history that is remarkably well preserved, from St. Stephen's Green to the stone facades of Trinity College.

PARIS

From the port of Le Havre, you can visit charming Paris, widely beloved as the "City of Light," and the historic landing beaches of Normandy.

LONDON

In London, you can visit the Queen's official residence at Buckingham Palace, admire the extensive collection at the Victoria and Albert Museum and enjoy a pint at a friendly pub.

In far-off lands where Vikings and tsars once reigned, marvel at the natural splendors of Iceland and stand in awe of St. Petersburg's spectacular onion-domed churches. The British Isles and Northern Europe are steeped in lore, with signature storybook castles and sweeping landscapes. From delightful Dublin to the wonders of Paris, discover the region's palaces, pubs and historical treasures.

welcome
aboard

The logo consists of a stylized blue wave with a white silhouette of a person's head and shoulders inside it, suggesting a person enjoying the sea.

One of the most wonderful things about a Princess® cruise is that every day on board is a new horizon of possibility. And you've got nothing but time to enjoy all the ship's inviting and relaxing venues, fun-filled activities and engaging

enrichment options. Or to curl up by the pool with a book and do nothing at all. After the activities of the day are done, it's time for an evening of excitement. And what a night it is — with myriad options for making wonderful memories.

OCEAN MEDALLION™

In advance of your Medallion Class cruise, you'll be shipped your own complimentary personalized medallion, a quarter-sized disc that you carry throughout your cruise. You can customize your Medallion with a choice of colors, and it will also be laser-etched with your name, ship and sail date. Carry or wear it the way that best suits you — wristband, pendant, clip, keychain or just in your pocket. While it looks like an accessory, it's linked to Ocean Compass to create an effortless vacation and it allows us to anticipate all your needs ahead of time.

OCEAN COMPASS

Think of Ocean Compass as your personal concierge, a guide that you can access anywhere on your ship. Harnessing the power of your Ocean Medallion, it uses your supplied preferences to provide everything you need at that moment, like suggestions for activities and directions to them, along with invitations and reservations for the future. Using Ocean Compass is not mandatory to have an amazing vacation. But the more you engage with it, the more you'll see the exciting and unexpected opportunities on your cruise — and it remembers your preferences for your next cruise!
