Imagine waking up just a mile away from the entrance to Denali National Park — six million acres of unspoiled wilderness — where the famous peak disappears over 20,000 feet high into the clouds above. Grizzly bears, moose and caribou roam freely among the tundra, while gray wolves and Dall sheep may be spotted in the distance. The campus-style Denali Princess Wilderness Lodge® is set above the picturesque Nenana River with sweeping views as far as the eyes can see. With an array of amenities and a helpful tour desk at your service, it’s the perfect home base for exploring all the wonders of one of Alaska’s greatest treasures.

**ADVENTURES GALORE**
Take advantage of your proximity to Denali with a variety of tours that allow you to explore the park. A Natural History Tour is included in most cruisetours or upgrade to the more in-depth Tundra Wilderness Tour.

**AT THE LODGE**
There’s something for every mood — enjoy a coffee by the fireplace in the main lodge, a glass of wine out on an expansive deck overlooking the Nenana River, or a relaxed stroll among the shops and restaurants.

**A TASTE OF DENALI**
Step into the elegant King Salmon restaurant for some fresh Alaska seafood or the Grizzly Bar & Grill for something a bit more casual. There’s also pizza at Lynx Creek Pizza or pastries and coffee at River Run Espresso.
Escape to Mt. McKinley Princess Wilderness Lodge® a retreat only 40 miles from Denali (which was known as Mt. McKinley until 2015), for unsurpassed wilderness views and a host of recreational activities to immerse you in the great outdoors. Located south of the national park near the Chulitna River, this vast area of unspoiled wilderness is home to braided glacial rivers, massive mountains and a myriad of wildlife. Delight in walking trails, exhilarating zipline adventures and authentic culinary delights — all to be topped off by relaxing in our main lodge alongside the comforts of a warm, crackling fire.

MOUNTAIN MAJESTY
Sit and gaze at the majesty of “The Great One” from the lodge’s new treehouse! Approximately 500 square feet, the treehouse was designed and built by Pete Nelson of Animal Planet’s™ Treehouse Masters. Access the treehouse via a short hike from the main lodge and be rewarded by the ultimate Denali view.

HOME, SWEET HOME
In addition to the idyllic setting and comfortable guest rooms, enjoy dining in the sophisticated North Fork Restaurant or casual options like 20,320 Alaskan Grill, Base Camp Bar and Coffee Bruin Espresso. And to work up an appetite, choose from excursions including river rafting, glacier landings and fishing.

ALASKA UP-CLOSE
Hear stories about climbing Denali from the people who summited North America’s tallest mountain during “Meet the Mountain Climber” presentations in the Hudson Theater. And right outside, see Alaska bush pilot Cliff Hudson’s restored plane, which he used to fly climbers directly to Denali.

THIS PAGE CLOCKWISE FROM TOP: The lodge’s fireside patio; Mt. McKinley Princess Wilderness Lodge®; Relaxing on the deck at the treehouse; Cliff Hudson’s restored plane.
Endless miles of winding rivers, glimmering lakes and crystal blue glaciers fill your panoramic viewpoint from the Copper River Princess Wilderness Lodge®, offering mesmerizing views from every angle. Perched on a bluff overlooking Wrangell-St. Elias National Park, America’s largest park and home to nine of the 16 highest peaks in the nation, the lodge is a gateway to this national treasure. Step outside to stroll along the Klutina Lake Trail or explore the Copper River Valley — rich in Native Alaskan culture and famous for its legendary red salmon.

REST AND RELAXATION
In the comfy Wrangell Room, you can relax by a warm fire. You’ll discover great views on the trails around the lodge’s scenic grounds, and daily shuttle service can deliver you to the park’s Wrangell-St. Elias Visitor Center & Ahtna Cultural Center.

LOCAL FLAVORS
Sample delicious Copper River salmon straight from the very waters the lodge looks out on at Two Rivers Restaurant. More relaxed dining is available at casual venues, like the Whistle Stop Bar & Grill and Dragonfly Espresso.

ADVENTURES FROM THE LODGE
The options for adventure are many — salmon fishing, river rafting, kayaking in Prince William Sound, glacier cruising, jet boating and hiking.
Teeming with stunning vistas, native flora and fauna, and the 690,000-acre wonderland of Kenai Fjords National Park, the vibrant Kenai Peninsula — known as "Alaska’s Playground" — is an escape unlike any other. Sitting high above the turquoise waters of its namesake river is our Kenai Princess Wilderness Lodge, named one of the top 12 resorts in Alaska and the Pacific Northwest by Condé Nast Traveler readers. Try your hand at fly-fishing, spot tidewater glaciers or fill your senses with a revitalizing hike — all only a short distance from the lodge’s front steps.

**LODGE LIFE**
Evoking the great wilderness lodges of lore, the Kenai lodge has bungalow-style rooms, each offering its own porch and wood-burning stove. Settle with a book by the fireplace in the main lodge, or take a glass of wine out on the expansive deck.

**OUT AND ABOUT**
Outdoor pleasures abound at the Kenai Princess Wilderness Lodge — including day cruises in Kenai Fjords National Park, as well as some of Alaska’s best angling on the Kenai River.

**ALASKA APPETITE**
Delectable dining at the lodge can be found with refined Alaska-inspired cuisine at the elegant Eagles Crest Restaurant and casual fare, beer and cocktails at Rafter’s Lounge.
