1 Island hop through paradise

Princess is the only cruise line offering a full season of roundtrip voyages to Hawaii from the mainland from fall through spring. There are 15-day sailings, departing from Los Angeles, San Francisco and Vancouver, B.C. that visit the four most popular islands — Oahu, Maui, Kauai and The Big Island. Plus discover the South Pacific on our 28-day Hawaii, Tahiti & Samoa cruise to the French Polynesian islands including Moorea, Bora Bora and more.

2 The Aloha Spirit

The moment you step on board you'll be immersed in the relaxed Hawaiian culture through our Aloha Spirit program. Enjoy authentic cuisine, lei making, ukulele and hula lessons and traditional luaus. Special onboard performances include the Halau Hula Olana Folkloric Show.

3 Uncover each island's natural beauty

Gaze upon amber-colored Waimea Canyon in Kauai, known as the Grand Canyon of the Pacific. Explore Haleakala National Park in Maui to see the remainder of a once-active volcano. Visit Akaka Falls State Park on The Big Island in Hilo for an adventure through the rainforest. And catch some sun rays on iconic Waikiki beach in Oahu.

4 Visit the volcanoes

See otherworldly landscapes — twisted lava rock flows, sulfur banks and lava beds. Experience two of the most active volcanoes in the world at the famous Hawaii Volcanoes National Park. Walk along the volcanic ridge and explore the natural steam vents. Learn about the birth of Hawaiian Islands due to volcanic activity 70 million years ago.

5 Peaceful days at sea

Enjoy multiple carefree days at sea to take advantage of all your ship has to offer. Bask in the sun poolside and watch Movies Under the Stars®, rejuvenate with a luxurious Lotus Spa treatment or partake in a culinary demonstration followed by a galley tour. At night, there is live music, Broadway-style productions shows, singing competitions and stylish bars to share stories of the day's adventures.
