## ISTANBUL'S CROWN JEWEL

When *Condé Nast Traveler* named its 7 Cruise Wonders of the World, it is no surprise that it chose magnificent Hagia Sofia, majestically overlooking the Bosphorus Strait. Among the world's greatest examples of Byzantine architecture, this monument was originally built by Constantine the Great, later served as an imperial mosque, and today is a museum.

### Princess Destinations

Destinations	Travel Months

Canada & New England	Sep to Oct
Caribbean	Oct to Apr
Europe	Apr to Dec

Simply decide on the length of vacation time you have and any places and experiences to check off your travel bucket list, and you're on your way.

## 4. What's your budget?

Your cruise fare is determined by several factors—destination and length, time of year, stateroom choice and availability. Stateroom fares are quoted per person and based on double occupancy—with elegant and casual dining options, onboard entertainment like production

shows, musicians and comedians, a Las Vegas-style casino and much more included with your fare.

## 5. Do you have a preference of ship?

Balcony staterooms give you added space and your own place to relax outside on fine patio furniture and enjoy the unforgettable views. Suites and mini-suites offer even more square footage and premiums such as a sofa bed and upgraded amenities, including a luxury mattress and pillows. An oceanview double includes a large picture window, providing added ambiance and memorable views, and our most affordable option is the interior stateroom, which has fine amenities and no windows. To learn more, visit [princess.com/staterooms](https://princess.com/staterooms).

## 7. Are you traveling with kids, friends or family?

Traveling with family or a group of friends can be a wonderful way to get away from it all. Book early for the best selection of staterooms. Be sure to inquire about having your group's staterooms close to one another. For those sailing with kids, our onboard youth and teen programs are excellent, and family-friendly shore excursions are available.\*
