**explore the islands**

**HOKKAIDO**
Japan’s second-largest island, located at the country’s far north near Russia, Hokkaido is known for spectacular mountains and volcanic plateaus. Explore the city of Hakodate via aerial tram, or explore the canals of the port city Otaru.

**KYUSHU**
Kyushu offers a treasure trove of historical and natural highlights in cities including Kagoshima, a mountainous region of hot springs and geysers and the site of the final defeat of the Satsuma samurai.

**SHIKOKU**
The island of Shikoku charms with its port cities like Kochi and Tokushima, well-preserved castles, local fare and a pilgrimage route of 88 temples and other sacred sites that follows in the footsteps of famous Buddhist Kobo Daishi.

**RYUKYU ISLANDS**
This archipelago south of Japan’s main islands includes Okinawa, a trading center and the birthplace of karate, and Ishigaki, a tropical paradise known for its turquoise waters, palm forests and jungle-covered mountains.
Your cruise transports you throughout the archipelago of Japan to reveal a unique tapestry of cultures. Each of the four main islands of Japan is a study in contrasts: tranquil retreats lie just outside cities where skyscrapers soar over ancient temples and shrines. From being dazzled by the panoramic views of iconic Mount Fuji to exploring the exquisite temples of Kyoto, Princess® is your ultimate guide to this incredibly diverse country.

**HONSHU**

Introduced to Japan in the 8th century, the yuzen dying technique has evolved as an integral part of Kyoto’s cultural life. This tradition utilizes a variety of colors to dye kimonos in picturesque designs.

**CULTURAL IMMERSION**
Authentically experience this welcoming culture through excursions led by destination experts and locals, giving you an insider’s view into life in Japan. Enjoy performances of traditional Japanese dance and music. Plunge into natural hot springs, wind through temples and art museums or stroll through vibrant seafood markets. spring flowers cruises

Japan’s gardens and parks are awash in colors when spring flowers are in full bloom. Stroll the magnificent gardens of Kenrokuen in Kanazawa, and wander under canopies of flowers in Hakodate, where a late departure allows ample time to ascend Mt. Hakadote by aerial tram for breathtaking views of the city at night.
**fall foliage cruises**

Brilliant red and gold hues are the hallmarks of an autumn voyage that transports you from Japan’s ancient shrines and temples to the shores of South Korea and Taiwan. Summer in Japan is hanabi — “fire flower” — season. And throughout the country, fireworks displays light up the night sky — some fireworks festivals feature dazzling displays set off from boats on lakes, some are dedicated to gods, while others are contests. From your ship, witness the stunning Kumano Fireworks Festival.
Sea of Japan & Circle Japan Cruises

A circumnavigation of the Japanese archipelago reveals the diversity of this storied land. Tokyo's skyscrapers and neon signs contrast with the small fishing port of Sakaiminato where delicious seafood is sourced straight from the Sea of Japan. Kagoshima offers historic highlights of legendary samurai as well as views of one of Japan's most active volcanoes.

Japan is yours to discover on these extraordinary sailings. Take time to explore Okinawa, the largest of the Ryukyu Islands and a pivotal point in World War II history, where castles and ancient crafts have withstood the test of time. Sail toward Ishigaki and the shores of Taiwan before culminating in Kobe or Tokyo where you’ll say “kampai!” before sampling delicate sake, Japanese rice wine.

In Okinawa, you’ll notice the abundant shisa statues, a central part of the culture. A cross between a lion and a dog, these small statues can be found on roofs and building entrances. Often in pairs, the closed-mouth female is said to keep in good spirits, while the open-mouthed male scares evil spirits away.

**Japan — what you need to know**

*Can I visit without knowing the language?*
Absolutely. English is spoken on board and on shore excursions. Signage and information in many Japanese cities are in English, and many Japanese speak the language.

*What about dealing with local currency?*
No worries — onboard charges are priced in U.S. dollars, and a currency exchange is available on your ship.

*Is it safe?*
For over 50 years, Princess has safely taken guests to some of the most exotic places on the planet. Our commitment to guest and crew safety comes first. Always has, always will.

*How can I maximize my time in Japan?*
We craft each cruise to highlight the best of that region. With Princess More Ashore you can enjoy more time in port with a Late Night stay (9pm or later).

*What’s special about these ports?*
Ancient temples, vibrant festivals, healing hot springs — each port is full of wonders to discover, and shore excursions explore them all. Many visit UNESCO World Heritage Sites, places identified as being of exceptional importance.

*What if I don’t like the local cuisine?*
When dining on board, you get the best of both worlds — delicious regional dishes and familiar favorites you’ll love. Each port offers world-famous culinary fare.

*What about U.S. voltage outlets and hair dryers?*
Your ship and stateroom come equipped with U.S. voltage outlets for chargers and other devices. There is also a safety-tested hair dryer in every stateroom.
