voyage of the glaciers

It’s a sound that reaches into the depths of your soul — forever embedded in your sensory mind. The echoing roar of “white thunder.” It starts with a crackle. A chunk of ice the size of a house starts to separate from a glacier. More crunching. Then a thundering whoosh. The frozen mass detaches and crashes to the sea below. The boom that follows reverberates throughout your body. Glaciers are some of nature’s greatest spectacles, and our Voyage of the Glaciers cruise provides two iconic glacier-viewing experiences — Glacier Bay National Park and either College Fjord or Hubbard Glacier. This top-rated Princess® itinerary — the premier way to see the Great Land by sea — also takes you to some of the state’s most celebrated ports, and sails 500 miles farther north across the Gulf of Alaska, so you can catch more scenic views that take your breath away. And in 2019, Royal Princess® joins the Alaska fleet, adding her unique touch of refined beauty to this unbelievable journey.

HIGHLIGHTS OF OUR TOP-RATED CRUISE:
• Glacier Bay National Park — named one of the 7 Cruise Wonders of the World by Condé Nast Traveler.
• Sail over 500 miles farther north across the Gulf of Alaska and into Prince William Sound.
• A second glacier-viewing experience among the 16 glaciers at College Fjord, or Hubbard Glacier — the longest tidewater glacier in Alaska.
• Visit Gold Rush-era towns as you cruise the Inside Passage.

Escape to Mt. McKinley Princess Wilderness Lodge®, a retreat only 40 miles from Denali (which was known as Mt. McKinley until 2015), for unsurpassed wilderness views and a host of recreational activities to immerse you in the great outdoors. Located south of the national park near the Chulitna River, this vast area of unspoiled wilderness is home to braided glacial rivers, massive mountains and a myriad of wildlife. Delight in walking trails, exhilarating zipline adventures and authentic culinary delights — all to be topped off by relaxing in our main lodge alongside the comforts of a warm, crackling fire.

**MOUNTAIN MAJESTY**
Sit and gaze at the majesty of “The Great One” from the lodge’s new treehouse! Approximately 500 square feet, the treehouse was designed and built by Pete Nelson of Animal Planet’s™ Treehouse Masters. Access the treehouse via a short hike from the main lodge and be rewarded by the ultimate Denali view.

**HOME, SWEET HOME**
In addition to the idyllic setting and comfortable guest rooms, enjoy dining in the sophisticated North Fork Restaurant or casual options like 20,320 Alaskan Grill, Base Camp Bar and Coffee Bruin Espresso. And to work up an appetite, choose from excursions including river rafting, glacier landings and fishing.

**ALASKA UP-CLOSE**
Hear stories about climbing Denali from the people who summited North America’s tallest mountain during “Meet the Mountain Climber” presentations in the Hudson Theater. And right outside, see Alaska bush pilot Cliff Hudson’s restored plane, which he used to fly climbers directly to Denali.
