Explore on shore

The best memories come from experiences that match your personality. Our curated shore excursions are designed by experts who know these destinations best.

Sail up close to Alaska's glaciers with a park ranger at your side or rush across the snow on a dog sled with a professional musher. You could fly fish for salmon in fresh rivers and soar over kilometres of glacier tundra in a helicopter. For a cultural experience watch Native craftsmen carve a traditional totem pole; stunning adventures await.

We partnered with experts to create authentic experiences

It doesn't get any cooler than this! Along with Discovery™ and Animal Planet,® we handpicked Recommended and Exclusive adventures.

You can also create deeper connections with thoughtfully crafted excursions hosted by local experts who specialise in art, history, cuisine and other areas of interest. Look for our 'Local Connections' shore excursions tailor-made for you at princess.com/excursions

MORE ASHORE

More time ashore

Look for 'More Ashore' on select itineraries for port calls that offer extra time on shore with LATE NIGHT (9pm or later) or OVERNIGHT STAYS. See the sights during the day, then experience the destinations at night!

Welcome to the Great Land

Only a few places in the world could earn such a grand reputation. The Great Land not only speaks to Alaska's incredible size, sprawling nearly 1.5 million square kilometres and encompassing widely diverse terrain, but to its great wonders as well. Within this expanse lies Denali, North America's tallest mountain that rises more than 6 kilometres and millions of acres of nationally protected forests, preserves and parks – including the iconic Glacier Bay National Park. It's essential that those who tread here do so mindfully, and Princess is dedicated to preserving the land, the sea and surrounding communities for generations to come. Discover why more people choose Princess to sail Alaska and create everlasting connections.

Wildlife

A camera, a pair of binoculars and a sense of curiosity are all you need to get the most out of your adventures in Alaska. From the waters to the land, this scenic backdrop is teeming with wildlife. The ship deck or your balcony is the perfect space to spot whales breaching out at sea. An excursion through Tongass National Forest reveals bald eagles flying overhead and black bears feeding on salmon from rushing streams. Choose a land and sea holiday that includes a visit to Denali National Park, the 6-million-acre home to the Big Five: grizzly bears, moose, wolves, Dall sheep and caribou.

Glaciers

On a holiday full of adventure, one of the greatest highlights is viewing glaciers from the comfort of your ship. Every Princess® voyage features at least one day viewing glaciers, and many have two scenic days, including Glacier Bay National Park. With park rangers providing insights into how these natural wonders are formed, your perspective is beyond compare. Enjoy open views on deck or from the privacy of your own balcony and, if the timing is right, marvel over the spectacle of ice chunks shearing off a glacier and crashing into the waters below with a thunderous roar. Exciting excursions in port bring you even closer to glaciers.

Mountains

Anchored by immense mountains, Alaska is practically defined by its towering peaks. See them from every angle as you sail past rugged shores or travel on land in a glass-domed rail carriage. Incredibly, 12 of the 13 highest summits in the U.S. are located in Alaska – all dominated by Denali, North America's tallest peak. The Great Room at Mt. McKinley Princess Wilderness Lodge™ is an ideal place to view the Alaska Range, and to learn more, you can attend our "Meet the Mountain Climbers" presentations at the lodge's Hudson Theatre.

North to *Alaska*

Our award-winning North to Alaska program is exclusive to Princess, designed by experts in order to strengthen your connection to the Great Land. Shipboard cuisine features ingredients like fresh salmon and other Alaska seafood. Local storytellers share their connections to Alaska – everyone from mushers to lumberjacks to extreme mountaineers. This unique and immersive program has earned a prestigious Gold Award in Travel Weekly's annual Magellan Awards*.

Meet the Locals

With more than 50 years of experience sailing in Alaska, Princess has established deep connections with those who call this land home, including Libby Riddles, a champion dog musher who was the first woman to win the Iditarod, and the crew from the Discovery® Channel program, Deadliest Catch. Real-life lumberjacks show off their powerhouse skills and put your abilities to the test. On a land and sea holiday that includes a stay at the Mt. McKinley Princess Wilderness Lodge™, mountain climbers recall their experiences ascending the massive peaks of Denali.

Flavours of Alaska

Locally sourced salmon or succulent shrimp and crab are offered in the Main Dining Room. On exclusive shore excursions, reel in your own fish and bring it back on board for a special Cook My Catch[^] meal. Or spend a memorable day with captain David Lethin, star of Deadliest Catch, who shares his exciting tales of hauling crabs from the Bering Sea.

Enriching Experiences

Joyful discoveries are part of your everyday experience in Alaska. While on board, join special events and meet naturalists who share details about Alaska marine life and geology. You'll definitely never forget your encounter with junior sled dogs in the extra-special Puppies in the Piazza experience.

*Travel Weekly, Gold Magellan Award, Education Program, North to Alaska, 2016.
[^]Cook My Catch is available on select Princess® shore excursions.
All North to Alaska offerings vary by ship and departure date. Charges apply for select dining experiences and are subject to change. Note: North to Alaska Programs vary by ship and are subject to change.

Glacier Bay National Park

The anticipation builds long before you arrive in Glacier Bay National Park, and the rewards are more than you could imagine. This UNESCO World Heritage Site astonishes with its soaring tidewater glaciers, most notably the Margerie Glacier, and diverse marine life swimming in the bay below. Watch as park rangers scale the side of the ship to bring you their expert insights as you spend a leisurely day cruising while also enjoying distant views of rugged mountains and sheltered fjords.

Endicott Arm & Dawes Glacier

Towering rocks rise before you as you sail through Endicott Arm, a glacier-carved fjord notable for its sparkling turquoise waters. There's wildlife everywhere with clambering mountain goats and bald eagles soaring overhead, and the waters are one of the world's largest breeding grounds for harbour seals. Pass icebergs and waterfalls to reach the head of the fjord and get as close as possible to Dawes Glacier, which rises an incredible 182 metres high.

Hubbard Glacier

Within the expanse of Wrangell–St. Elias National Park and Preserve, Alaska's largest tidewater glacier measures more than 120 kilometres long and 11 kilometres wide. This giant moves at such a rapid pace that you might see large sections of ice calving from the glacier in a thunderous crash.

College Fjord

When a millionaire railroad tycoon brought a group of esteemed scientists to chart Alaska's glaciers, they found a treasure trove in College Fjord. The collection of glaciers in these waters were named after Ivy League schools and their sister institutions, including the enormous Harvard Glacier that stretches to meet the Chugach Icefield.

Journey through scenic wonders

Travel by rail Direct-to-the-Wilderness™

There is simply no better way to experience so much of Alaska’s vast beauty than to see it by rail. Princess offers an exclusive Direct-to-the-Wilderness™ rail service, whisking you straight from your cruise ship to Denali-area lodges on a legendary route. Glass-domed rail cars and our outdoor viewing platforms are designed to showcase every breathtaking vista of forested landscape, flowering meadows and glacial lakes. Expert rail guides deliver insightful narration about this historic route’s long history and the natural wonders just outside your window. All land and sea holidays include rail travel and most include Direct-to-the-Wilderness™ rail service.

Look for

The Direct-to-the-Wilderness™ rail service symbol for itineraries featuring this exclusive service between our ships and our Denali-area lodges.

Denali Princess Wilderness Lodge™

Denali Princess Wilderness Lodge™

Where adventure begins

Just near the entrance to Denali National Park, the Denali Princess Wilderness Lodge™ is your gateway to a world like no other. Within the 6-million-acre expanse, Denali is teeming with wildlife. Grizzly bears, moose, caribou, Dall sheep and wolves roam freely as you embark on a guided tour in the park. Relax by the fireplace or look out over the Nenana River from the expansive deck, and gather with your loved ones at Fannie Q's Saloon – a lively spot named for Fannie Quigley, a colourful homesteader whose hunting skills were as legendary as her wilderness cooking.

Experience Denali

Make the most of your proximity to Denali with a guided park tour. Learn about the park's rich history on the Natural History Tour or upgrade to the Tundra Wilderness Tour to come closer to wildlife than ever before.

Memorable moments

Stop by Fannie Q's Saloon to enjoy evening entertainment. Unwind with a local beer after a day full of adventure. Share unforgettable experiences every step of the way with relaxing amenities and fun for everyone.

A taste of Alaska

Sample Alaska's legendary seafood alongside casual fare and tasty favourites. Stop by the elegant King Salmon Restaurant for fresh-caught fish and crab, grab a slice at Lynx Creek Pizza or enjoy fresh coffee and pastries at River Run Espresso.

Nature abounds

Some of the earth's most stunning sights come together in these landscapes. Gaze at the beautiful Nenana River from the outdoor deck or admire expansive views from your lodge's 12-metre-tall windows.

Mt. McKinley Princess Wilderness Lodge™

Treehouse

Denali vistas from your doorstep

From its intimate location inside Denali State Park and only 64 kilometres from the famous peak, the Mt. McKinley Princess Wilderness Lodge™ is a true wilderness retreat. Explore what Alaska has to offer through a myriad of nearby adventures. Whether you're sipping a craft beer in the Great Room or zip lining through towering trees, the park's dramatic peaks, winding rivers and wonderful wildlife are always in view.

Above the trees

Just a short hike from the main lodge, you'll find the treehouse – a unique way to delight in your lodge's incredible surroundings. The treehouse was designed to offer unobstructed views of the Alaska Range and Denali.

Denali legends

Bush pilot Cliff Hudson used to fly climbers directly to Denali. His restored plane is on site at the lodge, next to the Hudson Theatre, where you can hear the incredible stories of those who have dared to make the ascent.

Comforting cuisine

Everything from casual fare to elegant fine dining is on the menu here. Savour crab-stuffed halibut and king salmon at the sophisticated North Fork Restaurant or dine on local favourites at 20,320 Alaskan Grill or Base Camp Bar.

Venture out

Access the best of the great outdoors with one-of-a-kind adventures. Step out of a plane or helicopter onto a glacier for the hike of a lifetime. Ride through winding trails on horseback or pan for gold in a historic mining town.

Kenai Princess Wilderness Lodge™

Bungalow-style guest room

Alaska's playground

With endless outdoor adventure and abundant lands, it's no wonder why the Kenai Peninsula is known as "Alaska's Playground." Cozy rooms and an expansive viewing deck overlook the turquoise Kenai River and offer up-close access to 690,000 acres of wilderness in Kenai Fjords National Park. Just minutes from the lodge's front steps, nature hikes, angling and glacier-viewing await among the stunning river and mountain vistas.

Outdoor adventures

Enjoy the splendour right outside your lodge or set out on an exciting excursion. Try your hand at fly-fishing on the abundant Kenai River or meet a local homesteader and see sled dogs in training.

Relaxing retreats

Cosy bungalow-style rooms and inviting spaces are the perfect places to relax after a long day of adventure. Settle down by your room's wood-burning fireplace with a book, or enjoy a glass of wine on the expansive deck.

Flavours of the Great Land

The best of Alaska cuisine can be found at two lodge eateries. Try Rod & Reel Restaurant for elegant local dishes and refined flavours, or cosy up with a hearty bowl of bison chilli at Rafter's Lounge.

Alaska's riches

Venture to Cooper Landing, the historic settlement where gold was discovered in Alaska. Explore the rustic area while testing your skills on a gold-panning excursion.

Copper River Princess Wilderness Lodge™

Explore wild Alaska

At the point where America's largest national park and two mighty rivers come together, this retreat sets the scene for an unforgettable escape into the wilderness. It overlooks the vast Wrangell-St. Elias National Park, which encompasses 21.2 million kilometres of winding rivers, dense forests, glacial lakes and mountain peaks – including nine of the 16 highest in the United States. With such proximity to these natural wonders, Alaska's untamed wilderness is just within reach.

Take to the river

For fast-paced and slow-going adventurers alike, there are many options just outside the lodge. Salmon fishing, river rafting and jet boating are only the beginning of what's possible on the water.

Warm and welcoming

Capture unbelievable views of Mt. Drum, Mt. Wrangell and Mt. Blackburn through the two-storey windows of the Wrangell Room, where comfy chairs and warm fireplaces invite you to unwind.

Local fare

Taste the fresh flavours of the nearby Copper River, known worldwide for its premium red salmon, alongside elegant dishes at Two Rivers Restaurant or comforting pub fare at Whistle Stop Bar & Grill.

Step back in time

Hear stories of the area's once-booming copper and gold mines with an excursion to the Klutina Lake Trail, a historic mining route just outside of the lodge, or the abandoned Kennecott Copper Mine.

Fairbanks Princess Riverside Lodge™

Dive deep into the interior

Find inspiration on the banks of the Chena River, right in the heart of Alaska. Comfortable accommodations that sit right at the edge of the rugged interior offer a taste of local life, with easy access to infinite possibilities in downtown Fairbanks. Relax among breathtaking views and authentic experiences found only in this land.

Out and about

Head outside of your lodge to discover a host of new adventures – from a Gold Dredge 8 Tour to a Sternwheeler Riverboat cruise along the Chena and Tanana rivers.

Space to unwind

Comforting frontier décor and accommodating rooms will make exploring another world feel like home. Take in the views from the large riverview deck or stroll the on-site art gallery.

Dinner with a view

Dine on fresh Alaska seafood while you gaze out at the Chena River. You'll find plenty of options among lodge favourites like the Edgewater Dining Room, the Riverview Deck and Trackers Bar & Grill.

The heart of Alaska

What was once a gold mining town is now the gateway to Alaska's interior. Fairbanks' position offers access to legendary areas like the Arctic Circle and the Yukon River with just a short flight.

Tips for your trip

First things first

When should I book?

You should book your cruise holiday as soon as you can. This will ensure that you have the greatest choice available, as holiday periods can be very popular and sell out early. Keep this in mind, book early.

Things to know before you go

Where can I find out more about my cruise holiday?

Once you have made your booking, you can access the 'Princess MedallionClass® App' to view your cruise details, including your stateroom, itinerary, pre/post cruise arrangements and dining options. You can also pre-book shore excursions, spa treatments, special occasion packages and more from 120 days prior to sailing.

Do I need travel insurance?

Australian Medicare, New Zealand ACC and private health insurance will not cover you for any medical costs onboard. All cruises (even cruises that do not visit foreign ports) require international travel insurance. We strongly recommend that you organise your travel insurance at the time you pay your deposit.

You should not base your insurance decision on the assumption 'it won't happen to me' – accidents or illness can happen to anyone. Hospital bills can cost more than AUD5000, or equivalent, per day. For further information or to purchase travel insurance:

- Please contact your Travel Agent or call your travel insurance provider.
 - Our suggested travel insurance provider Cover-More^ may be contacted on 1300 72 88 22 (from Australia), or on 0800 500 225 (from New Zealand).

^Limits, sub-limits, conditions and exclusions apply. Insurance administered by Cover-More Insurance Services Pty Ltd (ABN 95 003 114 145, AFSL 241713) on behalf of the product issuer, Zurich Australian Insurance Limited [ABN 13 000 296 640, AFSL 232507]. Any advice is general advice only. Please consider your financial situation, needs and objectives and read the Combined FSG/PDS before deciding to buy this insurance. For information on the Target Market and Target Market Determination for these products, contact Cover-More on 1300 77 88 22. Princess Cruises® has a referral arrangement with Cover-More and may receive a fee or commission if you choose to purchase an insurance product from Cover-More.

Where can I find more information about passports, visas and vaccinations?

Passports - Australian citizens, visit www.passports.gov.au

New Zealand citizens, visit www.passports.govt.nz

For citizens of other countries, please contact your relevant national authority.

Visas - Please contact your Travel Agent, relevant consulate or embassy, or an online visa service for more information. You may also visit princess.com for general visa information.

Vaccinations - Please contact your doctor or an approved public health travel advisory service such as World Health Organisation (www.who.org), the Department of Foreign Affairs and Trade or Smart Traveller (www.smarttraveller.gov.au). COVID-19 vaccination requirements may apply. See https://www.princess.com/plan/cruise-with-confidence/cruise-health/ for region-specific details.

What is the latest time I can check-in for my cruise?

Most cruises have a staggered check in process. Please refer to the Princess MedallionClass® App for your scheduled check in time. Check-in closes one (1) hour prior to your cruise's scheduled departure time as displayed on your ticket. Checking-in after this time will cause you to miss your cruise and no refunds will be given.

Can I book my flights with you?

Yes, flights can be booked with our Princess EZair® program from 330 days prior to the last day of sailing to 4 days prior to departure and is available once your deposit has been received and applied to your cruise booking. With Princess EZair®, you can customise your flights to suit your travel plans and choose from competitive, real-time pricing and availability. Take a look at the Princess EZair® page in this brochure for more details.

I have flights booked through Princess Cruises®, can I check-in online?

Yes, your flight reference number will be printed on your Princess Cruises eTicket.

If I am booking my own flights, what arrival and departure times do you recommend?

For Royal Princess®, Majestic Princess®, Diamond Princess®, Crown Princess®, Grand Princess® and Coral Princess® departures from Australia or New Zealand - please ensure your flight times meet the following guidelines:

Port	Arriving Flight (latest arrival prior to cruise departure)	Departing Flight (earliest departure after cruise arrival)
Sydney	Domestic: 3 hrs. International: 3 hrs & 30 mins.	Domestic: 3 hrs & 30 mins. International: 5 hrs.

Singapore	Domestic: N/A International: 4 hrs.	Domestic: N/A International: 6 hrs.

Note: above timings allow for luggage offload, guest disembarkation, transfer time, airline check-in requirements and customs/immigration formalities (as required). Airport transfers to and from the ship are available for guests to book if their flights are within these guidelines.

For all other Princess Cruises® departures, including sectors of the World Cruise, please contact your Travel Agent or our Cruise Contact Centre for the most suitable arrangements for your itinerary.

When you are making your own flight bookings, missed connections are always a possibility, so the more time you allow for unforeseen delays at either end of your cruise, the better.

If you do need to make changes to your own flight bookings, your chosen airline may charge fees; so check their airfare conditions when you book.

I take medication; do I need to let you know?

Yes, if you have a medical condition or take medication it must be advised at time of booking. We will send you a health questionnaire to complete so we have all necessary information. We want you to be safe and comfortable on your cruise, so bring enough medication to last you until the end of your holiday. It is also a good idea to bring a few extra days supply in case of any unforeseen delays.

Can I bring my medical equipment to use onboard?

In most cases, yes. To ensure your medical equipment will work onboard, please advise your Travel Agent or our Cruise Contact Centre at the time of booking. We will then send you an information sheet to complete. For safety reasons, your equipment will need to be checked prior to boarding.

When am I going to get my cruise documentation?

Princess Cruises® operates a paperless documentation program that promotes environmental sustainability and ensures guests receive up-to-date information in a timely manner. This program begins once you have paid your deposit and consists of a series of information emails including a downloadable travel summary.

Once you have completed all your personal details via the Princess MedallionClass® App, and paid for your booking in full, you can download your Digital boarding pass. A Travel Summary and your luggage labels can be accessed via Cruise Personalizer.

How do I find out what shore excursions are available, and how can I book them?

General shore excursion information is available in the Shore Excursions section of our website. You can view prices and pre-book excursions for your cruise from 120 days until seven days before sailing via 'Cruise Personalizer'. As numbers are limited, we recommend you book early. You can also book at the Shore Excursions desk once on board.

I have limited mobility; can I go ashore in all ports?

It is important to note that access to water shuttle ports may be restricted, which may also limit your excursion options. Do not worry if you cannot go ashore, a range of activities are available onboard!

Some of our larger Princess ships may dock at freight terminals which may be located further from townships than passenger berths. In these instances ports may not have sufficient wheelchair accessible transport to accommodate all guests which may limit access for these guests.

Can I organise gifts or celebrations before sailing?

We can help you celebrate your honeymoon, birthday or anniversary onboard with one of our special occasion packages. You can also arrange a gift such as a bottle of wine and/or a box of chocolates for a friend, loved one or even yourself, up until five (5) days prior to departure. For information on these packages, search 'Special Occasions' on our website.

Packages vary by ship and exceptions apply.

Can I get married or renew my vows onboard?

Yes, let Princess Cruises® help you create memories to last a lifetime. We offer a wide variety of special packages for weddings and vow renewals on most of our ships. Visit our website for more information or to download a brochure.

How much luggage can I bring?

We recommend no more than two (2) bags per person. Each bag can be no bigger than 140cm x 60cm x 40cm and cannot weigh more than 32kg. It is important to remember that airlines may have different luggage restrictions.

Can my friends and family see me off?

Family and friends are welcome to share in your excitement and wave farewell from the cruise terminal. Due to security reasons, they will be unable to come onboard with you.

[^]Reservation times are based on venue capacity and availability. Dining reservations can be made by Captain's Circle Platinum or Elite Members or Reserve Collection or Suite guests. For all other guests, dining reservations can only be made once booking is fully paid.
