explore the ports

Ancient shrines celebrating tranquility. Towering skyscrapers overlooking bustling crowds. Two contrasting visions of a country steeped in tradition, but still flourishing with technology. Japan’s rich heritage is felt every time you explore one of its stunning temples, yet flashing neon signs atop ultra-modern architecture is just as iconic to parts of this island nation.

**Hakodate**
One of the main cities on the island of Hokkaido, Hakodate is home to Mount Hakodate, where you’ll enjoy spectacular, breathtaking views after a ride to the top via cable car. At its base is Motomachi, a neighborhood of Western-style, early-20th-century buildings.

**Kochi**
Located at the head of Urado Bay, the city of Kochi is the political, cultural, economic and trading center of the prefecture. It’s also home to the Kochi Yosakoi Dance Festival, which features energetic dancers carrying “naruko” wooden clappers.

**Akita**

**Kagoshima**
Home to the great Sakurajima, a well-known active volcano that faces Kinko Bay, Kagoshima is located on the Ōsumi Peninsula, which boasts a chain of active and dormant volcanoes.

**©Yasufumi Nishi / ©JNTO**
Aomori

port spotlights

During your voyage with Princess® you’ll be immersed in the sweeping beauty of Japan as you discover unforgettable sites in our amazing ports of call. From timeless traditions to sensational celebrations, find perfect harmony while experiencing Japanese culture on exciting shore excursions throughout your journey.

Osaka Excursion
ENRYAKUJI & ISHIYAMA-DERA TEMPLES
Travel to Lake Biwa and discover two historic temples. Explore the temple complex of Enryakuji and the serene, mountainside Ishiyama-dera Temple, both UNESCO World Heritage Sites.

For centuries, Osaka was Japan’s cultural and commercial gateway to Asia — the point of entry for trade goods. In the late 16th century, the nation’s seat of power shifted from Osaka to a sleepy little fishing village called Edo — modern Tokyo.

Okinawa Excursion
SHURIJO CASTLE & KOKUSAI STREET
Explore exceptional Shuri Castle, restored to its 1300s grandeur as the palace of the Ryukyu king, and then stroll Kokusai Street, a cosmopolitan marketplace.

Okinawa has been a center of trade and a source for conflict throughout its history. These islands used to be an independent kingdom and became the feudal possession of a Japanese daimyo following the Meiji Restoration of 1868. Okinawa is also the birthplace of karate, a fusion of Chinese kung fu and other martial arts.

Sakaiminato Excursion

TOTTORI FLOWER PARK
Experience the lovely blooms and fountains at Tottori Hanakairo Flower Park; then sample your way through the candy factory.

Sakaiminato
Wedged between sea, sky and mountains, this small fishing port has been esteemed for centuries for its superb seafood. Here, the Sea of Japan yields both crab and hon-maguro, the prized bluefin tuna sought by gourmets around the world.

Hiroshima Excursion

PEACE MEMORIAL PARK, ATOMIC BOMB DOME & GARDENS
View the Atomic Bomb Dome, a UNESCO World Heritage Site, and Children’s Peace Monument before exploring the Shukkeien Gardens.

Hiroshima
On August 6, 1945, human history was irrevocably altered when the American bomber Enola Gay dropped an atomic bomb on Hiroshima. Today, Hiroshima is a monument not only to the destructive forces but also to the indomitable will of the human spirit to overcome tragedy.

Taipei Excursion

CITY DRIVE, LUNGSHAN TEMPLE & HANDICRAFT CENTER
Marvel at Lungshan Temple, an ornate temple built during the Ching Dynasty, and the awe-inspiring Chiang Kai-shek Memorial. Enjoy shopping for souvenirs at Taipei Handicraft Centre.

Taipei
Taipei is Taiwan’s capital city and one of the world’s most important commercial centers. A world leader in the production of bicycles, computer chips, plastics, and chemicals, Taipei is a sophisticated modern metropolis that is built upon a rich historical past.
**Ishigaki Excursion**

**IRIOMOTE ISLAND & JUNGLE CRUISE**

Step off the beaten track and venture to Iriomote Island, an unspoiled paradise of verdant forests, tranquil rivers, sandy beaches and lush gardens.

Ishigaki is the cultural, political and economic center of the Yaeyama Islands, originally founded in 1908 as Yaeyama Village before becoming Ishigaki Town in 1926. Noted for its white-sand beaches, turquoise waters and as an ideal snorkeling site to catch glimpses of famed manta rays, Ishigaki Island offers many opportunities to commune with nature.

**Kobe Excursion**

**TEMPLES OF NARA**

Discover this ancient UNESCO World Heritage Site featuring five Buddhist temples, a Shinto shrine, a palace and a primeval forest.

Sitting on a hillside sloping down to the sea, Kobe is located in between mountains and the coast. A thriving cosmopolitan city, Kobe is a great destination to experience high-quality restaurants, lively nightlife and scenic sightseeing. In 1995, the city was hit by the Great Hanshin-Awaji Earthquake, which left thousands of buildings destroyed. The city has since rebuilt itself and continues to attract global visitors.

**Otaru Excursion**

**JYOZANKEI ONSEN**

Experience the time-honored custom of a traditional Japanese hot-spring bath, or onsen, on this tour designed to refresh and rejuvenate.

In 1880, the first railroad line on the island of Hokkaido connected Sapporo, the prefectural capital, with the important port city of Otaru. Today, international travelers have flocked to experience Otaru’s charms — including the scenic beauty of Hokkaido’s rugged west coast and its nearby national parks.

explore japan with ease

Traveling to Japan has never been easier with Princess Cruises®. From seamless flights and transfers to shore excursions and all the unforgettable experiences in between, we can handle every detail. We are pleased to announce that this year, Princess Cruises was the proud recipient of the distinguished Japan Tourism Agency Commissioner’s Award for outstanding contributions to the cruise market in Japan. This honor speaks to our tireless dedication to bringing the best and broadest Japan cruise offerings to our guests. No matter what adventures you seek in the land of the rising sun, you can know that you’ll always be in good hands when you sail with Princess.

Can I visit without knowing the language(s)?
Absolutely. English is spoken on board and on shore excursions — even by many locals. Signage and information you’ll find in cities are often in English too.

What about dealing with local currency?
No worries — onboard charges are priced in U.S. dollars, and a currency exchange is available on your ship.

How difficult is planning a cruise like this?
It’s much easier than you think. Just book your cruise, and handle all the pre-cruise details in the Cruise Personalizer on princess.com.

Is it safe?
For more than 50 years, Princess has safely taken guests to some of the most exotic places on the planet. Our commitment to guests and crew safety comes first. Always has, always will.

How can I maximize my time in Japan?
Our cruises highlight the best of each region. More Ashore port calls mean a Late Night stay (9 p.m. or later) or an overnight, giving you more time to dive into local life.

What if I don’t like the local cuisine?
When dining on board, you get the best of both worlds — delicious regional dishes and familiar favorites you love. Of course, sampling the world-famous cuisine at a local restaurant ashore is a cruise highlight as well.

Note: Amenities represent typical arrangements and may vary by ship. Certain stateroom categories may vary in size and configuration by ship. Stateroom views are considered unobstructed unless noted otherwise. Some categories have portholes versus picture windows. Some staterooms are partially to fully obstructed, as shown on deck plans. Obstructions do not include certain nautical items like handrails, dividers or ship hardware. For balcony staterooms, the view is determined from the perspective of the balcony railing. Balconies may have either solid steel or glass railings. Upper berth and bed ladder capacities are 250 lbs. Staterooms that can accommodate rollaways have two lower berths and one upper berth, and the staterooms can accommodate a fourth berth as a rollaway bed upon request at time of reservation. There are a limited number of rollaway beds per ship, per voyage. Use of rollaway beds restricts cabin space. Call (852) 2952 9088 for more information. *Open for breakfast and dinner daily as well as lunch on sea days. ^Includes ½ bottle of red wine and ½ bottle of white wine on embarkation day. **Applicable on cruises six days or longer. **Applicable on cruises six days or longer. **Applicable on cruises six days or longer. **Applicable on cruises six days or longer. **Applicable on cruises six days or longer. **Applicable on cruises six days or longer. **Applicable on cruises six days or longer. **Applicable on cruises six days or longer.
