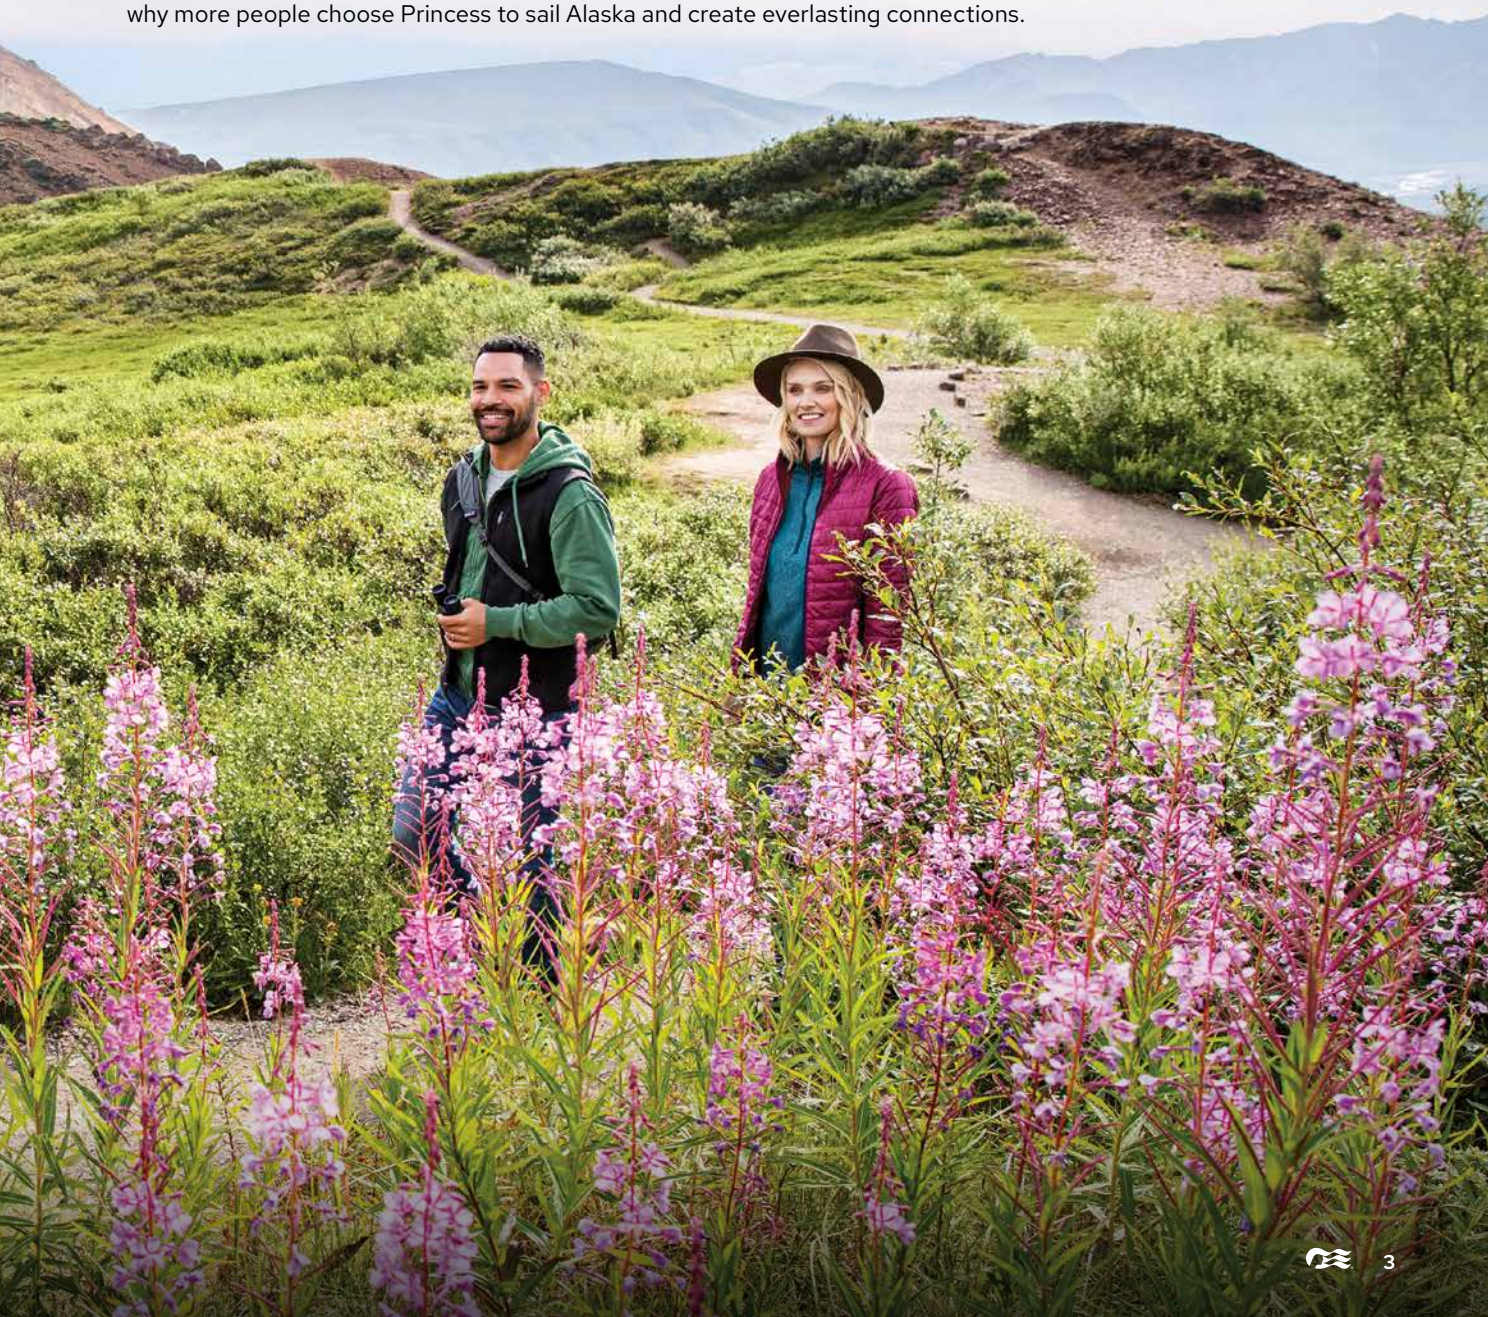
Welcome
to the Great Land

Only a few places in the world could earn such a grand reputation. The Great Land not only speaks to Alaska's incredible size, sprawling nearly 600,000 square miles and encompassing widely diverse terrain, but to its great wonders as well. Within this expanse lie Denali, North America's tallest mountain that rises more than 20,000 feet, and millions of acres of nationally protected forests, preserves and parks – including the iconic Glacier Bay National Park. It's essential that those who tread here do so mindfully, and Princess is dedicated to preserving the land, the sea and surrounding communities for generations to come. Discover why more people choose Princess to sail Alaska and create everlasting connections.



WILDLIFE

A camera, a pair of binoculars and a sense of curiosity are all you need to get the most out of your adventures in Alaska. From the waters to the land, this scenic backdrop is teeming with wildlife. The ship deck or your balcony is the perfect space to spot whales breaching out at sea. An excursion through Tongass National Forest reveals bald eagles flying overhead and black bears feeding on salmon from rushing streams. Choose a cruisetour that includes a visit to Denali National Park, the 6-million-acre home to the Big Five: grizzly bears, moose, wolves, Dall sheep and caribou.

GLACIERS

On a vacation full of adventure, one of the greatest highlights is viewing glaciers from the comfort of your ship. Every Princess® voyage features at least one day viewing glaciers, and many have two scenic days, which include Glacier Bay National Park. With park rangers providing insights into how these natural wonders are formed, your perspective is beyond compare. Enjoy open views on deck or from the privacy of your own balcony and, if the timing is right, marvel over the spectacle of ice chunks shearing off a glacier and crashing into the waters below with a thunderous roar. Exciting excursions in port bring you even closer to glaciers as you hike, ride a dog sled or soar over the ice in a helicopter.

MOUNTAINS

Anchored by immense mountains, Alaska is practically defined by its towering peaks. See them from every angle as you sail past rugged shores or travel on land in a glass-domed rail car. Incredibly, 12 of the 13 highest summits in the U.S. are located in Alaska – all dominated by Denali, North America's tallest peak at 20,310 feet. The Great Room at Mt. McKinley Princess Wilderness Lodge® is an ideal place to view the Alaska Range, and to learn more, you can attend our "Meet the Mountain Climbers" presentations at the lodge's Hudson Theater.

North to *Alaska*

OUR AWARD-WINNING NORTH TO ALASKA PROGRAM
is exclusive to Princess, designed by experts in order to strengthen your connection to the Great Land. Shipboard cuisine features ingredients like fresh salmon and other Alaska seafood. Local storytellers share their connections to Alaska — everyone from mushers to lumberjacks to extreme mountaineers. This unique and immersive program has earned a prestigious Gold Award in *Travel Weekly*'s annual Magellan Awards.

MEET THE LOCALS

With more than 50 years of experience sailing in Alaska, Princess has established deep connections with those who call this land home, including Libby Riddles, a champion dog musher who was the first woman to win the Iditarod, and the crew from the Discovery™ Channel program, *Deadliest Catch*. Real-life lumberjacks show off their powerhouse skills and put your abilities to the test. On a cruisetour that includes a stay at the Mt. McKinley Princess Wilderness Lodge,® mountain climbers recall their experiences ascending the massive peaks of Denali.

FLAVORS OF ALASKA

Locally sourced salmon or succulent shrimp and crab are offered in the Main Dining Room. On exclusive shore excursions, reel in your own fish and bring it back on board for a special Cook My Catch meal. Or spend a memorable day with captain David Lethin, star of *Deadliest Catch*, who shares his exciting tales of hauling crabs from the Bering Sea.

ENRICHING EXPERIENCES

Joyful discoveries are part of your everyday experience in Alaska. While on board, join special events like the Klondike Festival, where you can learn about the culture of native Tlingit tribes, and meet naturalists who share details about Alaska marine life and geology. You'll definitely never forget your encounter with junior sled dogs in the extra-special Puppies in the Piazza experience.

Additional fee from tour operator may apply.

Cruising Alaska

Margerie Glacier

GLACIER BAY NATIONAL PARK

Princess Cruises® is an authorized concessioner of Glacier Bay National Park.

The anticipation builds long before you arrive in Glacier Bay National Park, and the rewards are more than you could imagine. This UNESCO World Heritage Site astonishes with its soaring tidewater glaciers, most notably the Margerie Glacier, and diverse marine life swimming in the bay below. Watch as park rangers scale the side of the ship to bring you their expert insights as you spend a leisurely day cruising while also enjoying distant views of rugged mountains and sheltered fjords.

ENDICOTT ARM & DAWES GLACIER

Towering rocks rise before you as you sail through Endicott Arm, a glacier-carved fjord notable for its sparkling turquoise waters. There's wildlife everywhere with clambering mountain goats and bald eagles soaring overhead, and the waters are one of the world's largest breeding grounds for harbor seals. Pass icebergs and waterfalls to reach the head of the fjord and get as close as possible to Dawes Glacier, which rises an incredible 600 feet high.

HUBBARD GLACIER

Within the expanse of Wrangell–St. Elias National Park and Preserve, Alaska's largest tidewater glacier measures more than 75 miles long and 7 miles wide. This giant moves at such a rapid pace that you might see large sections of ice calving from the glacier in a thunderous crash.

COLLEGE FJORD

When a millionaire railroad tycoon brought a group of esteemed scientists to chart Alaska's glaciers, they found a treasure trove in College Fjord. The collection of glaciers in these waters were named after Ivy League schools and their sister institutions, including the enormous Harvard Glacier that stretches 24 miles to meet the Chugach Icefield.

At the point where America's largest national park and two mighty rivers come together, this retreat sets the scene for an unforgettable escape into the wilderness. It overlooks the vast Wrangell-St. Elias National Park, which encompasses 13.2 million miles of winding rivers, dense forests, glacial lakes and mountain peaks – including nine of the 16 highest in the United States. With such proximity to these natural wonders, Alaska's untamed wilderness is just within reach.

TAKE TO THE RIVER

For fast-paced and slow-going adventurers alike, there are many options just outside the lodge. Salmon fishing, river rafting and jet boating are only the beginning of what's possible on the water.

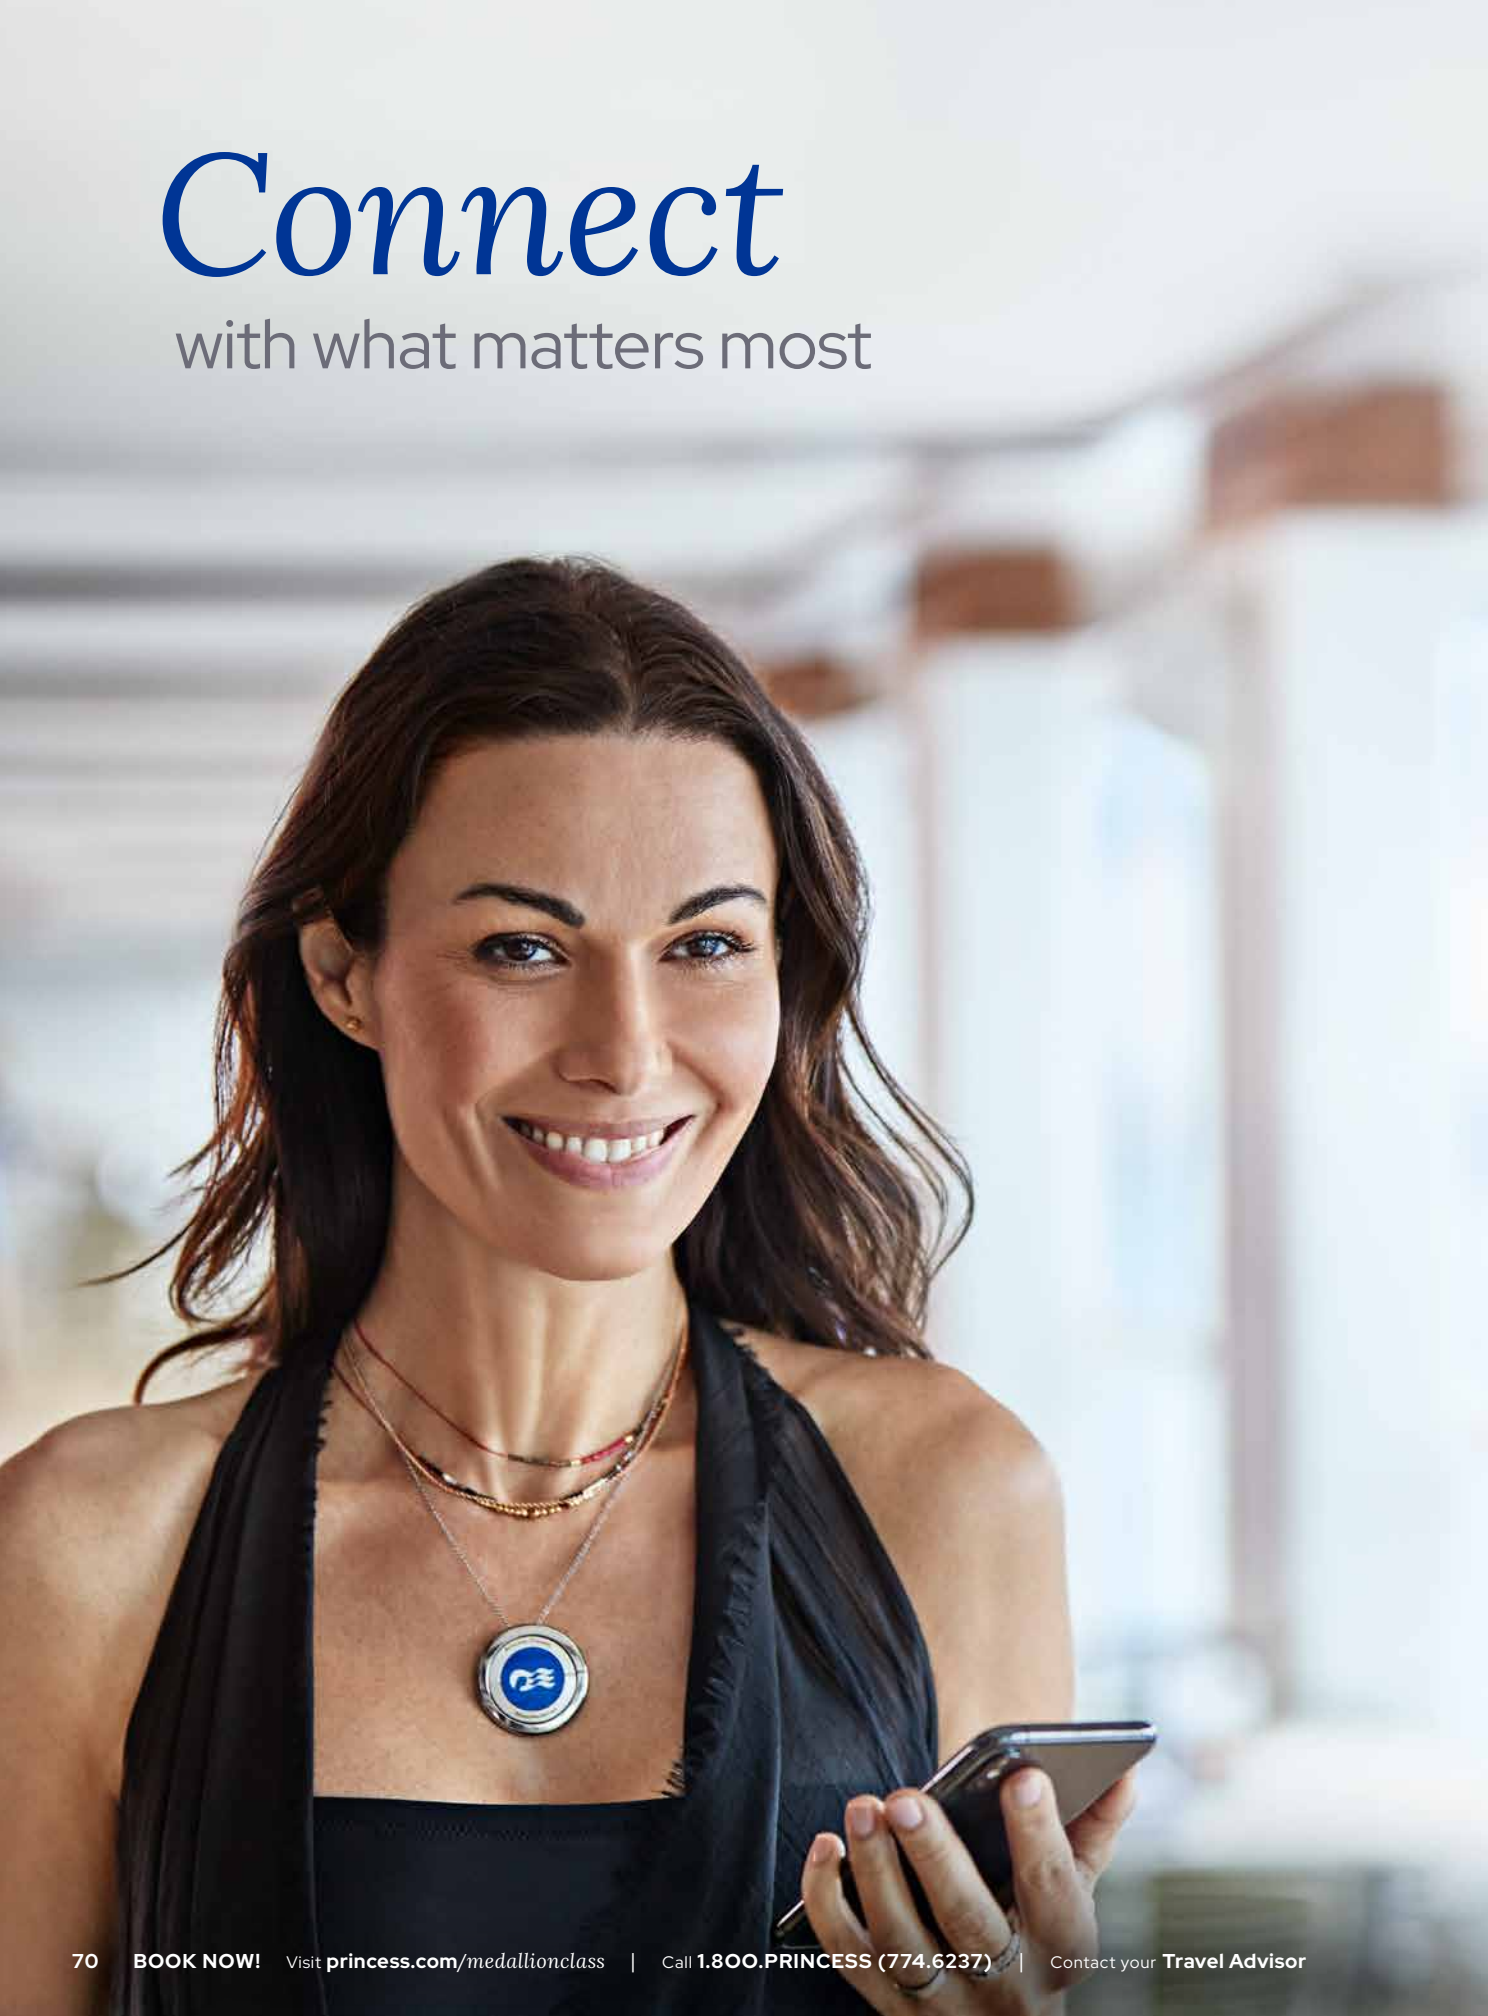
Connect

with what matters most



On a Princess® MedallionClass® cruise, your vacation is made effortless. Locate your loved ones anywhere on board. Make reservations with the touch of a button, or have food, drinks and other items delivered right to you. This personalized service lets you spend more time connecting with each other and doing what you love.

It starts with your Medallion® wearable device

Wear your free Medallion device wherever you go, and anything you want is right at your fingertips – drinks delivered to you by the pool, directions to your favorite show, even casino games.

MAKE THE MOST OF THE MEDALLIONCLASS EXPERIENCE

Quickly access MedallionClass features from your mobile device, your stateroom TV or conveniently located portals throughout the ship. Or, wave down a friendly crew member. Choose what's easiest for you.

START YOUR VACATION SOONER AND SAIL OCEANREADY®

Spend less time at the terminal and more time at the bar, pool or buffet or even get a treatment at Lotus Spa® – all open as soon as you embark. When you complete the OceanReady check-in steps before you sail, you'll receive your Medallion wearable at home and pick an arrival time to expedite boarding. Plus, personalize your experience even more by updating your profile and sharing your preferences.

SIMPLIFIED SAFETY BRIEFING

To streamline your experience, you can now get important safety information anytime, anywhere on board. On embarkation day, watch the required video on your MedallionClass app or stateroom TV any time before the ship departs, then check in with a crew member at your muster station so you know exactly where to go in case of an emergency.

EASY STATEROOM ENTRY

Your Medallion wearable eliminates the need to pull out a key card, unlocking your stateroom door as soon as you approach.

THE BEST WI-FI AT SEA[101]

Stream your favorite shows by the pool, post a picture of a decadent dessert to social media, or video chat with friends, family and coworkers. Our fast, reliable MedallionNet® Wi-Fi makes it easy to stay connected while you unwind.

FIND YOUR WAY – AND YOUR SHIPMATES – WITH THE MEDALLIONCLASS APP

Using your smart device or portals around the ship, you can easily locate anyone or find any place on board. Navigate the deck with turn-by-turn directions to wherever you want to go, or chat with family and friends through the app – no internet plan required.

CES (CONSUMER ELECTRONICS SHOW) 2019

IOT BREAK-THROUGH 2019

PORTHOLE READERS AWARD 2020

[101]Please note that depending on where our ships are sailing, you may encounter unavoidable service interruptions due to obstructions caused by geographical features. Also, in Southern latitudes such as the Caribbean or the Mediterranean, internet speeds are often faster than those in Northern latitudes, such as Alaska or the Baltics.

Personalize your experience

Your Medallion® device is yours to customize and wear however you want – on a necklace, sports band or clip, plus sustainable options. Make your vacation completely your own by telling us what you're allergic to, your dining preferences, accessibility needs, what special occasions you might be celebrating, even how you like your coffee! Create your own schedule, viewing and reserving activities of interest like live music, games, stargazing, dance classes and more.

OCEAN® SPORTSBOOK[98] PUTS GAMING AT YOUR FINGERTIPS

Raise the stakes with Ocean Sportsbook as you wager on real-time sports competitions – like March Madness, basketball and football games – even if the game is after your cruise vacation. You can also place your blackjack bets from the comfort of your stateroom. There's also fun for the whole family with PlayOcean® games and activities like location-based activity games. Play straight from the ship's interactive portals or compete with shipmates on the Movies Under the Stars® screen.

CUSTOMIZE DINING WITH DINE MY WAY® RESERVATIONS
