2nd edition
13-time winner of "Best Cruise Line in Alaska" by Travel Weekly.
A legacy is the lasting reputation spent decades building. A celebration of greatest achievements. The realization of a unique vision. At Princess,® we’ve spent half a century developing our legacy in Alaska — and take more guests here than any other cruise line. Our endless ambition to create your dream vacation is combined with an overwhelming passion for the awe-inspiring beauty of the Great Land. Monumental glaciers, iconic wildlife and towering mountains are only the beginning of what awaits when you set sail with the #1 cruise line in Alaska.* We invite you to celebrate this 50-year milestone with Princess and embark on an unforgettable journey.
beyond the surface

Come aboard for the voyage of a lifetime to a land that personifies the true beauty of the northern world. Bear witness to awe-inspiring scenery, majestic roaming animals and unforgettable history preserved in frontier towns. Embrace the gentle touch of a cool sea breeze. Drift between moments of bliss and astonishment, all leading up to a refreshed, elevated perspective... one that allows you to truly come back new.®
the great land

Envision a misty woodland teeming with dark rustic colors and active wildlife. Picture a white and blue maze of glacial formations in front of a jagged mountain range. Imagine listening to the constant rush of waterfalls while taking a deep breath of crisp, cool air. Every year, Princess® introduces more guests to these marvels than any other cruise line. And for that reason, it’s no wonder we’ve been named the “Best Cruise Line in Alaska” 13 times by readers of Travel Weekly.

After 50 years of discovering blue-tinged glaciers, iconic wildlife and majestic mountain ranges, we’ve perfected the Princess Alaska experience — an adventure that exposes our guests to the true magnificence of the Great Land.
Imagine sailing past towering peaks of snowy white glaciers, miles wide. Only the sounds of wind and seagulls disturb the silence. Then a massive crackling and a thunderous roar echo across the pristine bay. The ice-scape rumbles and quakes as the glacier splinters and calves, sending ice and snow cascading into the sea. There’s no spectacle in the world that surpasses these towering frozen masses and best displays the fierce majesty of the region. Turn to page 14 to learn more about these icy wonders.
Eagles nesting in treetops. Moose grazing through lush meadows surrounded by snow-capped mountain ranges. A breaching whale crashing down into the tranquil sea. On a Princess® Alaska vacation, it’s not uncommon for you to see all of these animals and more, such as Denali National Park’s Big 5: brown bears, wolves, moose, Dall sheep and caribou. You’ll also have plenty of chances to enjoy the sights of humpback, beluga and orca whales, along with harbor seals, sea lions and sea otters frolicking in the water.
Take a moment to pause and gaze up. Massive, eternally snow-capped mountains rise majestically against the bright blue sky, which darkens to a majestic indigo at twilight. Wild, untamed and exquisitely unique, this astounding landscape dwarfs your wildest imagination. No other place offers such untouched beauty. Home to almost 3,000 peaks and Denali, North America’s tallest mountain, Alaska’s summits are a feast for your eyes. And one you’ll never forget.
From the way the brisk air fills your lungs and reinvigorates your soul, to the natural wonders that open your eyes to sights you’ve only imagined, there’s a reason Alaska is called the Great Land. You feel it the moment your gaze catches the sun reflecting off the crystal blue brilliance of a glacier. Or when you spot a whale’s tail before disappearing beneath the ocean’s surface. And with Princess®, you can experience all the stunning scenery, charming cities and thriving wildlife of Alaska in one incredible voyage.

Princess brings more people here than any other cruise line. We transport you to the picturesque settings that postcards are made of in a truly unique way. So prepare yourself to witness the miracles of Mother Nature. Princess is ready for you to set sail.

“When planning our trip to Alaska, I asked my uncle who is a lifetime ‘cruiser’ about which cruise company was the best to take in Alaska and he said, Princess Cruises hands down.”

glaciers on your cruise

glacier bay national park

The awe-inspiring scenery of 3.3-million-acre Glacier Bay National Park never disappoints. From snowcapped mountaintops to deep fjords and freshwater streams, the magnificence of nature is abundant. This UNESCO-listed national treasure hosts eight of the world’s most spectacular tidewater glaciers. Humpback whales, sea otters, porpoises and harbor seals enjoy the waters, while black bears and mountain goats wander through the pristine parkland, which you can learn about through the knowledgeable Park Rangers who join you on board.

tracy arm fjord

Tracy Arm Fjord’s scenery stuns with its exquisite, wild beauty. Traverse down the narrow waterway past a deep forest. Sparkling waterfalls cascade from high above, while massive glaciers create the perfect backdrop for your picturesque view. This famed fjord is a glittering gem near Juneau, protected within the Tongass National Forest. The enormous Twin Sawyer Glaciers sit at the end of the fjord.
hubbard glacier

A colossal mass of snow and ice, 76 miles long and 1,200 feet deep. Its phenomenal, clear blue hues shimmer in the sunlight. North America’s largest tidewater glacier is defined by its awe-inspiring beauty — one of the most stunning wonders in the Great Land. Galloping toward Disenchantment Bay, Hubbard Glacier often calves icebergs the size of 10-story buildings. This immense and awesome sight to behold will leave you feeling small, even on your ship’s uppermost deck.

college fjord

College Fjord not only boasts the world’s largest collection of tidewater glaciers — including the massive Harvard Glacier — but countless opportunities to experience the roar of “white thunder,” as enormous pillars of ice break off from the glaciers and crash into the surrounding seas. Discovered in the northwest corner of Prince William Sound during an 1899 research expedition, College Fjord and its glaciers were named after prestigious East Coast schools.

voyage of the glaciers

It’s a sound that reaches into the depths of your soul — forever embedded in your sensory mind. The echoing roar of “white thunder.” It starts with a crackle. A chunk of ice the size of a house starts to separate from a glacier. More crunching. Then a thundering whoosh. The frozen mass detaches and crashes to the sea below. The boom that follows reverberates throughout your body. Glaciers are some of nature’s greatest spectacles, and our Voyage of the Glaciers cruise provides two iconic glacier-viewing experiences — Glacier Bay National Park and either College Fjord or Hubbard Glacier. This top-rated Princess® itinerary — the premier way to see the Great Land by sea — also takes you to some of the state’s most celebrated ports, and sails 500 miles farther north across the Gulf of Alaska, so you can catch more scenic views that take your breath away. And in 2019, Royal Princess® joins the Alaska fleet, adding her unique touch of refined beauty to this unbelievable journey.

HIGHLIGHTS OF OUR TOP-RATED CRUISE:

- Glacier Bay National Park — named one of the 7 Cruise Wonders of the World by Condé Nast Traveler.
- Sail over 500 miles farther north across the Gulf of Alaska and into Prince William Sound.
- A second glacier-viewing experience among the 16 glaciers at College Fjord, or Hubbard Glacier — the longest tidewater glacier in Alaska.
- Visit Gold Rush-era towns as you cruise the Inside Passage.

Imagine waking up just a mile away from the entrance to Denali National Park — six million acres of unspoiled wilderness — where the famous peak disappears over 20,000 feet high into the clouds above. Grizzly bears, moose and caribou roam freely among the tundra, while gray wolves and Dall sheep may be spotted in the distance. The campus-style Denali Princess Wilderness Lodge® is set above the picturesque Nenana River with sweeping views as far as the eyes can see. With an array of amenities and a helpful tour desk at your service, it’s the perfect home base for exploring all the wonders of one of Alaska’s greatest treasures.

**ADVENTURES GALORE**
Take advantage of your proximity to Denali with a variety of tours that allow you to explore the park. A Natural History Tour is included in most cruisetours or upgrade to the more in-depth Tundra Wilderness Tour.

**AT THE LODGE**
There’s something for every mood — enjoy a coffee by the fireplace in the main lodge, a glass of wine out on an expansive deck overlooking the Nenana River, or a relaxed stroll among the shops and restaurants.

**A TASTE OF DENALI**
Step into the elegant King Salmon restaurant for some fresh Alaska seafood or the Grizzly Bar & Grill for something a bit more casual. There’s also pizza at Lynx Creek Pizza or pastries and coffee at River Run Espresso.
Escape to Mt. McKinley Princess Wilderness Lodge®, a retreat only 40 miles from Denali (which was known as Mt. McKinley until 2015), for unsurpassed wilderness views and a host of recreational activities to immerse you in the great outdoors. Located south of the national park near the Chulitna River, this vast area of unspoiled wilderness is home to braided glacial rivers, massive mountains and a myriad of wildlife. Delight in walking trails, exhilarating zipline adventures and authentic culinary delights — all to be topped off by relaxing in our main lodge alongside the comforts of a warm, crackling fire.

**MT. MCKINLEY PRINCESS WILDERNESS LODGE® AT DENALI’S DOORSTEP**

**MOUNTAIN MAJESTY**
Sit and gaze at the majesty of “The Great One” from the lodge’s new treehouse! Approximately 500 square feet, the treehouse was designed and built by Pete Nelson of Animal Planet’s™ Treehouse Masters. Access the treehouse via a short hike from the main lodge and be rewarded by the ultimate Denali view.

**HOME, SWEET HOME**
In addition to the idyllic setting and comfortable guest rooms, enjoy dining in the sophisticated North Fork Restaurant or casual options like 20,320 Alaskan Grill, Base Camp Bar and Coffee Bruin Espresso. And to work up an appetite, choose from excursions including river rafting, glacier landings and fishing.

**ALASKA UP-CLOSE**
Hear stories about climbing Denali from the people who summited North America’s tallest mountain during “Meet the Mountain Climber” presentations in the Hudson Theater. And right outside, see Alaska bush pilot Cliff Hudson’s restored plane, which he used to fly climbers directly to Denali.

What should I wear on the ship?
Casual sportswear, including lightweight pants and jogging suits, is the order of the day in Alaska. Just remember to bring a sweater or jacket for cool evenings, an umbrella or rain gear in case of rainy weather, and comfortable walking shoes for excursions. For evening dining, there are two designations for dress codes in our dining rooms: Smart Casual and Formal. When evening dress is Smart Casual, guests dress as they would for a fine restaurant at home. Inappropriate dinner wear, such as pool or beach attire, shorts, ball caps and casual jeans (with fraying and/or holes), is not permitted in the dining rooms. Shoes must be worn at all times. On Formal nights, appropriate attire includes evening gowns and cocktail dresses for ladies, and tuxedos, slacks with dinner jackets, or suits for men. Princess offers formal wear rental on all itineraries and at our wilderness lodges, but all meals are at your own expense unless otherwise specified in the daily tour itinerary.

What is the price include?
Your comprehensive cruise fare includes onboard accommodations, meals on hosted land tours unless noted otherwise, transfers and items of a personal nature such as, but not limited to, spa services, shore excursions, beverages and some snacks, photography, gratuities and medical services.

What documents do I bring?
You’ll need your cruise Boarding Pass and Travel Summary, and airline tickets or airline eTicket receipts. In addition, you should bring with you a copy of the Cruise Passage Contract. All guests, including children, must travel with a passport, valid for at least six months after the completion of the cruise. You must also present vaccination certificates and other health documents if required for your particular ports of call. If you don’t have the proper documentation, you will be prevented from boarding the flight or vessel without refund of the cruise fare and/ or airfare, and you will be subject to any fine or other costs incurred by Princess. Please consult your travel agent or call Princess at 800.774.6237 for full details regarding documentation, as it is your obligation to determine what documents will be necessary.

How can I arrange my shore excursions?
Cruise guests may choose from various shore excursions, some of which are meals at some alternative dining venues, beverages and most entertainment. Excluded are meals at some alternative dining venues, meals on hosted land tours unless noted otherwise, transfers and items of a personal nature such as, but not limited to, spa services, shore excursions, beverages and some snacks, photography, gratuities and medical services.

Debit Cards and American Express/Optima, U.S. currency, Canadian currency, British currency, Euro currency and traveler’s checks are accepted. Those paying by traveler’s checks or cash will be required to leave a $300 USD per person cash deposit with the Guest Services/Purser’s Desk at the beginning of the cruise. Cruisetour guests will find that traveler’s checks and major credit cards are widely accepted in most ports of call.

When will I receive my documents?
Princess eTickets allow you to access your booking details at any time. Upon confirmation, you can use the Cruise Personalizer® at princess.com to review the Passage Contract, view your reservation, complete all required Guest Immigration information and provide contact information. Approximately 120 days prior to the voyage, departure date you will have access, via the Cruise Personalizer, to view and reserve shore excursions and Lotus Spa® appointments. As part of our ongoing commitment to service innovation, Princess no longer mails pre-cruise documents. Instead, you will receive pre-cruise emails. You may print your Boarding Pass and personalized luggage tags within 75 days of sailing once your booking is paid in full and all required Guest Immigration information has been provided. If you do not have Internet access, your travel agent may assist you in securing the necessary information, or call Princess at 800.774.6237 for assistance.

Do you provide Express Checkout?
Like the finest hotels, Princess offers a quick and easy checkout service on board. Just register your credit card at embarkation or at the Guest Services/Purser’s Desk as early as possible during your cruise.

What should I do about tipping?
During your cruise, regardless of which Princess ship you choose, you will meet staff who provide you with excellent service. Crew members often rotate to different vessels within
the Princess fleet, which helps to maintain our high standards on every ship. These dedicated workers reflect our philosophy that all crew on all ships are but one family who share in our success. To simplify the tipping process for our guests, a discretionary gratuity of $15.50 per guest for Suites, $14.50 per person for Mini-Suites (including Club Class), and $13.50 per guest in all other staterooms per day (including children) will be automatically added to your shipboard account on a daily basis (excluding pre-paid charters). This gratuity will be shared among those staff who help provide and support your cruise experience, including all waitstaff, stateroom stewards, buffet stewards, and housekeeping staff across the fleet. For your convenience, this gratuity can be pre-paid before you sail by calling 1.800.774.6237 and referencing Special Services item number 0597.

A 15% gratuity is added to bar charges and dining room wine accounts. This is shared among the beverage staff and their support staff. There is also a 15% gratuity (5% on Australian-based ships) added to all spa services and fitness classes offered in the Lotus Spa,® Salon and Fitness Center. Casino dealers and youth staff do not share in these gratuities, as not all guests utilize these services.

Please note that post-cruise adjustments to gratuities are not possible.

Do you offer travel insurance?
Yes, we strongly recommend the purchase of Princess Vacation Protection, which covers up to the full value of your trip in case you need to cancel or interrupt your trip. There will be no refund of cancellation or interruption fees by Princess. You must recover such fees from Princess Vacation Protection or other travel protection. For more information, please contact your travel agent or call Princess at 800.774.6237.

How do I make arrangements for dining room seating and special diets?
Seating arrangements in the dining room are made by request on a first-come, first-served basis. To request Anytime Dining,® Traditional first or second seating, special diets, or seating with a specific party, it is best to have your travel agent request your arrangements at the time of booking. Your dining arrangements will be shown on your Travel Summary.

What about clearing customs?
At the end of your cruise, customs and immigration inspectors will review your customs declaration form, on which you are to list all of the dutiable articles bought in foreign ports or in the ship’s boutiques. U.S. residents returning to the United States are allowed a duty-free exemption of $800 USD per person, which includes the cost of one liter of alcoholic beverages, if purchased ashore, for each guest over 21 years of age. Canadian citizens, when out of the country for seven days or more, may bring back up to $750 CAD duty-free. It is recommended that guests keep their sales receipts handy for declaring their purchases. Food items should not be landed in U.S. ports. To provide greater peace of mind while you’re away from home, give friends and relatives information on how to telephone you while on your ship.
