explore the ports

Ancient shrines celebrating tranquility. Towering skyscrapers overlooking bustling crowds. Two contrasting visions of a country steeped in tradition, but still flourishing with technology. Japan’s rich heritage is felt every time you explore one of its stunning temples, yet flashing neon signs atop ultra-modern architecture is just as iconic to parts of this island nation.

Hakodate
One of the main cities on the island of Hokkaido, Hakodate is home to Mount Hakodate, where you’ll enjoy spectacular, breathtaking views after a ride to the top via cable car. At its base is Motomachi, a neighborhood of Western-style, early-20th-century buildings.

Akita
Enjoy a More Ashore Late Night stay in Akita and experience the popular Akita Kanto Festival, held in August. In hope of good harvest, the festival features a procession of 200 bamboo poles with lanterns weighing over 100 pounds, carried on the foreheads or shoulders of the celebrants.

Busan
Melding ancient history with contemporary life, Busan is a bustling metropolis and South Korea’s second-most populous city. Not only does it offer an exciting city vibe, but you’ll also find gorgeous beaches, mountainous terrain and traditional seafood dishes.

Kagoshima
Home to the great Sakurajima, a well-known active volcano that faces Kinko Bay. Kagoshima is located on the Ōsumi Peninsula, which boasts a chain of active and dormant volcanoes.

Kochi
Located at the head of Urado Bay, the city of Kochi is the political, cultural, economic and trading center of the prefecture. It’s also home to the Kochi Yosakoi Dance Festival, which features energetic dancers carrying “naruko” wooden clappers.
**Tokushima**
The Tokushima Awa Dance Festival is one of the most famous summer dance festivals, dating back to the 1500s. It features dancers performing throughout the city well into the night and is known for the famous “Fool’s Dance.”

**Kanazawa**
Discover the traditional Higashi Chaya District in Kanazawa, which features teahouses where geisha perform, as well as a multitude of shopping, entertainment and historical buildings.

**Aomori**
Experience the Nebuta Festival, held in early August, and marvel at the massive illuminated Nebuta float figures shaped like famous historical and mythological Japanese characters. Traditional music performances and vibrant dancers are also key aspects of the famous event.

**HOKKAIDO**
Japan’s second-largest island features spectacular mountains and volcanic plateaus. A city offering a stunning array of native fish dishes, Hakodate is the producer of incredibly high-quality sushi.

**KYUSHU**
The southwestern island is known for its active volcanoes, beaches and natural hot springs.

**RYUKYU ISLANDS**
This treasure trove south of Japan’s main islands includes Okinawa, the birthplace of karate, and Ishigaki, a tropical paradise known for its turquoise waters.

**HONSHU**
The country’s largest island is home to its largest cities, including Tokyo, Kyoto and Osaka.

**SHIKOKU**
The smallest of Japan’s major islands, Shikoku features a mountainous interior with various hiking trails and rivers with whitewater rapids.

**CRUISE FROM TOKYO (YOKOHAMA)**
From captivating architecture to meticulously maintained gardens, shrines and temples, Tokyo never fails to delight and inspire. Learn about the miraculous legend surrounding Sensoji, Tokyo’s oldest temple; savor the perfect cup of tea during a traditional tea ceremony; or peer into steaming sulfur springs inside Japan’s famed Fuji-Hakone-Izu National Park, home of Mount Fuji.

**CRUISE FROM KOBE**
Located on Osaka Bay, this prominent port is not only known for its signature beef but also as the gateway to the splendid sights of ancient Kyoto, a UNESCO World Heritage Site, Osaka and Nara. From this port, you can access Nara, once considered the cradle of Japanese art and home to the immense Todaiji Temple, which holds the bronze Buddha statue nearly 50 feet tall.

Japan’s gardens and parks are awash in colors when spring flowers are in bloom. Wander under canopies in Kochi, where you can stroll amongst a striking scene of blossoms surrounding Kochi Castle. Or enjoy a More Ashore Late Night night stay in South Korea’s Busan, allowing extra time to savor traditional Korean barbecue and explore the city’s colorful markets.

southern islands & japan explorer cruises

Take a glimpse into the past by discovering Okinawa’s historic and cultural treasures. The ancient castles of feudal lords and mighty samurai warriors loom upon the horizon. The winds of time swirl within Peace Memorial Park and throughout World War II memorial sites. Your ship will cross gentle seas toward Ishigaki and the shores of Taiwan before reaching Kobe or Tokyo.

captivate

Considered one of the most idyllic places in Japan, Ishigaki Kabira Bay sparkles with green- and blue-hued waters. The Bay is also one of only two black pearl cultivation sites in Japan, and because of this, swimming is not allowed. explore japan with ease

Traveling to Japan has never been easier with Princess Cruises. From seamless flights and transfers to shore excursions and all the unforgettable experiences in between, we can handle every detail. We are pleased to announce that this year, Princess Cruises was the proud recipient of the distinguished Japan Tourism Agency Commissioner’s Award for outstanding contributions to the cruise market in Japan. This honor speaks to our tireless dedication to bringing the best and broadest Japan cruise offerings to our guests. No matter what adventures you seek in the land of the rising sun, you can know that you’ll always be in good hands when you sail with Princess.

Can I visit without knowing the language(s)?
Absolutely. English is spoken on board and on shore excursions — even by many locals. Signage and information you’ll find in cities are often in English too.

What about dealing with local currency?
No worries — onboard charges are priced in U.S. dollars, and a currency exchange is available on your ship.

How can I get there?
Easily book your flights through Princess EZAir. You not only enjoy low prices but also Late Arrival Protection, which ensures you’ll get to your cruise even if flights are delayed or canceled. Visit princess.com/ezair for details.

How difficult is planning a cruise like this?
It’s much easier than you think. Just book your cruise, and handle all the pre-cruise details in the Cruise Personalizer on princess.com.

Is it safe?
For more than 50 years, Princess has safely taken guests to some of the most exotic places on the planet. Our commitment to guests and crew safety comes first. Always has, always will.

How can I maximize my time in Japan?
Our cruises highlight the best of each region. More Ashore port calls mean a Late Night stay (9p.m. or later) or an overnight, giving you more time to dive into local life.

What if I don’t like the local cuisine?
When dining on board, you get the best of both worlds — delicious regional dishes and familiar favorites you love. Of course, sampling the world-famous cuisine at a local restaurant ashore is a cruise highlight as well.

Note: Amenities represent typical arrangements and may vary by ship. Certain stateroom categories may vary in size and configuration by ship. Stateroom views are considered unobstructed unless noted otherwise. Some categories have portholes versus picture windows. Some staterooms are partially to fully obstructed, as shown on deck plans. Obstructions do not include certain nautical items like handrails, dividers or ship hardware. For balcony staterooms, the view is determined from the perspective of the balcony railing. Balconies may have either solid steel or glass railings. Upper berth and bed ladder capacities are 250 lbs. Staterooms that can accommodate rollaways have two lower berths and one upper berth, and the staterooms can accommodate a fourth berth as a rollaway bed upon request at time of reservation. There are a limited number of rollaway beds per ship, per voyage. Use of rollaway beds restricts cabin space. Call 1.800.774.6237 for more information. *Open for breakfast and dinner daily as well as lunch on sea days. **Includes ½ bottle of red wine and ½ bottle of white wine on embarkation day. ♦Charges apply for pizza delivery and beverages. Subject to change. †On select ships. Thermal Suite is not available on Royal Princess®, Regal Princess®, Majestic Princess®, Golden Princess®, Grand Princess®, Pacific Princess®, Sun Princess®, and Sea Princess®. ††Pacific Princess® only has one flat-panel TV. †‡Complimentary mini-bar setup is one-time only per stateroom for guests 21 and over. Welcome glass of Champagne is for guests 21 and over.
