Japan is a country where modern ideas and cherished traditions fuse to create a truly unforgettable experience. Paired with breathtaking landscapes that vary from soaring peaks to tropical locales, this alluring destination is a feast for the senses. Here’s our pick of the top sights to see on your voyage to Japan.

1. **Cherry Blossoms:** Every spring, the islands of Japan are doused in shades of pastel pink, courtesy of the cherry blossom trees — or sakura — that bloom with delicate petals for a short spring moment. The cherry blossoms are celebrated, not only for their beauty, but as a symbol of Japanese traditions and new beginnings.

2. ** Legendary Cities:** Enduring traditions and modern architecture converge in two of Japan’s most iconic cities: Tokyo and Kyoto. Wander Tokyo’s fashion districts like the upscale Ginza district, where high-fashion luxury is effortlessly blended with Japanese heritage. Behold the beauty of Kyoto, where the sheer number of historic castles, temples and other monuments rivals Rome or Athens.

3. **Natural Wonders:** Visit Kyoto to see the city drenched in vivid red hues or stroll Momijidani Park in Hiroshima to admire the brightly colored leaves and peaceful ambiance. Take a dip in one of the natural hot springs — or onsen — and soak up healing benefits from the minerals and warmth of the pools.

4. **Festivals:** Giant lantern floats flanked by booming taiko drums, spirited musicians and twirling dancers are the highlights of the Nebuta Festival held in Aomori. The Awa Odori Dance Festival held in Tokushima is a dazzling spectacle where amateur and professional dancers perform songs and dances throughout the city. There are more than five festivals that we’ve planned our itineraries around.

5. **Fireworks:** Marvel as ribbons of neon colors illuminate the evening sky during a variety of sailings where you’ll witness fireworks known as the “fire flower” — or hanabi — while in port with one exception which is the Kumano Fireworks Festival, which can be seen only from the deck of your ship. Some fireworks festivals feature sparkling displays set off from boats on lakes, some are dedicated to gods, while others are contests.

**Sake:** Savor the taste of sake, a traditional alcoholic beverage made from fermented rice. It’s served warm or chilled, and flavors range from light and crisp to substantial and fruity. Tour local sake breweries to sample flavors and learn the history and process of brewing sake.

**Sushi:** The concept of sushi blossomed when vinegar was added to rice to improve the preservation of fish. Find your favorite type of sushi at a Kaiten-zushi restaurant, where delectable varieties of sushi, created by expert chefs, are served on conveyor belts that wind throughout the restaurant.

**Museums:** Relish in the history of the Tokaido Hiroshige Art Museum that houses a collection of over 1,400 traditional woodblock prints. For a truly unique experience, venture to Okhotsk Ryo-hyo Museum and test out the simulated drift ice experience in a room where the temperature is set at a chilling five degrees Fahrenheit.

**Temples, Shrines and Castles:** The elegantly curved rooftops and intricate details of Kochi Castle command attention atop a steep hill overlooking downtown Kochi. Embrace the peaceful silence at the Otori Gate in Hiroshima, a UNESCO World Heritage Site, or travel to Lake Biwa (from Osaka) and discover two historic templates: Enryaku-ji and the serene, mountainside Ishiyama-dera Temple, both UNESCO World Heritage Sites.

**Gardens:** Japanese gardens are created to inspire meditation and tranquility, and are designed to imitate natural landscapes throughout Japan. Soak up the palpable peaceful environment throughout Ryōan-ji Temple’s rock garden — one of Japan’s most famous Zen gardens and a UNESCO World Heritage Site.
Springtime in Japan drapes cities and villages in soft pink, purple and white hues that accent timeless temples and modern cityscapes. Wander the streets of downtown Tokyo, where delicate petals lace bustling streets. Or capture the astounding beauty of Mount Fuji, contrasted by a bright blue sky and pastel pink cherry blossoms.

Easily book your flights through Princess EZair®. You not only enjoy low prices but also Late Arrival Protection, which ensures you’ll get to your cruise even if flights are delayed or canceled. Visit princess.com/ezair for details.

How can I maximize my time?
More Ashore port calls mean a Late Night stay (9 p.m. or later) or an overnight, giving you more time to dive into local life.

What if I want to spend more time exploring inland sights in Japan?
Princess® offers immersive cruisetours before and after your cruise, combining a cruise with a multi-day escorted land tour. You’ll have time to explore inland cities and sights that aren’t easily accessible from port cities.

What if I don’t like the local cuisine?
When dining on board, you get the best of both worlds—delicious regional dishes and familiar favorites you love. Of course, sampling the world-famous cuisine at a local restaurant ashore is a cruise highlight as well.
