Cruising is the best way to see the Panama Canal

Gaze in awe as you traverse the massive lock system, named one of the "7 Cruise Wonders of the World" by *Condé Nast Traveler*. Princess has been crossing the canal for over 50 years, and our onboard destination experts explain the history and culture of Panama with live narration from the bridge. Choose from 12-day cruises that sail roundtrip from Ft. Lauderdale and partially transit the locks, plus explore Caribbean islands. Or enjoy a 16-day Ocean-to-Ocean cruise between Ft. Lauderdale and either San Francisco or Los Angeles and experience a full transit through the canal.

A marvel of engineering

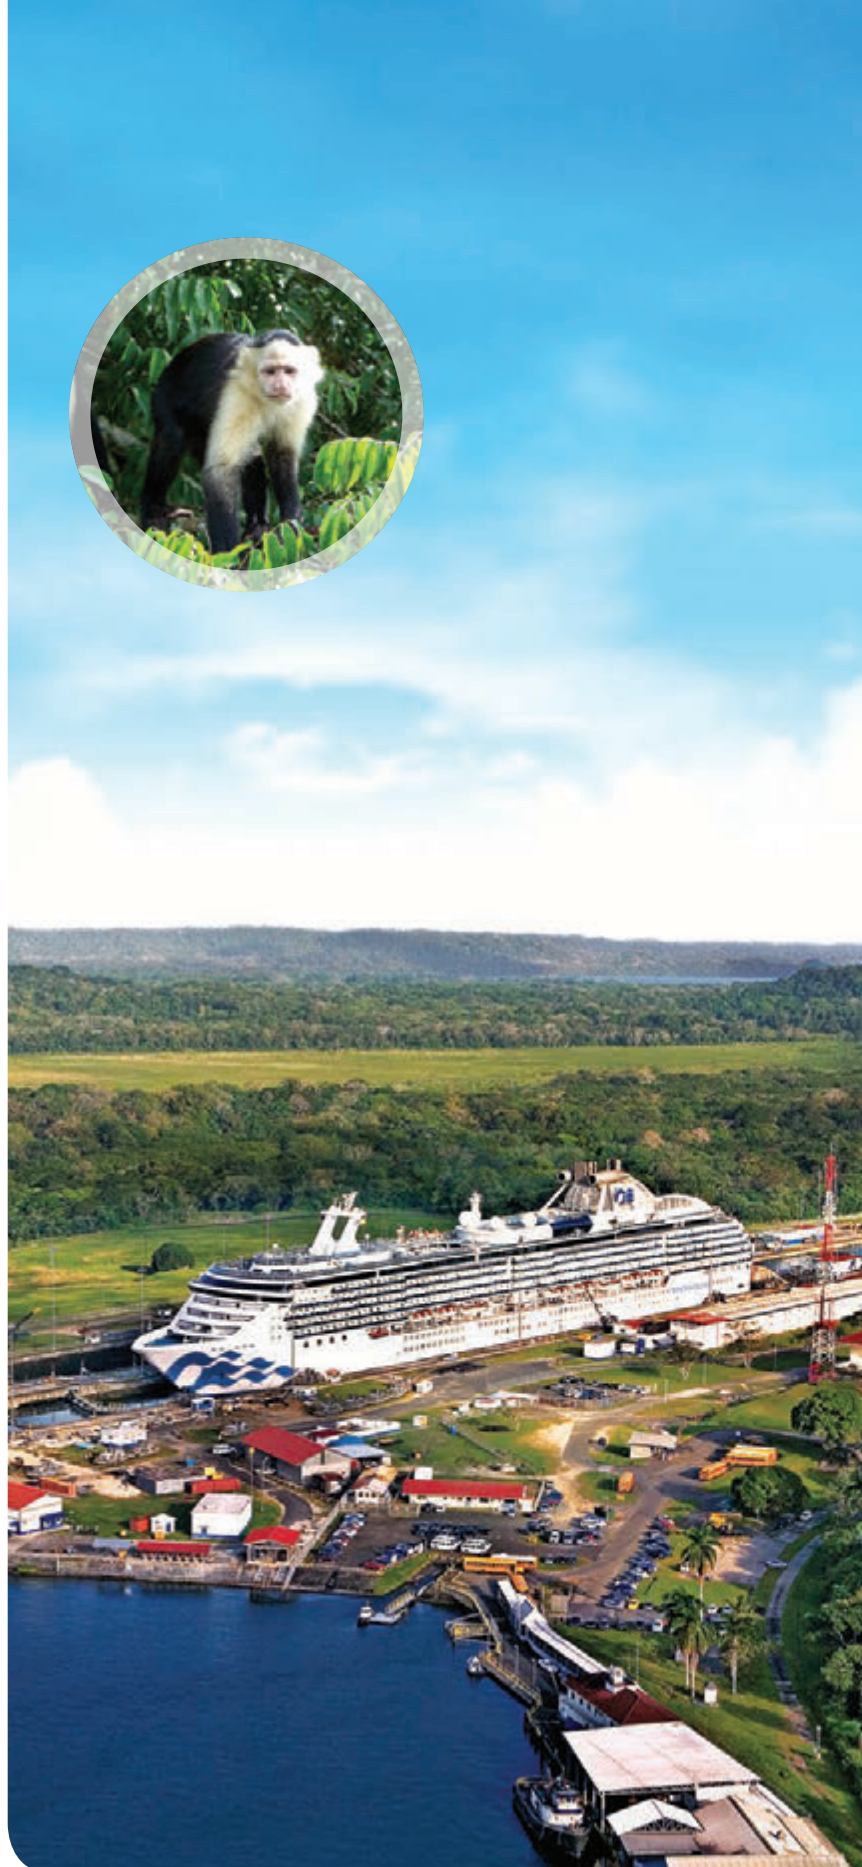

There is no other place on Earth where you can begin in one sea and travel to a completely different ocean within hours - bypassing the entire continent of South America. Experience the new locks that opened in 2016, or transit the historic locks. Marvel as your ship is raised and lowered just by gravity powered by the world's largest man-made lake. Every itinerary includes scenic cruising through Gatun Lake, and optional excursions are available for deeper exploration into the engineering and history of the canal.

Enriching cultural experiences

There is something for every type of explorer in this culturally diverse region. We craft our Panama Canal itineraries to highlight the best of must-see destinations in Central America, Mexico and the Caribbean. You'll love historical cities dating back centuries, as well as diverse tropical rainforests, white-sand beaches and dramatic volcanoes. Visit top UNESCO World Heritage Sites like Cartagena's walled city and the Archaeological Site of Panamá Viejo.

Rainforests and wildlife

Explore lush rainforests filled with ecological wonders and unique wildlife. Interact with animals in the wild on Animal Planet™ recommended shore excursions. Visit a sloth sanctuary to experience tree-dwelling sloths, or soar over the rainforest in an open aerial tram.

2025–2026

Panama Canal

It's been called the "world's greatest shortcut" and one of mankind's greatest engineering achievements. And the best way to experience the Panama Canal is on a Princess® ship. You can transit either the historic locks, which opened in 1914, or the modern new locks that began operating in 2016. But a Panama Canal cruise goes beyond the canal. You'll experience stunning landscapes (including lush rainforests) and amazing wildlife. And with historic cities that date back to the Age of Exploration, you'll love learning about and celebrating colorful cultures. Princess is the **#1 Panama Canal cruise line**, bringing more guests through this historic region each year than any other cruise line.

Ways to experience the Panama Canal

Roundtrip from Ft. Lauderdale: Our 12-day Panama Canal with Costa Rica & Caribbean is ideal for the thrill of transiting the canal's locks on the Atlantic side. And you'll get to visit relaxing beaches in Costa Rica and historic cities like Cartagena, Colombia.

Ocean to Ocean: Sailing between the Atlantic and Pacific, you'll have the chance to really appreciate this engineering marvel with a full transit of the Panama Canal locks. Plus, you'll experience a diverse array of cultures on both sides of the canal from the Caribbean to Mexico.

Nature & history: Discover verdant rainforests in Costa Rica filled with ecological wonders and unique wildlife. Princess offers a range of Animal Planet™-recommended shore excursions that give you the chance to interact with incredible animals like adorable, tree-dwelling sloths in their natural habitats. You'll also have access to UNESCO World Heritage Sites, like Cartagena's walled Old Town and the Archaeological Site of Panamá Viejo.

Engineering & lock transit: Powered by gravity using the water from the world's largest man-made lake, Gatun Lake, the Panama Canal is a must-see destination. Marvel up close as your ship is raised and lowered through the massive lock system, named one of the 7 Cruise Wonders of the World by *Condé Nast Traveler*. We were the first cruise line to transit the locks in 1967, and today we

provide an immersive experience with live narration from the ship's bridge as you cross. We enhance the experience with fascinating history and insights into the engineering feats of the canal.

Princess MedallionClass® experience:

It's having whatever you need delivered wherever you are. And crew who know your name before you say a word. It's Wi-Fi that lets you post photos and share your experiences as they happen. Finding your shipmates anywhere on board, and your stateroom door unlocking as you approach. The Princess MedallionClass experience gives you more of the vacation you'll love. And it's for everyone.
