## Cruises from the UK

You don't have to go far to see some extraordinary sights. From the rugged Shetland Islands – possibly Scotland's most beautiful archipelago, to Greenland's iceberg spectacles, diverse landscapes can be discovered straight from your doorstep. Southampton is the portal to some amazing cities that will ignite your imagination. Hop over to Bilbao where nibbling pintxos is as mandatory as a visit to the Guggenheim and where foodies can take part in fun cooking lessons learning how to produce Spain's avant-garde cuisine. Then there are the cool culture capitals with high doses of creativity and surprising nooks to investigate. When in Copenhagen, take a trip to the Tivoli Gardens, a whimsical 19th century amusement park with manicured gardens and twinkling lights. If you visit Lisbon, after a ramble around its colourful baroque streets, why not catch one of the century-old wooden funiculars up the city's hilltops for the best panoramas of this sun-kissed city.

Journey to Norway and Iceland to immerse yourself in raw nature with finely tuned excursions to make your time all the more memorable. You might just catch a glimpse of the phenomenal Northern Lights with the insight of an expert guide. Veer off the beaten track and you'll have a chance to discover something new like an indigenous Sámi lavvu tent where you'll learn about Norway's native culture while enjoying a traditional reindeer meat snack. The dramatic Norwegian fjords are so mesmerising from the deck you may not even want to leave the ship. Or if its brisk coastal walks and marshmallow-topped hot chocolate you dream of, a cruise to Canada and New England provides just that with a backdrop of small towns, forested mountains and charming cobbled coves.

## Mediterranean fly-cruises

A cruise around the Mediterranean feels like greeting an old friend. No matter how many times you meet, that spark is always there, fuelled with the promise of sun-soaked towns, millennia-old cities and sparkling seaside coves. The region is full of extraordinary finds, from France's rolling vineyards and the stylish French Riviera to Istanbul's lively spice bazaars and hazy Bosphorus strait. Cruise to Italy's Amalfi Coast synonymous with sophistication and sea vistas where you can experience la dolce vita with a local Italian chef who'll share his secrets to making homemade pasta and the freshest tomato sauce. Or discover bucket loads of history in ancient Rome, possibly the most strollable city in the world, exploring landmarks like the magnificent Colosseum where a guide can bring to life its glorious Roman architecture of the very 1st century.

New discoveries call for fresh faces and Sun Princess, our newest LNG powered ship, will be sailing her inaugural season through the Mediterranean in styles a la mode. Stop at the sparkling islands of Greece gilded in the sun, where white-washed villages all the more exquisite against a backdrop of the Aegean Sea. Mosey down Santorini's sleepy streets followed by a trip to a winery where you can sip chilled white wine crafted from age-old techniques.

When in Barcelona, a whirl around Gaudi's structures, enhanced by narration, is a mandatory activity for architecture aficionados, as is a ride on a tuk-tuk alongside Kotor's magical Boka Bay.

## The rest of the world

Wherever there's an ocean, Princess can take you there. We sail to over 330 destinations across all seven continents and cruising is an easy and convenient way to travel. You unpack once and experience the best of the destinations you visit all in one holiday. Sea days are as active or as relaxed as you like and nothing compares to the feeling of the open sea with a warm ocean breeze.

This brochure features itineraries from some of our most popular destinations but there are many others to choose from. Explore the rest of the world from the comfort of your arm chair and read on to learn more about the world we sail to.

Discover memorable adventures in Alaska, the unique culture of Asia and Japan, and the wonders of down under on a cruise to Australia and New Zealand. A magical paradise awaits on cruises to Tahiti and the South Pacific, and holidays to The Americas include cruises to see California's wine country, the dramatic fall colour in Canada and New England, the sun-kissed shores of the Caribbean, or carefree cruising around Hawaii. Experience the fun, flavour and fiesta of Mexico, the awe-inspiring Panama Canal, the passion of South America, and the splendour of Antarctica. Or experience the journey of a lifetime with a World Cruise.

Let us escort you to see hidden gems on our carefully crafted itineraries to the most-sought-after destinations. Don't just take our word for it, the experts love us too. Princess is 14-time winner of Recommend Magazine's Best Cruise Itineraries award. ## Alaska

You don't need to be David Attenborough to appreciate Alaska's stunning wilderness. Nothing can prepare you for its immense snowcapped mountains and heart stopping encounters with nature.

Celebrating a special occasion with some of your closest friends? Or maybe it's time for that big family bash you've been longing to have. Not only does Alaska offer epic scenery, but also adventures that are perfect for sharing.

It's a great one for families. Discover the thrill of dogsledding with your children, watching their eyes light up as they're whisked through the forest by Alaska huskies. Back on board they can then meet Libby Riddles, the champion of the legendary Iditarod race – Alaska's very own Monte Carlo racetrack. There's no better complement to all that fresh air than swapping stories in a seafood shack over garlicky king crab, or gawping at glaciers hand-in-hand from the verandah in silent admiration. Or try your hand at one of Alaska's greatest pastimes – fishing for salmon – just ask the chef to cook your catch for supper while you congregate with new friends back onboard.

If you want to make it a trip of a lifetime, why not add on some time on dry land discovering the state with the same wonder as those first pioneers, albeit in considerably comfier ways.

Unlike any other operator, Princess offers four exclusively designed tours, each one opening up the location in spectacular fashion. Choose the Denali Explorer experience and a Direct-to-the-Wilderness train service will scoop your clan into the heart of Denali National Park, quicker than anyone else. This is no ordinary train ride. Think glass-domed carriages for all encompassing views and guides on hand to answer any questions that may pique your curiosity. All the while, an open-air observation platform offers front-row scenes of Alaska's unravelling forests.

Your base in a custom-made Princess Wilderness Lodge means you'll be up close to the action. Whichever of the five distinct Princess Wilderness Lodge's you choose, each one offers an exclusive perspective of the area, whether that's waking up to views of Mt. McKinley – a spectacle rarely afforded to other hotels, or retreating to a secluded peninsula – an outdoor sporting paradise ideal for hiking, rafting and horseback riding. See page 44 for details.

Life changing experiences don't come around that often. But one thing's for sure, a Princess Cruises trip to Alaska means you can explore this extraordinary place like nobody else.

## Princess Wilderness Lodges

The best way to experience the heart of Alaska is on a Princess cruisetour. Combine a cruise and scenic rail travel with stays at Princess owned Wilderness Lodges. Simply choose to cruise before or after your landtour.

**NORTHBOUND CRUISETOUR** - 7 night Voyage of the Glaciers cruise + Exclusive Direct-to-the-Wilderness rail service + 3 or more nights on land at Princess Wilderness Lodges

**SOUTHBOUND CRUISETOUR** - 3 or more nights on land at Princess Wilderness Lodges + Exclusive Direct-to-the-Wilderness rail service + 7 night Voyage of the Glaciers cruise

### MT. MCKINLEY PRINCESS WILDERNESS LODGE

This is one of our most popular lodges as it is only 40 miles from Denali, the tallest peak in North America.

Roast a marshmallow at the fireside patio, hear climbers share their stories in the Hudson Theatre, or explore the great outdoors with an excursion such as river rafting, glacier landings and fishing. Attend a photosymphony show of the Aurora Borealis set to classical music, or spend the afternoon learning about the park from Denali State Park naturalists. High above the trees you'll find the treehouse where you can enjoy birch syrup-tasting parties with unobstructed views.

### KENAI PRINCESS WILDERNESS LODGE

This lodge offers direct access to the Kenai Peninsula. Fish for wild salmon before returning to the coziness of your Alaska wilderness lodge after a day full of adventure. With a wood burning stove, vaulted ceiling and a private porch in every guest room, it's easy to feel at home. Unwind fireside in the Main Lodge, or on the expansive deck overlooking the Kenai River. Navigate the Kenai nature trail, kayak along the lake with loved ones, raft through Class II rapids, or meet a local homesteader and see sled dogs in training.

### COPPER RIVER PRINCESS WILDERNESS LODGE

This lodge sits where the two rivers meet and the wilderness of Wrangell-St. Elias National Park begins. Capture pictures of the local flora and fauna while strolling along the walking trails around the lodge.

Or opt for a National Park Ranger-led tour. Tour Prince William Sound by boat to see Columbia Glacier up close, and venture into the untouched lands of Wrangell-St. Elias National Park. Or hop aboard a jet boat, or raft, for a day of wild salmon fishing and the chance to take home one of the most prized fish in the world.

### DENALI PRINCESS WILDERNESS LODGE

This is a charming lodge near the heart of wilderness, wildlife and six million acres of untouched lands. Located one mile outside the main entrance to Denali National Park, this is the perfect base to explore the wonders of one of Alaska's greatest parks. Wake up with a morning stroll along the lodge's riverside walking path, or hike along the 2-mile Horseshoe Lake Trail. Ride in a helicopter above the tree line and hike across pristine tundra with an expert guide. Or cast your net into the waters of Fish Creek on a pursuit of Arctic grayling.

## Asia & Japan

The Far East is easily one of the most intriguing places in the world. Just ask anyone who's been. One moment you'll be enveloped in Tokyo's futuristic metropolis shoulder to shoulder with its trendy crowds.

Next you'll be absorbed in Ho Chi Minh City's ancient architecture and temples. Not to mention the spellbinding topography found in Thailand's silky soft-sand beaches and the stunning landscapes, karsts, caves, sea-arches, stacks, glacial dropstones and fossils that make up the geological marvel of Langkawi.

### TRAVEL WITH THE DESTINATION EXPERTS

In a region that's as beguiling as it is beautiful, it's easy to get swept off your feet. That's where the Princess destination experts come in handy. As connoisseurs of the area, we'll open doors to the region with great passion, whether you'd like see the world's largest bronze Buddha inside the Great Hall of the Todai-Ji Temple in Osaka, or learn about the cultural tradition of a Japanese tea ceremony before seeing striking views of Mt. Fuji. Whichever excursion you choose, a fluent tour guide will be on hand to bring the country to life in safe and seamless ways.

### MORE TIME ASHORE

Thanks to multiple stopovers and with a wide range of Cruisetours available, there is plenty of time to explore the continent on foot. More Ashore port calls offer late night departures and even overnight stays so you can thoroughly unravel the rich local culture and dive into the local nightlife. Savour the sights and fragrant smells of a lively market scene under the soft light of lanterns, otherwise stay on board and you can sample the freshest sashimi and mirin-marinated octopus without moving an inch.

## Australia & New Zealand, Tahiti & The South Pacific

If bucket-list ticking is on your agenda, Australia won't fail to impress. Land of eternal waves and people whose sunny disposition matches the equally lovely climate, it's hard not to fall head over heels. There's always something new to discover, like the labyrinthine spoils of the Great Barrier Reef up close or the pinch-yourself views of the Sydney Opera House from the heights of a Sydney Harbour Bridge climb.

### NEW ZEALAND

Even further afield, New Zealand's draw is inevitable. Families need look no further than landscapes straight out of Lord of the Rings that will keep your whole brood enthralled. Princess's Across the Ditch activities reveal New Zealand's culture at its most authentic. This is an exceptional chance to meet members of an indigenous Maori village, while on board the cultural immersion continues with energetic folkloric performances and sacred Marae feasts.

### TAHITI AND FRENCH POLYNESIA

You don't have to be a hedonist to be seduced by cruises to Tahiti, French Polynesia and the South Pacific. Here, paradise found really is an understatement, with multiple islets and archipelagos surrounded by eye-piercing blue hues. It's a no brainer for honeymooners. Expect romance in abundance whether you're discovering kaleidoscopic coral or lapping up the sun on Champagne Bay. And when you thought it couldn't get any dreamier, late-night departures mean you can walk barefoot on a beach in Bora Bora under the world's brightest stars.

With multi-night land tours and late nights available, it seems like anything is possible.

## The Americas

### HAWAII

Have you ever surfed a wave in Honolulu? Ever fancied island-hopping in luxury? You'll love discovering the charm of the Hawaiian Islands and you'll fall in love with the mix of natural beauty and adventure.

### MEXICO AND CALIFORNIA

Marvelling at the Golden Gate Bridge is almost a rite of passage for anyone stopping at San Francisco, as is sinking your teeth in tacos in Cabo San Lucas. We've been sailing to Mexico for over 50 years and we'd love to show you everything Mexico has to offer. Or maybe you've always longed to cruise the Cali coast with that lifelong friend, drinking wine from Santa Barbara like a scene from Sideways.

### PANAMA CANAL

In lands where the scenic riches are as diverse as the cultures, not only will you connect with nature but also to the extraordinary feats of mankind. It's a soul stirring moment moving through the Panama Canal, gazing from the deck at the towering locks that have transformed the world. All the while live narration from an expert guide plays in the background.

### SOUTH AMERICA AND ANTARCTICA

Peru's ancient city of Machu Picchu is such a thrill with its cloud nudging stone terraces stunning even the most seasoned traveller. For complete contrast to a typical South America cruise, there's Antarctica - a stark, frozen wilderness stripped of human life where sailing by desolate icebergs with your fellow passengers and crew can only bring you all closer together.

### CARIBBEAN

If it's sunnier climes you've been dreaming of, nowhere does island joy like the Caribbean. Cue lazy days on the sun-drenched deck and punch-fuelled parties where everyone congregates to the sound of steel drums.

### CANADA AND NEW ENGLAND

As autumn emerges, the small towns of Canada and New England come alive with rust-red colours, the perfect backdrop for long walks followed by steaming pots of clam chowder with loved ones and travelling companions.

Whatever the dream, you can always bet on The Americas offering wonder beyond imagination.
